Passaic Valley High School
Little Falls, N.J.
We've been living in a special time in our lives, a time in which we've learned through all of our experiences. A time when our spirits are one a time that passes too soon but will never be forgotten for everything we do will be related to these years of growth.

We see new minds expand, a flashback to a time of learning we see children playing in the sun a flashback to a time of innocence.

As we grow into our new loves we flash back to our first loves and eternal friendships. As we experience new times in our lives we can flash back to the special times which make our future.

Paul Caruso
Flashbacks of the days of our youth... the sharing and caring... the triumphs and defeats... the joys and sorrows... we remember the apprehension of those first days... Having graduated from relatively small grammar schools, we took our first steps into what seemed to be an enormous high school. At the sound of the first bell, we walked down the halls of Passaic Valley and were immersed into a world of confusion. Our country was faced with the threat of nuclear war, and who can forget increasing gas prices. Through the Administration of President Carter, the draft registration was put back into effect. These were troubled times. To add to our dismay, the second day of school was closed due to Hurricane David. A new curfew policy came into effect. Fire Alarms were being tested by students to make sure they were in proper working order. “Anyone want to buy a key to the elevator?” Under the guidance of Miss Rano and Mr. Pennacchio, we started our treasury with a magazine sale. The American spirit was sparked by the U.S. Olympic Hockey Team’s victory over the Soviet Union. And so was ours as we entered our Sophomore year.

That year our football team became nearly as famous as the new designer jeans, which were a fashion gold mine. The Hornets won another state title. Several players were chosen to perform in a Sprite commercial. These athletes were not alone in their achievements; P.V. initiated it’s first girls’ cross-country team. Our band won the EMBA. We certainly were inspired by popular music groups. More mini-blondies appeared everyday. New Wave was in-Disco out. Mini-skirts came back. 52 American hostages were finally released and reunited with their families after many months of being held in Iran. John Lennon was murdered, P.V.’s Girls’ Show, a tradition of four decades, came to an end. We sold flowers for Valentine’s Day which contributed to a healthy treasury. An April snowstorm that temporarily paralyzed the area brought our Sophomore year to an end.

Junior year our bleachers were condemned. Loyal football fans had to travel to Montclair State to watch the home games. Molly Cribbs became the first professional band since Mountain to appear at P.V. Both our soccer team and field hockey team won the NJSIAA. The basketball team had a successful year, although several of the players were injured. The wrestling team captured a State title. “We’ve Got Tonight”, was the theme of our Junior Cotillion which was held at the Wayne Manor. Most of us passed the Driver’s test and got our licenses. Too bad we didn’t do as well on our SAT’s. The girls wondered what was to become of the GAA funds. Assassination attempts were made on Pope John Paul and newly elected President Reagan. A Student Senate replaced the SGA. Pac Man ate his way into our hearts, and we watched the Royal Wedding with awe.

GROSS ME OUT, FER SHER. The Valley Girls hit Valley High. Hanging out at the Lantern became a daily routine for some of us as anticipation of our graduation grew. Our Senior year was full of surprises. The smoking area was removed along with those who decided to protest its demise. A $100.00 fine was in effect for those caught smoking in non-designated areas. There were, however, no designated areas in which students could smoke. Tylenol and Tires were threatened nationwide. Our school board rented NEW?!? bleachers that were condemned, again. The Rocky Horror Show, our senior play, was a big hit. E.T., a huggable alien was a major box office draw. The computer became Time’s man of the year. A series of bomb scares threatened our school as well as our community. We enjoyed our Senior Prom which was held at the Birchwood Manor. Our graduation on June 19 celebrated our end of innocence and introduced us to the real world of college, work and adult responsibilities.

No matter how we look back on our four years at Passaic Valley—something remains which will shape the present or change the future. Flashbacks of these times will be with us forever...
THE ROCKY HORROR SHOW
Presented by
The Senior Class of 1983
on October 22nd and 23rd, 1982

BONNIE
As you come upon the conclusion of your short term here at Passaic Valley, it is with many wishes of success and happiness that I salute you, the Class of 1983, as you leave us only to be an extension of our school community in varied occupations, colleges, and universities.

