SENIOR PROM
Westmont Country Club May 26, 1967
In Appreciation . . .

As we view in retrospect these past four years at Valley, many warm memories of unfailing friendship, mutual learning, and unselfish dedication on the part of our educators come to mind. Therefore, it is with humble appreciation that we dedicate the 1967 VALLEY GREEN to the entire Passaic Valley faculty.
Prologue

The beauty of real knowledge lies in the rational perception of truth gained by varied experiences which are born from a desire to learn. The product, then, is a development of the individual's distinct intelligence.

The VALLEY GREEN staff has attempted to recapture the many varied impressions seen throughout the halls of Passaic Valley High School. These, in essence, have influenced and guided each student to the pathway of his own destiny.
As principal, Mr. Gatti has encouraged friendship and harmony between faculty and students and has greatly promoted the reputation of Passaic Valley High School. His sincerity and enthusiasm in school affairs and his honesty in civic office have set Mr. Gatti as an outstanding example for America's future citizens.

As one of the most amiable and proficient administrators of this school, Dr. Schneider has been supremely esteemed by every Valley student. His ingenuity, zeal, and enduring allegiance to Passaic Valley have made both Dr. Schneider, himself, and our school second to none.
Because of his closeness to the students, Mr. Nixon has stimulated in us many of his own virtues: efficiency, farsightedness, honor, and the ability to think clearly. His understanding and diplomacy in the administering of his duties have earned him the respect and admiration of the entire student body.

MR. PAUL J. NIXON, M.A.
Assistant Principal

Through his encouraging and congenial manner, Mr. Farrell has won over the hearts of all who have come under his guidance. His dedicated administration contributes much to the development of character and maturity in Passaic Valley students.

"RALLY ROUND THE FLAG, BOYS!", a two act comedy by David Rogers, was presented by the Senior Class on October 28 and 29. The production's tremendous success can be attributed to the diligent help of Mrs. Peggy Nuyre, director.

The scene of action is Putnam's Landing, a small but strategic location for a prospective military base of the United States Army. The conflicting ideas of each citizen, complicated by the threat of military invasion, constitutes one of the funniest plays ever produced at Passaic Valley High School.
... he'll think I look like a frump!

I hate that house! It sinks 14 inches a year.

How come no one listens to me when I call attention?

If you can't fight for your women, you ain't even men!

Oh, shut up Harry!
On Monday evening February 13, the Passaic Valley Education Association sponsored the highly successful basketball game between the adroit Faculty All-Stars and Canada's renowned Harlem Diplomats. The 600 fans attending were furnished with hilarious entertainment by both the All-Stars and the faculty cheerleaders.

However much they were subjected to the Diplomats' trickery and jesting, the All-Stars displayed commendable sportsmanship. Generously, all profits were put into the Association's Senior Scholarship Fund which will provide substantial financial aid for many college bound seniors.

On January 20 and 21, the Masque and Sandal Club, under the direction of Mr. Anthony DePasquale, presented THE DIARY OF ANNE FRANK, the first drama ever viewed by a Passaic Valley audience.

The authenticity of the stage set along with the pulsing vibration of old war time music created the atmosphere which transported the entire audience back to Amsterdam during World War II. The plot revolves around Anne, a Jewish girl, experiencing at a very young age the anguish and prejudice of war. Her entire family is inflicted by the same scar and forced to hide, awaiting the desired moment of liberation.

The gradual increase in suspense culminates with the tragic climax—leaving the audience in a state of remorseful bewilderment.
For two long years we have lived in fear, now we must live in hope.

27th Annual Valley Varieties
The annual Valley Varieties festivities were held Friday evening, April 28. The traditional buffet supper, booths, and bazaars were highlighted by the auditorium production, *Desperate Desmond's Dastardly Deed.*

Climaxing the enjoyable evening was the crowning of King Don Lee and Queen Beverly Captain. The court attendants included Candy Banks, Kathie Diehl, Ginger Freund, Jean Patterson, Marie Fatula, Sal Benvenuti, Vic Mizzone, Larry Rubenstein, Doug Salvatoriello, and Steve Welhorsky.
Passaic Valley's tenth annual Fine Arts, Crafts, and Industrial Arts Show was held on Friday, May 12. Exhibits were displayed in the fields of fine arts, crafts, industrial arts, home economics, and English, and prizes were awarded to the outstanding students in each category.

