The Class of 1995 is proud to dedicate its yearbook to Mr. Robert Sayegh for his inspiration and dedication. During his thirty years at Passaic Valley, Mr. Sayegh has taught Editing and Publishing and English and has served as advisor of the film club. Above all, Mr. Sayegh has given guidance and confidence to his students.

The Class of 1995 hopes that Mr. Sayegh will stay active and enthusiastic during his retirement. His friendly face and kind ways have warmed the hearts of his students. Mr. Sayegh will never be forgotten.
Mr. Thomas Patierno began teaching in September of 1958. Mr. Patierno’s involvement at Passaic Valley is apparent through the following positions he has held: teacher of Health, Physical Education, & Driver’s Ed, Director of Athletics, Dept. Chair of Health & PE, History & Music, and I.A., Asst/Head Baseball & Cross Country coach, Asst. Field Hockey & Head Softball coach, Varsity Club advisor, and Admin. for the class of 1980 & 1984. Upon leaving P.V., Mr. Patierno intends to travel and volunteer in the community. He also plans on living life to the fullest with his wife, children, and grandson.

In September of 1959, Mr. Carmen DiSimoni entered the hallways of Passaic Valley. During his stay here Mr. DiSimoni taught World Cultures, U.S. History I and II, and was advisor of the Gifted and Talented program. As well as being an instructor, he also took on the role of Assoc. Principal. Outside of P.V. Mr. DiSimoni enjoys spending time with his wife and five children. During retirement he plans to travel, golf, and play racquetball.

Mr. Michael DePaul began his teaching career at P.V. in 1960. Throughout his thirty-five years here he taught Business Education. Besides obtaining his teaching degree from Montclair State College, Mr. DePaul also served in the U.S. Navy and is a Korean War veteran. Happily married for thirty-five years with five children and one grandson, Mr. DePaul plans to possibly teach at a two year college, golf, and spend time at his Toms River home during retirement.

1963 was the year in which Mrs. Lily Silverstein first became a part of Passaic Valley’s Foreign Language Department. Mrs. Silverstein was a Spanish teacher and advisor to the Spanish Club. Mrs. Silverstein began her education in Israel and finished with graduate work at NYU. She was also a member of the Israeli Army. Mrs. Silverstein’s family includes her husband, one son, and a mother and brother who live in Israel.
THREE TALL WOMEN

Dear Member of the Class of '95:

There are physical and mental walks through life that each of us undertakes in order to find comfort, excitement, and encouragement. Some of the paths we travel prepare us to face life's challenges; other paths force us to make decisions, yet still others enable us to develop special friendships, create indelible memories, and set our sights on new adventures. As you exit the security of Passaic Valley H.S., I invite you to travel the roads less taken. Seize every opportunity to explore and exchange ideas and ideals. Ask questions and then ask more. I urge you to view what is in front of you, look past the terrain that seems so dense and take one step, and another . . . . . . . and another . . . . . . . and another . . . . .

I wish you and your classmates much success in your exciting adventure and may health, love, and humor be your constant companions.

Sincerely,

Judith S. DeRosa
Grade Level Supervisor

To the Class of 1995

It's finally June! Graduation and high school will soon be over. Memories, now vivid, will fade with time. Remember those moments filled with excitement as you cheered our teams on to victory . . . those quiet moments meditating on the future . . . those tedious moments spent studying . . . those happy moments spent with friends . . . those special moments at the Cotillion and Prom . . . those anxious moments waiting for graduation. We thank you for allowing us to share these moments with you.

You are now the world; you are our future. Never fail yourselves. Reach for that star . . . it's within your grasp. We wish each one of you a lifetime of happiness . . .

Always,

Miss Kowalsky & Mrs. Otterbein

SENIORS/51
Senior History of the Amazing Class of 1995

We, the children of late ’76 and 1977, lived through the death of disco and the birth of punk rock, but nothing could compare to our journey through the halls of Passaic Valley as we became the “amazing class of 1995”.