I am certain that you all shall positively represent Passaic Valley in society through your own individual pursuits in the years to come.

Ralph Pennachio

"These sudden ends of time must give us pause. We fray into the future, rarely wrought Save in the tapestries of after thought. More time, more time."

Richard Wilbur

My wishes for the very special class of 1983 are embodied in the words of the poet, Richard Wilbur. Four years have suddenly passed. For each of you I wish all the time to do; to be; to live! For myself I wish we had more time, more time . . . Thank you for the wonderful experience of knowing you.

Maria Rano

In the four short years that we have been at P.V., many memorable occasions have come to pass. Our advisors, Mr. Pennachio and Miss Rano were there to share in those unforgettable experiences. From freshman year right up to Graduation Day, they urged us to do our best and to strive to reach our potential. There were times when it appeared we could not meet our class commitment to achieve our projected goals. Yet, with encouragement from our advisors, we always came through with visible success.

We, the Class of 1983, sincerely thank Mr. Ralph Pennachio and Miss Maria Rano for their dedication and understanding during these last four years. We wish both of them much happiness and success in whatever the future may hold . . . .

Class of '83

“it’s Just the Beginning”

Fears of life and fears of death
Afraid of what can happen next
Seeing those we love, leave our sight for above
Makes it all seem so unfair

Never to speak or hold his hand
Only in this life, he’ll never be what he might have been
But it’s not the end, it’s only one step closer
To a place where we’ll all meet again

It’s not the end, it’s just the beginning
It’s only goodbye for now
It’s not the end, it’s just the beginning
It’s only goodbye for now

And so we cry, and plead for a reason why
Why him
But try to understand, we’ll all meet again
And together we will be.

In Memorium

Friendship
never dies
it lasts forever
in the hearts of friends

Chris Pridmore

In Memory of Chris:

A person who could laugh
even though inside there was
pain
Who gave his friends the
strength
to see through their hard times
By showing them how to keep
a smile on their face while
sadness surrounded them
He never felt sorry for himself
and never wanted us to
He never gave in, always
fighting,
I will never forget the person he
was
I will remember sitting with him
in the field talking with him
in my mind and laughing
with him in my heart

Chris Pridmore died of cancer
on Tuesday November 6, 1979
Leaving with me a happy
trail of memories

George Louridas

The years he spent with us will be
remembered most fondly. His
strong will and determination and
constant flow of optimism were
most inspirational. Although his
time here was, unfortunately,
short-lived, our cherished memo-
ries will remain forever. His con-
tribution to the local PAL was ex-
tremely beneficial. He went from
scorekeeper of the basketball
teams to assisting the baseball
teams; always being the perfect
fan. He'll be remembered, as he is
here, happy.

The Class of 1983 would like to extend a special “Thank-You” to our area manager and friend, Mr. Herbert Borbyl. In our four years at Passaic Valley we’ve come to recognize Mr. Borbyl as more than just our class administrator. We’ve looked to him for suggestions, solutions, encouragement, or a laugh, just when we needed it most. Time and again, Mr. Borbyl has gone beyond his required duties to share our smiles and our tears as we experienced our high school days. We take this time to express our thanks for his leadership and his love and it is with the deepest sincerity that we offer him our best wishes for the future.

The Passaic Valley Football team had a new coach, Mike Van Zile, during the 1982 season. The Hornets finished the season at 2-6-1.

Along with a new coach, Passaic Valley had a new multiple set offense which was led by both Kevin Torres and John Andriulli as quarterback. They threw to wide receivers Bill Humes, Bill McCormick, and at tight end Jim Weston. In the backfield was co-captain Len Melissant as tailback. Splitting the job of fullback were Rich Ashenback and Joe Mangan. Blocking for the backs on the line were center Bill Taylor, guards Kevin Rietema and co-captain Bill White, and tackles Doug Pedalino and Bill Stumpf. Many starting offensive seniors saw doubletime on defense. Among them were defense tackle Tom Chumacas, John McNamara, and Bill Bucher, defensive end Roy Babcock, and defensive back George Imperatore.

