Class Of '78
Passaic Valley High School
Little Falls, New Jersey
Senior Class History

Looking back on our four years at PV, one might counter the popularly held notion that it's only the laughter we will remember . . . . Many of our moods fell short of laughing Freshman year when we were first introduced to 24-mod days that made us wonder how long a school day actually was, and smoking sections that made us wonder what a school day was actually for.

Graduated from relatively sedate grammar schools and immersed into the land of strikes, drug busts, and M-80's only served to make our transition more explosive. We learned about teacher strikes the hard way and almost became the first class to catch pneumonia en route to fire prevention. (Thank goodness for state-mandated inoculations.)

Ever optimistic in regard to our youth, we put up a fight from the very beginning. Unlike most previous classes, our fund-raising began early on, with the election of Freshman Class President Deane Salvatoriello. The drive was on! Our advisors, Miss O'Malley and Mr. Laudi, hunted for financial opportunities to raise funds. Our class capitalized on the 1975 State Football Championship by selling commemorative T-shirts. We baked, washed, and sold our way to the most prosperous senior class treasury in years. (Or, at least some of us did.)

Transitions also seemed to mold our existence. By the time we finally learned what mods and drop days were, and when they were, mods and drop days disappeared (Along with Mr. Laudi). But, so as not to confuse us, co-ed gym was added. Delighted (?) girls could be overheard in locker rooms cursing the wonder called shaving.

And if our class was drawn to DREAMS, we certainly had our inspirations . . . . We saw a peanut farmer win the White House and mini-Farrah's pop up in every hallway, complete with totable curling irons and gallon size Adorn. We witnessed the rise of ten celebrities with the success of our senior play, Godspell. The impact of the play's sell-out performance was so great that awed spectators could be found wandering aimlessly, humming "Day by Day." And our senior year was turned into a winterwonderland by the "snows of '78." The snows not only served to make our senior year special, but also shorter.

So, we had our opportunities and we had our disappointments, but remember us always forging ahead, holding fast to our DREAMS . . . .
There once was a lame man who taught children how to run. He was a retired tight rope walker.

In ending and beginning, our dreams all come to light. And at times like graduation, we shine through them.
Class Advisor

We, the Senior Class of 1978, would like to express our sincere thanks to our class advisors, Miss Mary O'Malley and Mr. Bruce Laudi. Miss O'Malley has helped us over these past four years to build up our class treasury and to raise funds to make this yearbook possible. Mr. Laudi was also on hand during our first three years to help with any projects we initiated. We will always be grateful for their advice and guidance.

Mary O'Malley

Senior Class Counselors

The Senior Class of 1978 would like to extend our sincere gratitude to Mrs. Dennery and Mr. Reinhardt for the advice and counseling they have given us throughout our four years at Passaic Valley.

We feel that Mrs. Dennery and Mr. Reinhardt have done more for us than their jobs called for, and we thank them for this. A counselor must be well-informed as well as interested, and we feel that both Mrs. Dennery and Mr. Reinhardt fit this description perfectly. Thank-you.

This year's senior class brightened the holiday season for twenty youngsters from Mt. St. Josephs Home in Totowa. The children were treated to a day of Christmas fun and excitement that brought joy to the entire school.

The day began with Masque and Sandal's presentation of "Cinderella". Afterwards the children had lunch in the cafeteria as the guests of Mr. Michael Coscia of Pomptonian Caterers and were then given a tour of the school. The festivities were continued with a party in Campbell Hall where Santa made an unexpected visit and presented gifts to all the children. These presents were made possible by the contributions of the student body and faculty.

The day ended in a flurry of farewells and sad smiles, but we will always carry with us the memory of the friendships made in the giving spirit of the holiday season.
SENIOR PLAY

This year’s Senior Class Play was a dynamic production of the Broadway hit Godspell. The cast gave two sell out performances on October 21 and 22. This production drew a greater response than any play had in years and the cast's excellent presentation was paralleled only by the audience's enthusiastic response.