Freshman year… With our old friends at our sides, we entered Passaic Valley, not knowing what to expect. We were freshmen, a.k.a., peons. We had to endure seniors cutting ahead of us in line and stuffing us into lockers. We had to deal with a new school, new teachers, and new friends. We faced the embarrassment of walking into classes late or into the wrong classroom altogether! However, these hardships made us stronger, and before long, we learned to deal with the pressures, the locker stuffings, and the new school.

We got our first taste of high school sports, as many of our fellow freshmen competed in football, basketball, track, and many other sports. Most of us competed at the freshman levels, but some of us made the JV squads, and even a select few made it all the way to the Varsity teams.

With each change of season, we experienced changes in our social lives. Fall brought us the play, “Teach Me How to Cry,” and a number of dances. Then those winter winds came blowing in, bringing with them new sports, a Christmas play, and the Winter Musical. We were introduced to a craze some of us had never heard of before but now will never forget: Girls’ Show. We had to pick sides, or in this case, a color, and yell at the top of our lungs for a few hours on a cold winter night. During our freshmen year, the Greens swept every major event.

Spring arrived, and with it came sports once again. There was the annual Art Show, and our class put money in its treasury with the Easter Candy Sales. Before long, summer was upon us, and with it, summer jobs, vacations, but most of all, time off. Sophomore year… Freshly tanned from two months of summer, we returned to the halls of PV. We were no longer the freshmen peons of PV.

We were one step closer to graduating, towards earning a diploma. Again we had fall port. Some athlete stayed in their respective JV quad, while others had improved themselves over the off season to get that honorary “Varsity” spot and letter. We sold “blow-pops,” which gave us not only cavities, but $1000 in our treasury!

In our country, a new president was elected, marking a complete power shift between the two major political parties. Beavis & Butthead ruled the TV airways. The economy struggled, but we, the class of 1995, remained strong. Winter came, and with it, our first major dance of PV, the Sophomore Social held at the Wayne Manor. We spent the night asking, “Where’s the Food?” as we were only served Hors D’Oeuvres.

The Whites saw victory in our second Girls’ Show, there was our extensive magazine drive, and now, parents have subscriptions through the year 2006! Friendships became solid, as we became “used to” one another. Old alliances
withered as old friends went their separate ways.

Summer came before we knew it, and then before we fully enjoyed it... Junior year was upon us. We were now the upperclassmen; only one year separated us from our diplomas. We had to begin plans for our life after high school. We took our SAT's and visited the colleges we planned to attend. We dominated the sports scene, playing a major role in our varsity teams' successes. There were the Christmas “things” sale, the parties, and the famous car wash. Thanks to Pizza 46 and Giovanni for our lunches!

The Junior Cotillion was held at Mayfair Farms, and although his wife didn’t come along, Santa Claus showed up. It is a tradition that the Class of '95 started, and it is a tradition that will never end. There was another Girls' Show, with the Whites repeating their '94 victory. In '94, most of us received the greatest gift of our lives, a license. We spent weekends traveling around, riding to places we'd only dreamt of before.

We ventured to the famous Jersey Shore for a little sun and a lot of fun. There was also a bowling night, and we'd like to say “thanks” to the local town businesses who graciously donated “sponsorships” for lanes. And then, we arrived at the moment we had long been waiting for.

Senior Year ... We were the seniors, the top of that totem pole. We now ruled the school; all other classes looked up to us. No longer did we have to wait in line for lunch. No longer did we get stuffed in lockers. Actually, we were the ones doing the stuffing! We became the focal points of our respective Varsity teams. We were the captains, the leading scorers, the stars. We became presidents and officers of our clubs. We were the editors and staff members for such publications as the Valley Echo and the Valley Green.

College applications brought stress we never thought imaginable, but we survived, and many of us got accepted to the colleges that were at the top of our lists. It was also a time to reminisce. These were going to be our last Broadway trips. This was going to be our final Girls' Show, our last Art Show, and Spring Musical. These would probably be our last games of organized baseball, football, and basketball.