The Hornets opened up their season at Montclair State College against Belleville on September 25. With opening day jitters, the Hornets lost that first game. The team couldn’t overcome an early halftime deficit and fell victim to the eventual league co-champions.

P.V.’s brutal schedule continued as they took on Passaic. The score was close at the half but Passaic’s Craig Heyward couldn’t be contained as the Indians cruised to an easy victory. P.V. faced Clifton the following week in a traditional rivalry. The Hornets cruised to a 14-0 win over the Mustangs. Another bright spot was a 28-6 victory over Eastside.

Although the 1982 football team had an overall record of 2-6 with one tie, the future looks bright. Four of the six losses were to teams that participated in the playoffs, and were ranked in the state all season long. Several injuries to key players also added to the Hornets woes. All in all the team should be congratulated for their effort and determination to do their best even during the most toughest time.

The 1982 Marching Band

The 1982 program continues to explore the "Total Show Concept," which is actually a marriage of "Visual Design" and choreography, to musical variety. The first example of this comes with the beautiful stages "Irish Gigue," during the opening selection, "Crown Imperial Coronation March."

The Band, after presenting this noble and sonorous semi-classical piece, moves smartly into its percussion feature "Spartacus," combining intricate drumming, trumpet, and flute work, with color and choreography.

A medley of "Big Band Swing" is up next, as the sounds of "Bandstand Boogie" and "Opus One" make for a truly exciting concert selection, while the color guard truly enhances and helps set the mood with authentic dance steps from that great era.

Finally, and in contrast to preceeding portions of the program, the band exits to the theme from Ice Castles, "Through the Eyes of Love," which culminates in 1982 program.

The staff and members of the marching unit would like to thank all who have and continue to support our efforts.

The band holds the 1980 EMBA Class IV Championship. In 1982, placed first in Class III, an attained Best Overall with special awards for Best Music, Band front and Percussion. They also won Best Overall at the Madison Central Spartan Invitational in Oldbridge, N.J.

The Passaic Valley Band this spring toured the state of Florida while performing at Walt Disney World and Sea World, having been selected to lead off the internationally renowned festival of Lights parade down Main St. in the Magic Kingdom.

The 1982 Marching Season saw the band win the following awards:

- Best Percussion
- Best Drum Major
- Best Music & 1st Place Class IV-Portchester, N.Y.
- Best Band Front & 2nd Place Class IV, Montvale, N.J.
- 2nd Place Class IV, Cedar Ridge, N.J.
- Best Music, Best Percussion, 3rd Overall, 1st Place Class IV, Best Drum Major Class IV

EMBA Championship Finalist, Elizabeth, N.J.
P.V. Marching Band
Cheerleaders

Captains: Rose Delle Cava, Beth McParland

Hornet: Rene Craney
Despite our 3-9-3 record, I was very pleased with the performances of the field hockey team this year. We had 12 first-year players on the team and basically a freshman defense. None of these girls had any field hockey experience coming into the season.

The only two teams that defeated us soundly were Montclair and Bloomfield. Both are experienced teams that were in contention for the 1982 State Sectional titles. The girls improved steadily over the season and was a positive rebuilding year for us.

We upset Pompton Lakes in the County Tournament and tied Hackensack, who also was in strong contention for their state sectional championship.

All in all I felt it was a successful year for us as the team made a respectable showing at each contest. If they all stay with the sport I feel we have a bright future.