Dreams are like memories;  
They'll last forever if you want them to.
All that we see or seem
Is but a dream within a dream.
Castles in the air …
They are so easy to take refuge in.
And so easy to build.
Dreams are reflections of a person's thoughts and feelings. They represent impressions of the past as well as hopes for the future.
There in the sunshine are my highest aspirations ... I can look up and see their beauty, believe in them, and try to follow where they lead.
For yesterday is but a dream
And tomorrow is only a vision
But today, well lived, makes
Yesterday a dream of happiness
And every tomorrow is a vision of hope.

We can easily forgive a child who is afraid of the dark; the real tragedy of life is when men are afraid of the light.
We will know when we have grown by how many of our dreams we have turned to reality.
In childhood dreams of grandeur, winning and losing often shape future goals. Winning makes them higher and losing keeps them realistic. However, it's the playing that matures the man.
Coach Mary Borgess

The Varsity Field Hockey team won its 3rd consecutive NJJIL championship with a league record of 9-0-3. The team took 2nd place in the Passaic County Tournament in a decisive flick-off situation losing to Wayne Hills in the overtime period. In the state tournament play, the Hornets had a chance for sweet revenge against Wayne Hills. The team had a very satisfying 1-0 win over the Wayne Hills team and took the sectional state championships for the 2nd consecutive year. The Hornets played and outstanding game to defeat Westfield 2-0 in the state semi-final group 4 championships, and lost 1-0 to Shawnee in the final minutes of the state championship game. High scorers for the team were Karen Brahs with 13 goals, Lori Copelton with 11, and Ruth Mechanic with 9.

This year our school, due to the efforts of some very persistent girls, originated a girls' volleyball team. This team played against other teams who have been playing for at least 4 years. Through the long weeks of practice the girls grew as a team and their skills improved. There are great hopes for progress of next year's team because the entire starting team will be back with the exception of one senior. Leva Slokenberg received honorable mention for all NJJIL. Junior Varsity 6 - 10.

After a tough beginning Passaic Valley's varsity began to come along as the season progressed. Led most of the season by junior John Evans and senior captain Kazi Bici Passaic Valley began to improve as newcomer Ed Kuri (who came out midway during the season) added the punch that was needed. Bob Stackpole, last year's (1976) number one runner coming off a bout of mono over the summer began to get back his old form. Consistent running by Danny Smith, senior Brent Kohere and freshman Mark Lombardi provided a strong finish for P.V.'s varsity. With only two seniors lost to graduation P.V.'s varsity has all the potential of a strong, winning team next year.
Overcoming a series of physical injuries, the 1977 Varsity Gymnastics team, coached by Susan Sessa, captured an impressive 9-4 record and tied for third place in the NNJIL. Outstanding scores enabled several girls to participate in the State Sectionals. Those who earned qualifying scores were team captains, Angela Castrucci and Donna DeFeis, Margie Breznak, Diane Dillon, and Lauri Tafuni.

Gymnasts must have determination and they must exhibit coordination, flexibility, and endurance in order to perform in any of the four competing events — vaulting, the uneven parallel bars, the balance beam, and the floor exercise. With the increased interest and popularity, this team's efforts leave us with a promising outlook for next year's season.

The Co-captains of the 1977 Soccer Team were Seniors Mickey Kane and Joe Shadel. The soccer season was highlighted by a pre-season camp at Camp Shawnee in Pennsylvania, a 2-1 victory over Paramus and a 1-1 tie against Passaic County Champion Clifton. Senior Jeff Crothers received All-NJIL honors. Co-Captain Joe Shadel was selected to both the NJIL and Passaic County All-Star Teams. The Senior members of the team are to be congratulated for their devotion and hard work which they displayed throughout the season. The 1978 soccer team will have a strong nucleus of 13 returning lettermen and will be captained by Armando Brunetti and Mike Valentine.
Passaic Valley's varsity football team finished another action-filled season this year, highlighted by four dynamic victories against Fair Lawn, Teaneck, Paramus, and Wayne Valley.