Climaxing the evening was the coronation of Cedar Queen Pat Hadsall, who was presented with the traditional cedar chest constructed by the wood shop classes. The court attendants included Sandi Denequolo, Sharon Edell, Ginger Freund, Pat Partington, and Marie Patula.

27th Girls' Show

After months of planning, the 27th Annual Girls' Show was presented on April 14 and 15. The Girls' Show is in cooperation with the G A A and the Girls' Physical Education Department. The theme for both teams was "The Sounds of Our Time." White Chief, Roe Janmarone and Green Chief, Chris MacMurray, along with their committee heads were successful in presenting a good show for the enjoyment of the audience. This year the Greens were awarded the trophies both nights. Friday night the White committee heads began the show with their dance as Mexican boys and girls. Their colorful marching muchachos followed them. Next, the Green committee heads came on to do a patriotic routine with red and blue flags. Green entrance marched to victory, winning the first event of the night. The White exercising dolls won against the Green exercising elephants and after winning the basketball game with 41-5, the Greens were awarded the trophy for the first night. On Saturday night the Greens again won two events. The other event, modern dance, ended with a double forfeit. Although cheering is not judged as a competitive event, a trophy was awarded to the Green go-go girls over the White supergirls. Both teams put forth a good Show and displayed outstanding talent in their design of costumes and routines.

Student Government
Association

Passaic Valley’s Student Government Association is an organization designed to give the students an opportunity to voice their opinions and make suggestions concerning student activities, student-teacher relations, and relative school matters. This year under the leadership of President John Casciano and Advisors Mr. Tony Suglia and Mr. Paul Hoelscher, the S.G.A. has undertaken to send books to Vietnam, to raise money for a school house in South America, and to enable the students to criticize the S.G.A. by means of an evaluation sheet.

Along with the S.G.A.’s other projects, the council continued to send aid to Passaic Valley High School’s foster child, Florfina de Guzman, which was started several years ago. Florfina lives in the Phillipines and has benefited greatly from our monthly payments given to her in the form of cash, clothing, medicine, and other necessities.

Dear Foster Parents,

May the blessings of the good Lord be bestowed upon us to help out in our carrying of our daily duties.

I’m very busy this time. I’m one of the Junior Police of our school now. It’s fun to be one of them! We are now having a decisive campaign in our school. The boys (who are also Junior Policemen) are trying to help us, together with the Model Platoon Members. The campaign, however, is successful. We are able to catch students who are gambling inside the school premises, those who take pleasure in destroying and harming the school properties and other forms of evil deeds inside the campus.

One thing more, the project that our group made in Physics won second place in the Science Fair in our school but the Regional Science Fair’s result was not yet announced. It is about an object moving in simple harmonic motion.

The first day of this month is called “All Saints Day.” We commemorated our departed loved ones with some flowers laid on their graves and lighted candles.

This is all my news for today.

Your foster child,

Passaic Valley High School has been fortunate in having Virginia Miro Quesada as its exchange student this year. Chosen by the American Field Service, "Vicki", as her American friends call her, is one of the 72 Peruvian students selected to spend a scholastic year in America. A member of the Class of 1967, Vicki resides with the Patrisso family in West Paterson. Grace, her American sister, is presently enrolled in the Junior class.

Passaic Valley's Girls' Athletic Association has for its motto, "A sport for every girl and a girl for every sport." Each girl with her own individual interests and abilities has the opportunity to choose from any of the various sports which are made available to her through the GAA. Valley's girls not only enjoy being spectators, but they also enjoy being the participants. This is shown by their enthusiasm for Girls' Show. "Participation teaches good sportsmanship and promotes initiative." Mrs. Lorraine Duffy is the advisor to the GAA. The dance sponsored by the GAA helps provide funds for a scholarship which is offered to one girl entering the field of physical education. A camping trip in May is the climax of four enjoyable years at Valley for the girls who are chosen to go.