Soccer

Despite injuries to several key players, the soccer team managed an 8-7-4 record, a third place finish in the NNJIL and another trip to the semifinals in the Passaic County Tournament. Senior Captain Glenn Hughes, in his third year as Varsity goalkeeper, was one of the keys to the Hornets' success. Glenn, and a defense led by Mike Sperrazza and Mike Marotta, set a school record of six shutouts in a row, and collected a total of nine shutouts for the season. In other key games, George Novak had the gamer against Hawthorne in the County Tournament, Ken Mate the gamer against Clifton and Anup Singh had the game winning goal against Nutley. Other seniors who contributed to the team's overall success include Frank DeCeglie, John Dooley, Marco Tedeschi and Bruno Vitale.

During the season the Hornets posted several key victories including a 5 to 2 regular season win over Passaic County Champs Clifton, a penalty kick shoot out win over defending Passaic County Champions Wayne Valley and a 2 to 1 victory in their final match against Passaic, to clinch a 3rd place finish in the League. Congratulations on a fine season.

Record: 6-6-4
The Varsity Volleyball team again showed improvement in their win-loss record. The Hornets were led by senior, Laurie Proffitt, and veteran varsity players, Cindy Krill, Darlene Sardinsky, and Carol Sokalski, all juniors. The rest of the varsity team consisted of Tamara Dutko, Michele Rizzo, Marge Nolan, Lorie Van Vliet, and newcomer, Barbara Scudillo.

The JV volleyball team improved their record with a .500 season which was a first in PV's volleyball history.

Volleyball is still new to PV but should certainly be a winning sport in the coming years due to its enthusiastic and talented young ladies.

Coaches Krone and Erikson
Cross-Country

The Passaic Valley Girls team had their best season ever with a 40 and 2 record — plus a 2nd place finish in the NNJIL (Passaic-Essex Division).

Leading the team was Junior Leslie Perre and Seniors Caroline Roos, Lisa Dunn and Patty Carroll.

Other girls having a fine season were: Juniors Renée Fiorilla, Lisa Lombardi, MariJean Azrak, Leslie Taylor, Mary Denise Appio and Freshmen Kathy Hourihan.

Next season PV Girls should win the new league and are favorites to do so.

Boys Cross Country

Passaic Valley without any senior boys had a very tough season. The future, however, looks very bright with a nucleus of young runners. Toward the end of the season much improvement was made.

Junior Captain Chris Laines had an excellent season, and next year Chris should be the top runner in PV’s new league.

Returning lettermen next year are as follows: Scott Smith, Yusif Oksas, Leo Politz. Also Dave Nardino who came out late for the team and had great progress.

Although the dismal record of 2-11 Coach Bender feels that success next year is eminent.

Chris Laines-Honorable Mention NNJIL (Passaic Essex)

Gymnastics

Coached by Donna DeKluyver, with the help of two seniors Diane Stevenson and Captain Valerie Vogler the 1982 Gymnastic team finished with a 5-6 record. The team began the season scoring in the 60's but improved 20 points by mid-season, and ended with an all time high score of 84.60 in the sectional meet. With the hard work and endurance of these gymnasts the team was able to qualify for the state sectional meet which entitles only six teams, and finished with an impressive fourth overall.

Returning gymnasts who will be led by seniors Sandy Camacho, Helene Swank, and Kristi LaTrecchia look forward to a .500 season next year.

HONORS

Valerie Vogler - Honorable Mention-NNJL

Captains: Valerie Vogler, Sandy Camacho

Coach Donna DeKuyver
The Passaic Valley Boys Bowling Team was lead by seniors Phil Fusco and John Dooley. The other two varsity spots were filled by junior Bob Ricciardi and Mike Louridas. The team was in third place midway through the season, but was 62-8 ledger over the second half of the season they captured first place in the NNJIL with a record of 113 wins and 27 losses. The team shattered all of the Passaic Valley School Records. The team had an individual team game of 914 and a team three game total of 2535. Phil Fusco lead the league with a 189 high average, and Bob Ricciardi lead the league with a 718 three game series. Mike Louridas provided the consistency the Hornets needed, and John Dooley provided the clutch performance in the pressure situations. The Hornets finished second in Region 1 competition, and a respectable seventh place finish in the State Finals. The hard and undying persistence of Coach Mike DePaul earned him Passaic County Coach of the year. The performance throughout the year exemplified the sheer determination of the team leading them to victory.
Girls Bowling