We waited anxiously for the Prom, the parties, the yearbooks, Senior Cut day, Memorial Day Weekend, and that memorable night of graduation. We stood together, ready to face whatever challenges the world would throw us, knowing that the skills we learned at PV would help us endure. We experienced the best years of our lives with some of the best friends we will ever have. We hope that somehow, some way, Senior Year won't end; we want to stay with our friends forever, but we know that can never happen. We know we will all go our separate ways, keeping in touch but never staying as close. Still, we wait, we hope, that somewhere in our future, our circle of friends will be reunited, and we will all happily be together again.

The 1994 Hornets varsity football team completed their season with a 5 and 4 overall record.

Under the direction of new head coach Chet Parlavecchio, his staff, and captains John Ardilino, John Casillo, Brian Juliano and Mike Welhorsky, the Hornets became a group of hard-working, determined players out for victory. This team of outstanding players pulled together to achieve well-deserved victories over rivals such as Lakeland, Clifford Scott, Westside, West Orange, and West Milford.

The 1994 season can be looked back upon with pride. With many underclassmen receiving extensive playing time, the team can look forward to a strong 1995 season.

The Passaic Valley Marching Band and Color Guard gave “Unforgettable” performances this year. During halftime, while the football players “Take Five,” the Marching Band performed an impressive ensemble, including the piece “Baroque Samba.” The band also placed eighth in the CMBC Championships at Giants’ Stadium.

Once again laurels were brought back to Passaic Valley High School as the Boys’ and Girls’ Cross-Country teams had tremendous seasons. The Boys’ team repeated its 17-0 record and won the Northern Hills Conference Championship for the second year in a row. The Hornet harriers also placed fourth in the State Sectionals, qualifying themselves for the New Jersey State Championships at Holmdel Park. Leading the team was senior Mike Grant who won his third straight individual league championship.

The Girls’ team, behind Captain Michelle Cascino, had a remarkable season finishing with a record of 14-1. In the Northern Hills Conference Meet, the girls placed second only to Wayne Valley. The girls also did well in the State Sectionals, placing a respectable seventh in the always tough Group 3 field. Both the girls and the boys should be proud of their outstanding efforts throughout the season.

The 1994 Passaic Valley Volleyball Season was supposed to be a time of rebuilding. The girls proved everyone wrong with an outstanding season. Under the leadership of Coach James Hansen and Captain Jaimee Pruiksma, the Hornets finished their season with a record of 16-6 with impressive victories over eventual State Champs Immaculate Heart Academy and Mount Saint Dominics. The Lady Hornets were ranked first in the Bergan Record Polls and participated in the county Semi-Finals. They were ranked in the Top 20 in the Star Ledger States poll and were seeded 6th in the State Tournament. With the loss of only two seniors, the 1995 Volleyball season will be one to look forward to.

The 1994 Field Hockey Team had a rebuilding season led by the new Varsity coach, Colvin, and the two captains: Amy Giarrusso and Michelle Haussman. Coach Colvin gave the team a great deal of support despite the setbacks the Hornets experienced. This didn’t hold the Hornets back from improving each and every game. Their competitiveness showed best when they won their first victory against Glen Ridge.

After suffering through a 2-18 season the previous year, it was a return to glory for the Passaic Valley Boys' Basketball Team. The team rose above all odds and had an exciting and productive year, finishing at 10-14.

The Northern Hills Conference season began with a tough loss to Newark West Side, but the Hornets rebounded the next day with a 53-43 win over the Montville Mustangs. The following week, the team entered the Passaic Valley Christmas Tournament. This turned out to be very productive experience for the team, in that they defeated St. Mary's in the first round and gave Passaic County power Wayne Hills all they good handle in the championship game, before bowing to the Patriots 47-43.

The team also defeated Delbarton twice, Butler twice, Lakeland twice, and Pequannock once.

In the Passaic County Tournament, the 12th seeded Hornets lost a tough game by three points to 5th seeded Eastern Christian in the first round.