The team prepared for their season and returned with eighteen Seniors, three of which were 1976 starters: Al Burghardt, Tom Romeo, & Jim McGannon. These three held the bulk of the experience, but at pre-Season Camp 90 football players grew.

The Bloomfield game proved to be the best offensively played game, unfortunately turning out to be a losing effort.

Thirty-seven players received Varsity letters. Receiving the Individual Honor this year for the offensive squad was T.J. DaPolito who led the team with nine touchdowns.

Al Burghardt was the defensive lines' outstanding player, leading in tackles.

The start of the 1977-78 Passaic Valley Girls Varsity Basketball season was awaited with tremendous anticipation. Returning to the team were seven varsity letter winners including the whole starting lineup. Once again the leadership was provided by senior co-captains Val Durr and Barbara Brock.

The defending 76-77 NNJIL Hornets surged through independent and league foes alike. The girls captured the Kiwanis Christmas Classic for the second consecutive year with impressive victories over Lakeland and Wayne Hills.

The P.V. Hornets showed their strength by ripping through the league schedule undefeated and capturing the title for the second consecutive year. In the process, the girls team eclipsed the old standard for consecutive basketball victories, (13 wins).

The girls team emerged as the premier unit in Passaic County by defeating De Paul High School 51-42 for the Passaic County Championship. The Hornets regular season concluded with a record setting 23-0 ledger.

After losing 4 of their first 5 games, the Hornets came back with an 8 game winning streak that included victories over Hackensack and league winning Teaneck, to finish their season with an impressive 15-9 record. Although the team could not retain the title of Passaic County Champions, they did defeat top seated Passaic County Tech in the semifinals of the Tournament by the close score of 62-61.

The abilities of coaches Sulek and Wallace, and the incredible discipline of the entire team were demonstrated by the Hornets’ victories over many teams with much more talent. But the one quality of the Hornets that was the most commendable was that the Hornets were defeated by overpowering talent, not by more desire, effort, or dedication.

The loss of 11 seniors from last years championship squad has forced head coach Dave McMahon to fill the lineup with 6 underclassmen, including 3 freshmen. Although the young Hornets dropped their first two dual meets, they came back and won 7 of their last meets against the area’s best competition. They also repeated last years victory as county champions in a close and exciting tournament, and they fell from first to second place in the final moments of the District VIII Tournament.

Senior co-captains Jim Pagano and Anthony Surage again won individual first place medals in District VIII competition. By virtue of these victories, Jim and Anthony qualified for the Region II Tournament along with senior Rick Halczli, junior John Sisbarro, and freshman Dave Martell, all district runner-ups.

Co-captains, Jim Pagano (115) and Anthony Surage (141) repeated as regional champions and in March became P.V. wrestling’s first state champions. Passaic Valley was the only school to see two of their boys take first. Through their copious hours of wrestling and training, Jim and Anthony have distinguished themselves and brought recognition to our school.

The hard work and undying persistence, for which P.V. is known reversed the 1978 team from one of the biggest disappointments in recent years to one of the most memorable county championships on record.

**Front Row:** Jim Pagano, Anthony Surage  
**Second Row:** Allen Burghardt, Andy Lonsky, Rick Halczli, Doug Purvis, Joe Shadel, Kevin Flanagan  
**Back Row:** Jim Walthers, Rich Lotito, Ali Bici, Bill Conti, John Sisbarro, Bob Ferraro, Jeff Peters
Senior members of the 77-78 varsity bowling team were: Tony Muccio, Greig Amerman, Greg Souran and Mark Dooley. The team finished in seventh place, with an overall record of 35 wins and 45 losses. Team captains were seniors Greg Souran and Tony Muccio. Mark Dooley had the high individual game for the year with a 241. Greg Souran had the high individual series for the team this year, 609. The team finished fourth in the Passaic County Coaches Bowling Tournament.