The harriers have done it again. They blanked every foe they faced in dual meet competition. Led by captain Vic Mizzone, who set a new school record for the 2½ mile Garret Mountain course, and seniors Russ Procopio, Rich Topper, Don Lee, Joe Graffam and Bob Lavalle, the Hornets compiled a brilliant 12-0 record. Coach Patierno’s goal for the season was to be the N.N.J.I.L. champions. The team didn’t let him down. Competing for the first time in the conference the harriers ran off with the championship.

After winning the Waldwick Invitational Championship, the team ran into injury trouble. But like true champions they still proved themselves to be one of the top teams in the state by placing second in the Passaic County, Sectional State, and State Championships. As Mr. Patierno said, “The boys have great spirit and the will to win.”

Coach Jim Kiick’s fine J.V. and Freshmen teams, will supply a good nucleus for future P.V. varsity competition. Mr. Kiick is doing a fine job keeping up Valley’s tradition in X-country. These boys will be the future stars in the years ahead.

Congratulations to Coach Patierno and the team for a fine season.

Passaic Valley’s football team closed the season with a four and five mark. This is not a true indication of the teams calibre because they did not play one game at full strength. As Coach Steve Gerdy said, “We started the season six weeks too early and ended it six weeks too soon.”

After losing its first three games to high ranked Fairlawn 33-0, state champion Lyndhurst 40-2 and a 7-6 thriller with Summit High School, Valley finally found the road to victory. With many of its injured players returning the Hornets romped over Livingston 28-7. The fruits of victory were short lived however, as the boys in green lost a tough decision to Paramus 20-10 and were blanked by Wayne Valley 22-0.

By winning their last three games all of the time, toil, and hard work finally paid off for Coach Gerdy’s boys. J. F. Kennedy was the first victim as Valley’s powerful line held them scoreless 32-0. Valley next conquered Dover, an old rival, and concluded its season by stomping Bergenfield 19-13.

Throughout the season Passaic Valley was led by its Co-Captains, hard running Russ Scales, hard hitting Tom Teller and rugged Steve Welhorsky. They were aided by Fred Smith, Glenn Hawkswell, Terry Upton, Eric Patzer, John Casciano, Chris D’Alleinme, and Phil Aldrich.

With a flock of underclassmen gaining experience this year, Coach Gerdy and his staff can look forward to many winning seasons to come.

Passaic Valley’s soccer team continues to improve. Competing for the first time in the N.N.J.I.L. Valley’s booters managed to win or tie five games out of a sixteen game schedule. Included as one of these wins was a 5-1 slaughter of Cliffside Park. Much of the team improvement can be attributed to Head Coach Joe Mazza and Coach John Becker. These men have instilled fierce pride and good sportsmanship in the team.

Many of the players reaped individual honors during the season. Fullback Bob Oxley was Honorable Mention All-County, Halfback Ken Turi was Second Team All-County, and star goalie Leith Mace was first Team All-County and First Team All-N.N.J.I.L.

VARSITY SOCCER TEAM

Soccer

The wrestling team proved it can hold its own in any type of competition. After completing its first year in the N.J.I.L., Passaic Valley’s grapplers ended the season with five wins, five losses, and one tie. The season was highlighted with a 48-0 shut-out over J.F.K.

Valley’s co-captains reaped individual honors. Joe Yacco was the 123 pound District Eight Champion and Sal Benvenuti was the 115 pound Champion. In the regionals, Sal went on to beat Stu Pruzansky of Passaic before being subdued.