The Girls Bowling Team finished the season with a 25-73 record and 7th place in the NNJL Passaic-Essex Division. The varsity team consisted of Laurie Proffitt, Linda Maricorda, Deanna Roberto, and Darlene Demarest. Bowling for the JV team were Lisa Cavallaro, Michele Delorme, Carrie Romaniello and Michele Dominco. The team placed 5th in the Passaic County Athletic Association Annual Tournament with individual honors going to Laurie Proffitt for bowling 2nd high game-181 and 3rd high series-492. Laurie also placed 7th on the second team for ALL-PASSAIC COUNTY.
Wrestling

Wrestling at Passaic Valley had a special obstacle this year in the loss of Captain John Politz. We shall never fail to go into a gym to compete and not remember John and his devotion to his sport. Dan Elezer and the remaining seniors did their best to take up the slack and responded well. The team finished with 7 wins and 4 losses. The four losses came to teams who were either undefeated or with just one loss at the time Passaic Valley wrestled them.

At this time we are looking forward to the Passaic County Tournament at West Milford, the Sectional Playoffs and the District Eight Championships at West Essex.

Seniors Dan Elezer and Bill Stumpf each have but one loss with Nick "Big Nick" Dransfield close behind. Joe Mangan and Bill McCormick also have good individual records.

This group of wrestlers has been a real nice group to be with and work with. Our managers and seniors were all interested in the sport of wrestling and extremely helpful.

Captain Mark Natale, Coach Wallace, Captain Eric Roos

Front Row: Eric Roos, Mark Natale, Bill Humes, Tom Trunzo  Back Row: Coach Wallace, Bob Scherzer, Bob Pille, Brian Kiefer

The 82-83 Passaic Valley Basketball team faced the strongest schedule in the school's history, playing seven schools that at some point during the season were ranked in the top twenty teams in the state. New league members Eastside, Passaic, Montclair, and Kennedy provided stern tests for the outmanned but never out hustled the Hornets. The team scrapped to a respectable 8-13 record with a never say die attitude that won the respect of friend and foe alike.

The team was Co-captained by senior guards Mark Natale and Eric Roos, who provided expert ball handling and inspirational leadership. Natale led the team in assists and earned a reputation as a player who would sacrifice his body to make a defensive play. Mark made honorable mention all league. Roos was the team's leading scorer and was very strong defensively. He scored twenty points or more several times during the year. Eric made second team all league.

The forward spots were shared by seniors Tom Trunzo, Bill Humes, and Brian Kiefer. Although giving away several inches to their opponents, they held their own in the rebounding department. Trunzo was the best jumper on the team, while Humes added much needed muscle. Kiefer's infectious enthusiasm made him a very valuable player.

The center spot was shared by the junior duo of Bob Pille and Bob Scherzer. The experience they gained this year bodes well for future Hornet cage teams.

The highlights of the season included a second consecutive Wayne Valley Christmas Tournament Championship and qualifying for both the County and State Tournaments. Perhaps the year's most exciting game was a heartbreaking one point loss to heavy favorite Passaic, when a last second shot rolled around and out.

All in all, the team and its seniors made the coach and school proud with their selflessness and dedication.

Girls Basketball

The 1982 girls basketball season was perhaps one of the best teams we've had in a few years. With a slightly less than average record the Hornets are still to be commended. They were recognized as a team who gave one hundred percent; always staying in the game. Of their victories, one to be highlighted is that of their Kennedy contest. The girls came out on top with a win over this fine team. Seniors, Lynne Butkiewicz, Carol Bender, Dana Mercer and Karen Maletta pulled together this year to make up for anything they could have been lacking, and in doing this they formed a stronger team than they had hoped. Underclassmen also added the needed depth. Sophomores Jill Fisher and Gwen Fischer saw valuable playing time, as did Sue Intili. The Hornets will be looking to rebuild in the next few years, however, from their 82-83 season, they have learned what a real winning season is.