Kathy Marino was the only senior member of the bowling team. Team captains were juniors Elaine Pawlowski and Karen Bukowski. The team finished in sixth place with a record of 32 wins and 48 losses. Junior Karen Bukowski was named to the ALL-NNJIL Girl's Bowling Team (2nd Team) with a final average of 155. Karen also competed in the NISIAA Girl's individual tournament. Other members of the varsity team were Karen Plog and Mary Sferrazza.
The Ice Hockey club, at press time, had a record of 8 wins and 11 losses.
After a very slow start the club has turned around and are fighting for a playoff position in the Valley Skaters club league, and looking forward to the Paterson News Hockey tournament.
The team is lead by seniors; Ted Sudol, goalie, Bob Bardel and Mark Scales, defense, Dwayne DeCesare and Keith Lapinski at forwards. Dwayne, the teams leading goal scorer, is in the midst of a battle for the leagues scoring honors.

Track

Coached by Stacy Onorata the girls team got off to a slow second year due to snow. This years team is a balanced combination of seasoned veterans, the girls track and pioneers, and a good number of fresh young faces. They will be competitive and get stronger as the season progresses. The returning upperclassmen will provide much of the strength in many of the events.

Optimism is high for the 1978 tennis team with the return of seniors, Tim Brophy, Tim Feeney, Jay Fattell, and Jeff Crothers. The NNJIL will again be extremely competitive, with Clifton and Ridgewood favored as champions. The Hornets are hopeful for a .500 season.

This year's bad weather and late start will undoubtedly hurt everyone, and anything can happen in the early season. If the Hornets strike early, they will be in a good position for the rest of the season.

Returning lettermen and senior co-captains Dan Galanaugh and Rich Auchus will lead the Hornets in both NJJIL and Passaic County Competition. Moving into the starting lineup are Al Michelini and Dave Werdermann, and the newcomers Brad Ferguson and John Hufnagle will round out the varsity team.

Coach Frank Ariola anticipates a strong showing in both leagues.
Softball

This year's softball team is anticipating another successful season. Last year the Hornets captured four championships including the Group IV State Title, and finished with an overall record of 29-2. Having lost only three varsity players, Coach Tom Patierno feels the team outlook is strong. Returning senior letter winners include: Karen Brahs, Diane Radigan, Janet Fisher, Valerie Duerr, Lesley Loeb, Ruth Mechanic and Lori Copelton. Other returning members of the varsity squad are juniors Lisa Alfano, Sue Marino, Nancy Leech and sophomore Vicky Turi. Based on past performances, the Valley Hornets should end up in Mercer County with another shot at the state title.

Coach Bob Smith

This year’s baseball team will be led by seniors Keith Caporelli, Rick Icolari, Jim Nash, Steve Orlando, Tom Romeo, Jeff Schumacher, Ray Wright, and Greg Zak. The Hornets hope to improve on their 14-15 record in 1977. In preparation for the upcoming season 28 varsity and JV players attended the Fort Lauderdale Baseball School in Boca Raton, Florida during Easter vacation. While in Florida they worked out with other high school teams from North Carolina, New York, Ohio, Illinois, and Michigan. Juniors expected to see action include TJ D’Apolito, Rich DiRenzo, Mike Hale, Dennis Lanaras, Tony Senatore, Mike Valentine, Frank Vivino, Angelo Coiro, Tony Zarek, and Al Homcy.

Michael P. Suglia
1957-1977

Michael Suglia attended Passiac Valley High School from September of 1971 to June of 1975. In his four short years at PV, he distinguished himself as an outstanding student and athlete. He collected eight varsity letters in football, baseball, and basketball. He was also a National Merit Scholar. Mike won an athletic scholarship to Duke University.

A memorial scholarship fund has been established at Passaic Valley to honor Mike. Each year a deserving student who has met both athletic and academic requirements will be awarded the Michael P. Suglia Memorial Scholarship. This award will honor the memory of one of our finer students, and encourage the admirable pursuits that he represented.

First National Bank of New Jersey
Let the Army help you with college.

Thousands of young people did. In fact, last year there were over 200,000 enrollments in college courses by people in the Army. They attended classes on post. They studied at nearby colleges and universities. And the Army paid for up to 75% of their tuition and fees.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, call your local Army Representative.