On Thursday February 23rd, it was senior night in the Griswold Gym and P.V. honored the seniors on their final game at Passaic Valley. The Hornet team, perhaps inspired by their senior leadership, defeated none other than Eastern Christian 58-52 in a classic thriller in front of a packed Griswold Gymnasium. This game turned out to be the game of the year for the Hornet team and brought a climax to this exciting season.

The 94-95 Girls' Basketball Team showed a great deal of talent and team work throughout the season. The young, aggressive Hornets had a winning record of 13-10 with impressive victories over West Orange, Eastern Christian, school rival Wayne Valley and Pompton Lakes in the County Tournament. The Lady Hornets also were champions of the Passaic Valley Christmas Tournament winning a tough game in overtime against Rutherford. Although the team was not undefeated, they proved that with their enthusiasm and team work they could defeat some of the most competitive teams in the league. The Hornets are losing three seniors, but with most of the players returning next season, the future looks bright.
The 1994-95 indoor track team had a very successful season. The team was lead by seniors: Jamie Kimberley, Greg King, Tara Vegas, Anna Donnarumma and Michelle Cascino. William Bierach was the 3000m. County Champ. and also made first team all-county. Jamie Kimberley placed third in the county for the 1500m and made second team all-county. Jennifer DiMinni made second team all-county for high jump. Honorable mention were: Ursula Klim, Melissa Saia, Michael Tesoriero, and Jeff Ariola, who finished sixth in the state for shotput.

Seniors: Joe Gallipoli, Jamie Kimberley, Jon Kinney, Anna Donnarumma, and Michelle Cascino. Not Pictured: Gregory King and Tara Vegas.
The 1994-95 Hornet wrestling team had yet another successful season. After a few early season losses, the Hornets picked up the intensity to finish off the season with an 11-5-1 record. Late in the season, the team posted exciting home victories over West Orange, Butler, and Wayne Valley. The win over Wayne Valley was the spark that helped the Hornets to qualify for the state sectionals, where they met Wayne Valley for a second time.

After the second win over Wayne Valley the team, traveled to High Point where they lost a close match 35-29 to Northern Valley Demarest. The Passaic Valley wrestling team entered the Passaic County Tournament at West Milford as underdogs, but stole the title from the highly favored Passaic County Tech Bulldogs. They were also not favored to win the District 13 Championship and again grabbed the championship from the Caldwell Chiefs.

Once again the 1995 spring track season was a successful one for both the boys' and girls' track teams. The Northern Hills Conference season began on April 13, 1995 when the teams faced Delbarton and Lakeland in their opener. They then went on to face other conference rivals such as Wayne Valley, West Milford, WestSide, West Orange, Clifford Scott, and Orange. Both the boys and girls had tremendous success in their dual meet season.

In addition to the Northern Hills Conference dual meets, the track team participated in many invitationals and relay events including: the Season Opener Invitational, the Passaic County Relays, the Wayne Hills Relays, and the Thunderbird Relays. P.V. made strong showings at these meets, especially in the areas of weights and distance.

The boys' and girls' track teams should be commended for their tremendous efforts throughout the 1995 spring season.

The Junior Varsity teams at Passaic Valley are the building blocks to future success. Although JV players are not Varsity level, they still compete with the same intensity and determination. They are the dreamers and the doers. The future of Passaic Valley. JV players may go unnoticed for all of their countless efforts, but in the end they prove their ability to work together in order to achieve victory.
The night of December 22, 1994, was a night to remember at Passaic Valley High School. It was December of 1969 when the first basketball game tipped off in the Griswold Gymnasium. On the occasion of the gym's twenty-fifth anniversary, the Passaic Valley community invited the 1969/1970 basketball team, the first team to play in the Griswold Gym, back to Passaic Valley.