Lynne Butkiewicz- 1st-team all-county
2nd-team all-league
Jill Fisher-honorable mention-league
Carol Bender-honorable mention-league
The Passaic Valley Softball team can only try to improve on last year’s 19-6 record. The Hornets will have their problems since graduation left six open spots to be filled. The only returning players are pitcher Lynne Butkiewicz, who pitched the Hornets to most of their victories last year and four year starter Jill Kebless at third base, both of these players were all-league and all-county picks. Coach Marquis feels they can have an above average team if she can find the right combination of players. Solid defense has always been a P.V. trademark and Marquis will try to keep up the tradition with Carol Bender in centerfield, Jill Fisher at short, Laura Elliott at second base, Kristen Mania at first and Dana Mercer behind the plate to complete the battery. If the girls have the desire to win, the dedication to play, the determination to be the best they can be, they will surprise many people including themselves. If they give their best shot, P.V. softball will finish on top.
This year's golf team should prove to be as good as last year's 18-2 team. Senior lettermen Mike Sperrazza and Craig Bitten will provide the strength while newcomers Jeff Szilagyi and Dave Golub will fill the gap for coach Ariola. He feels P.V. has the potential to for a county championship.
The 1983 Baseball team’s chances for success are excellent due to the return of 9 lettermen. The pitching staff consists of senior southpaws Tod McEvoy and Barry Annis. Righthanders include Mark Danilack, Mike Marotta. The infield positions will be filled by seniors Kevin Torres at third, Tom Trunzo at short, Mark Natale at second and rounding out the infield is John Kraus at catcher and John Dooley at first base.

The outfield chores will be handled by seniors Len Melissant in center, Doug Pedalino in right, and Jim Weston in left. Coach Vinnie Caruso in his second season as leader of the Hornets is optimistic in his outlook on the 1983 baseball season.

Tennis

The 1983 Passaic Valley Varsity Tennis team looks very strong despite losing an experienced coach in Mr. Joseph Biscaha. The team's new coach, Mrs. J. Barrington, will definitely provide the team with the needed leadership and support. The tough 24 match season will test the team's endurance and determination. Most of the competition will come from the archrival Clifton Mustangs. Led by seniors Philippe Fusco and Allison Liss, the team hopes to improve upon last year's impressive 13-11 record. The remaining players include a mixture of sophomores and freshmen with bright futures. Steven Stadler at third singles and Roy Kachur and Kimberly DeBonte at first doubles. The opening day 4-1 victory over Belleville will hopefully spark the Hornets to a championship season.

I’ve Loved These Days
Words and Music by Billy Joel

Now we take our time, so nonchalant
And spend our nights so bon vivant
We dress our days in silken robes

The money comes
The money goes
We know it’s all a passing phase

We light our lamps for atmosphere
And hang our hopes on chandeliers

We’re going wrong, we’re gaining weight
We’re sleeping long and far too late
And so it’s time to change our ways

But I’ve loved these days . . .
Now as we indulge in things refined
We hide our hearts from harder times
A string of pearls, a foreign car
Oh we can only go so far
On caviar and cabernet

So before we end and then begin
We'll drink a toast to how it's been
A few more hours to be complete
A few more nights on satin sheets
A few more times that I can say
I've loved these days
The end has come,  
so they say  
Though not for us  
We have  
Today  

Today  
to recall the time we’ve spent  
the friends we’ve made,  
the rules we’ve bent

Today  
to remember where we’ve been,  
when we learned that even in losing,  
we could win

Today  
to reflect on the joy and sorrow,  
so heart felt, when today became  
Tomorrow

Tomorrow  
to flashback on yesterday,  
when once we dreamed of

Today  

Patricia Carroll
