Do you remember that time we couldn't stop laughing... Was it at the football game freshman year... Or maybe it was at Girls Show practice... How about all the inside jokes from the plays and the concerts... What about those exciting club meetings after school... Do you remember what happened that time on the lunch line when we were sophomores... The Green Army was so loud and crazy at all the games they went to... We had so much fun together at the junior cotillion when our favorite song came on, remember... Well if you don't I...

To the Class of 2010,

Congratulations! All of you should be proud of making it through the last four years. Remember your time at PV and look back at those years fondly and with great joy. You are about to encounter a new part of your life and we hope that you use the lessons PV has taught you to be as successful as we know you can be. There have been so many good things we could talk about: the most popular Freshman Formal ever, Smencils, or even those gosh darn cookie orders, but remember this, it was a pleasure to work with all of you. We enjoyed the opportunity to get to know each of you. Good luck and keep those memories close. Sometimes the world will seem unkind, but know that we are always there to help.

With great pride and joy,
Mr. Wojcik and Ms. Luchejko

I've had a lot of opportunities to try new things in high school, and that's why I've changed dramatically.

I guess that I really didn't change that much...yeah.

-Tony Vonoforio

I've never been afraid to be myself and that's not gonna change no matter where I go!

To Cut or Not to Cut

A big trend this year was for girls to chop off all their hair. Giselle Prego, however, chose to keep her long locks. After a traumatizing haircut in 2nd grade she hasn't had short hair since. She loves to run her fingers through her hair & will not be sporting a bob anytime soon. If you saw Petra Ayoub last year you would have seen hair that reached halfway down her back. Now it lays above her ears. Petra explained "I cut my hair because I just felt like I needed something new in my life. I was too attached to my hair and I just wanted it off."

spotlight accessories

Rings may be the most underrated piece of jewelry, but stores like Forever21 have made rings more popular with affordable, distinctive styles.

People wear bracelets like they are attached to their bodies. Homemade friendship bracelets, bangles, cuffs, and leather bracelets look great either piled on or worn alone.

What goes around

Some of this year's most popular looks drew inspiration from the fashions of up to fifty years ago. For girls, hippie styled clothing made a comeback this year in almost every way, shape, and form. Peace signs, tie-dye, and flowy frocks filled up both department stores and privately owned boutiques. Designers like Lucky Brand revived patchwork purses, crotched vests, peasant tops, and ethnic prints. For guys, however, a trend from the nineties was more popular. Plaid flannel button-down shirts became a staple in a lot of boys' closets. Stores like Urban Outfitters made the grunge movement of the nineties current and easily accessible for 2010.

Comes around
teacher trends

Mr. Francisco and Mr. Deeney bring the standard shirt and tie to a new level. A white collar, which compliments white pinstripes, pairs perfectly with a bold tie, and patterns are a fun way to add individuality to an otherwise stuffy outfit.

style of PV 2010

style: A quality of imagination and individuality expressed in one's actions and tastes

wakeupcall

Every morning it hits you like a sack of bricks. The question of “What should I wear today?” looms as you get out of bed, brush your teeth, and do your hair. You look in your closet, full of clothes, pull open your drawers, also full of clothes, and still can't make a decision. Time is running out, so you just throw on anything. This daily decision, although highly inconvenient on some days, allows students to express their individuality and personality. The proposition of uniforms offers the possibility to sleep an extra ten minutes, but it also deducts from the amount of uniqueness in our school.

Clothes are a means to express style. The cost and designer of clothes are irrelevant; clothes are a visual representation of someone's personality and style.

If the shoe fits...

Shoes have grown from sensible footwear to the focal point of an outfit. Wherever you look this year you are bound to find a girl wearing boots; tall, short, flat, and high heeled are all frequently worn styles. Guys can be seen wearing brightly colored sneakers made from unique materials such as patent leather or sleek monocolored kicks with features such as velcro straps.
FACULTY
Dear Members of the Class of 2010:

“Man’s mind once stretched by a new idea, never regains its original dimension.” ~Oliver Wendell Holmes

Passaic Valley Regional High School has been stretching young minds for 70 years and preparing its students for life’s experiences. The school is truly a microcosm of our society complete with challenges and opportunities to become valuable and productive citizens. PV alumni have been recognized for achieving success in the creative arts, education, medicine, law and in the corporate world.

Your generation has been exposed to many assessments that previous students have not had to experience. The high-stakes testing which has resulted in a true exit or graduation examination was never part of the equation for those who preceded you at Passaic Valley. This class has performed exceptionally well on these assessments in preparation for pursuing their education beyond the secondary level.