The other reason for the celebration was to honor the greatest basketball player ever to play at Passaic Valley High School: Dr. John Gerdy. Gerdy played at P.V. between the years of 1971 and 1975 and scored a total of 2614 points. Some of Gerdy's honors include: the Passaic County scoring record, state record for the most points scored by a freshman playing varsity basketball, first team all-state honors, first team all-Passaic County honors, and first all-N.N.J.I.L. Passaic Valley honored Gerdy by retiring his #32 jersey, which will never be worn by a Passaic Valley player again.

The night of December 22, 1994, was a night to remember at Passaic Valley High School, and everyone associated with Passaic Valley athletics should be thankful to be part of the tradition of winning at P.V.

They think that I'm somebody.
On December 13th and 14th, the Passaic Valley Drama Club presented their annual Holiday Play. They performed *The Christmas Cookie Sprinkle Snitcher* for the grammar school students of Totwa, Little Falls, and West Paterson under the direction of Kristen Adler.

The play is about a small town which looks forward to Christmas Cookie Baking Day. To their dismay, the Sprinkle Snitcher steals every sprinkle throughout the town. Two brave children set out to find the Snitcher and retrieve their stolen sprinkles. The Snitcher learns of his evil ways, and he is invited to participate in their Christmas fun.

The cast gave a terrific performance and both the children and the cast enjoyed this year's Holiday play.
This year the Valley Green spotlights Passaic Valley’s award winning Drama Club. Under the direction of Michael J. Sperrazza, this group performs a fall masque and sandal play, a holiday play for the elementary schools of the sending districts, a spring musical, and several pieces for competition at local dramatic festivals. These festivals are held annually at The Joseph P. Hayes Surfflight Summer Theatre in Long Beach Island, NJ, and at the Buck’s County Playhouse in New Hope, PA. The Passaic Valley Drama Club has received nineteen awards over the past four years including awards for Best Actress, Best Actor, Best Director, Best Ensemble and Production, Best Supporting Actress and Actor, Best Technical Crew, Best Writing, and Excellence in Acting.

The Drama Club does not only win awards, they also make annual trips to Broadway productions. In the past they have had the opportunity to see such hits as The Secret Garden, Five Guys Named Moe, Damn Yankees, Carousel, and Blood Brothers.

The Drama Club performs all genres of drama and comedy from speculative fiction, such as Weird Romance (1994), to slap-stick comedy such as Noises Off!! (1993). Other plays have a sense of social consciousness. Plays such as The Inner Circle (1992) and Home Sweet Home (1994) both dealt with the AIDS epidemic. Poison (1994) dealt with sexual abuse. Sometimes I Wake Up ... (1993) focused on teenage depression. Games (1992) described the horrors of the Vietnam Conflict.

The Drama Club is a significant educational tool at Passaic Valley. The drama experience offers instruction in public speaking, body movement, and vocal technique. The history of theatre, dramatic and analytic interpretation of plays, costuming and make-up technique are also infused in the activities of the organization. The Drama Club is one of the most challenging, creative, and entertaining outlets at Passaic Valley. Unfortunately, it remains a hidden treasure. Those who recognize its importance are given a healthy and stimulating environment where lifelong friendships begin and self confidence flourishes.

Graduating members of the Drama Club include: Damon Bennett, Gretchen Forbes, Charity Hill, Kathy McGevna, Kolleen Meeker, Yvelissa Munoz, Faith Rosolen, Jennifer V. Surowitz, and Steven Yesenosky.

It is hard to believe how far you've come, from the cute little girl of yesteryear to the beautiful and talented young lady of today. All the unforgettable moments have passed by so quickly but the memories do remain; the video revolution may not have captured your first words but they are inexorably etched in our hearts. We hope that, as you commence your promising future, you remember the good times fondly. We will never forget the time we had you just for ourselves: the leisurely strolls by the River Seine and St. Michel in Paris and the hectic pace of Oxford and Regent Streets in London. We know you will be happy and successful. Remember that the only limitations you will face are those you create yourself. Believe none of what you hear and only half of what you see. Be independent and self sufficient but, at the same time, caring and giving. We love you more than you can comprehend right now and will always be there for you without selfish motives in the best and worst of times.