Much credit should go to Coach McMahon and Assistant Coach Aharrah for instilling fierce pride and a will to win in all the wrestlers.
VARSITY WRESTLING TEAM

JUNIOR VARSITY WRESTLING TEAM
After a solid trouncing of Boonton in its opening game, Valley’s basketball team found the going rough. The N.N.J.I.L. provided stiff competition for Valley after a season of independent ball. Although the team managed to win only two conference games, both were solid victories over arch-rival Wayne Valley. It must be mentioned, however, that many of the losses were undecided until the last few minutes of the game, with two games proceeding into overtime.

Valley was led this year by Captain Glenn Fellmann and seniors Leith Mace, Bob McBride, Lou Segreto, Jim Racz, and Chris D’Alleinne. Coach DiSimoni gave many juniors a chance to gain valuable game experience. Juniors Jack Teitsma, Glenn Mason, Stan Fraum, John Rayhack, Jerry DeVissier, Tom Frusciano, and Frank Mannarino, who are expected to be back on the court next year, give Coach DiSimoni the nucleus for a strong team.

Passaic County Relays—First Place
Passaic County—Third Place

The 1967 Passaic Valley Track team turned in an excellent record this season. Leith Mace and Jim Racz led the hurdlers to sweeping victories. Russ Scales, Dane Massaro and Chris D'Alleinae made up one of the best sprint squads that Valley has had in quite a while. The distance men (880 mile, mile and 2 mile) were led by seniors Vic Mizzone, Russ Procopio and Rich Topper. Glenn Hawkswell was the anchor man of a fine mile relay team. Again Russ Scales takes the spotlight along with teammate Steve Welhorsky to dominate the weight events. Over-all it can be said that this team is one of the most effective squads that ever set foot on the Valley track. In all events underclassmen turned in fine performances to greatly aid the seniors in doing such a commendable job this season. Much credit should go to the men who guided our team to their success: Coaches Kiick, Bender, Pellechia, and Ruccia.
Having entered a new conference with a varsity team comprised mostly of sophomores and juniors, Coach Elmer Griswold found the 1967 baseball season a real challenge. Pitchers Tom Dowd and Bob McBride, infielders Jack DeYoung and John Marmorato, and outfielder Bob LoGuidice were Valley's only senior players.

While impressing many spectators with their poise and skill, the underclassmen gained much needed experience on the field.

Junior Varsity Coach Tom Patierno and Freshmen Coach John Liscko gave Coach Griswold much able assistance.

Mr. John Becker
Class Advisor

Throughout our four years at Valley, we, the Class of 1967, have looked to Mr. Becker for the leadership and guidance necessary to fulfill our many obligations to ourselves as well as to the school. His unfailing understanding impelled by his genuine dedication has created a sincere rapport between all seniors. Mr. Becker, our class advisor, was truly a giver.

Summing up such a sensitive, complex, sincere, intelligent human being as Pete Baumgartner seems impossible. Few people know the real Pete; either they are too busy with themselves, or they are too far out of reach to climb up to his level.

The real Pete is, to me, a memory of Dylan discussions, a memory of Cape Cod capers, a memory of wine, wisdom, and wild times, a memory of brotherhood in its purest sense. I feel anyone who comes into contact with Pete is left with a lasting and favorable impression and are, themselves, made better because of him.

Rather than tribute this to a fine human being, I feel this is merely an account of my "brother’s" character. To those who know the real Pete Baumgartner, congratulations. To those who don’t, "don’t think twice, it’s all right."

Acknowledgments

The Editors would like to express their sincerest appreciation:

To Mr. Herbert Botbyl, our literary advisor, for his congenial attentiveness and tactful diplomacy in dealing with our exuberant desires.

To Mr. Chester Kuziora, our art advisor, for his encouraging high spirit and boundless creativity.

To Mr. Michael Gatti for the patience and interest shown to our class.

To Mrs. Thelma Mathews for her assistance with our foreign correspondence to England.

To New City Printing Co.; Academy photographers, Inc.; Lorstan-Thomas Studios.

To the faculty for their gracious tolerance of innumerable class interruptions.

To our fellow students whose cooperation has contributed to the final success of the 1967 VALLEY GREEN.