The greater majority of you have taken full advantage of the academic and co-curricular opportunities that were afforded you during your tenure at our school. In addition to your scholastic responsibilities, many of you were successful athletes, artists, dancers, musicians, singers, theatrical performers, cheerleaders, club participants and community volunteers. All of those experiences have added value to your four years and combined with your academic achievements have prepared you to succeed in the next chapter of your life.

On behalf of the Board of Education and Administration, I wish you the very best in all of your future efforts and remind you to maintain your Hornet Pride.

Respectfully,

Viktor J. Joganow, Ed.D.

Alexa Arrabito:
Dearest Alexa,
Today your life holds for you endless possibilities. You have built a solid foundation, and you have worked hard for it. Continue to do what is necessary to move forward one day at a time. Keep sight always of what is important in life. Make each day as satisfying and joyful as you can. Remember that you need only three ingredients for a happy life: a place to call home, persons to love, and always something to look forward to.
May your future be filled with much love and many, many blessings.
Thank you for being a beautiful grace in my life, a blessing I give thanks for every day.
Congratulations... I am so proud of you! I love you with all my heart.
Mimi

It’s hard to believe that our baby is old enough to go to college. For the past 17 years, you have demonstrated maturity, determination, and dedication in everything you have attempted and done. You have always set your goals high and we are so proud of all you have accomplished. You have worked hard for all your accomplishments, and have never let anything stand in your way no matter how much you took on. We know that with your determination and drive, you will continue to follow your dreams in everything you do. Stay focused on your goals and with your determination, you will continue to make not only us, but yourself very proud of all you do.
We love you and are so proud of the caring, loving, and devoted daughter and sister you are. You are a very special young lady who brings such joy and happiness to those around you. Our wish for you as you travel through life is to enjoy the journey and that your future is as rewarding and rich as you have made our lives. We love you always and forever. May God bless you.

Love, Mom.

Catherine Bukalo:
Dear Catie,
It seems like yesterday, when you went off to Magic Years, kindergarten, middle school and to sleep away camp at Oselia. Each time, we held your hand and when you let go, you smiled and were always ready to take on the new adventure in your life. You always enjoyed each and every adventure with confidence!
Reach for the stars and set your goals high! We know you’re capable of achieving great things and making a difference in the world. It seems like only yesterday when we saw your first baby steps. Now, we are witness to another first, graduating high school and going off to college.
From a cute, curly haired little girl, you’ve turned into a beautiful, confident young woman that we are very proud of. Always know that whatever you do, we will always be your biggest fans and will always be there for you with our arms open wide to congratulate or comfort you.
We helped you start the foundation for your life, now it’s up to you to build on it. We love you very much and are very proud of you!
Congratulations Angel Girl!
All our love,
Tato & Mama

Maintaining your GPA while playing three sports every year is pretty amazing! When things got tough, you always found a way to get the job done. That shows a level of maturity and independence that deserves recognition. We may not tell you enough, but always know what we are so proud of the young lady that you’ve become. We are always here to listen and give you support. We know that you will continue to do great things in college and later in life. You are a great example for your brother. Danielle Dellanno:
Like Princess Aurora, you were blessed with many gifts at your birth.
Out sweet little girl brought peace, tranquility, and fun to our family, and your gentle spirit and easy smile made everyone fall in love with you.

You developed your talents as a student and an athlete, and most importantly, you grew to become a wonderful human being. You became a leader, a role model, and a friend to all. We admire your humility, your warm, generous personality, your vivaciousness, your honesty, your self respect, and your respect for others.

We love the way you see the world. You lead; you do not follow. You search for the goodness in others; you do not focus on negativity. You motivate, encourage, and inspire others to be their best. You extend your hand to those in need. You do not base judgments on superficiality. You laugh and you love.

Danielle, we pray that the world that awaits you embraces our beautiful girl and that you share your goodness always. We love you.

Love,
Mom and Dad

Dear Laura,
Congrats & Happy Graduation to our youngest - we cannot believe how fast the time went! You've come from a quiet little girl to a beautiful and intelligent young woman who is focused & determined with her sights set on a great future. Your creativity & artistic talents amaze us - just remember, we want one of those "LB" originals first someday!
Through the years, you've had your share of challenges and disappointments, yet a great amount of happiness, too. You have proven that you can handle just about ANYTHING thrown in your direction! You truly believe that things happen for reasons & no matter the outcome, you always find the love in it all.
You have the ability to look past the negatives and make the most out of the situation.
May you always be fulfilled by what you do & always see the good in the people who come into your life, but most of all... have confidence in yourself! You are a caring and sensitive individual & we are so proud to be your parents! For a kid who had too much fun being little & who didn't want to grow up... you've done a great job. We've loved being with you all along the way and wish you success & happiness in all you do.
