GOVERNOR'S TEACHER RECOGNITION CANDIDATE 1987-1988 DENISE ZERINGO

Looking for a role model as you plunge into the game of life? Then consider the careers of Mrs. Adra Suchorsky and Mr. Thomas Kean.

Beginning at Passaic Valley in 1948, both teachers have taught thousands of students, through both words and deeds, the loftiest possible values.

It is to these teachers, models of loyalty and effort to their profession, and to their 80 years of combined service, that we gratefully dedicate this book.

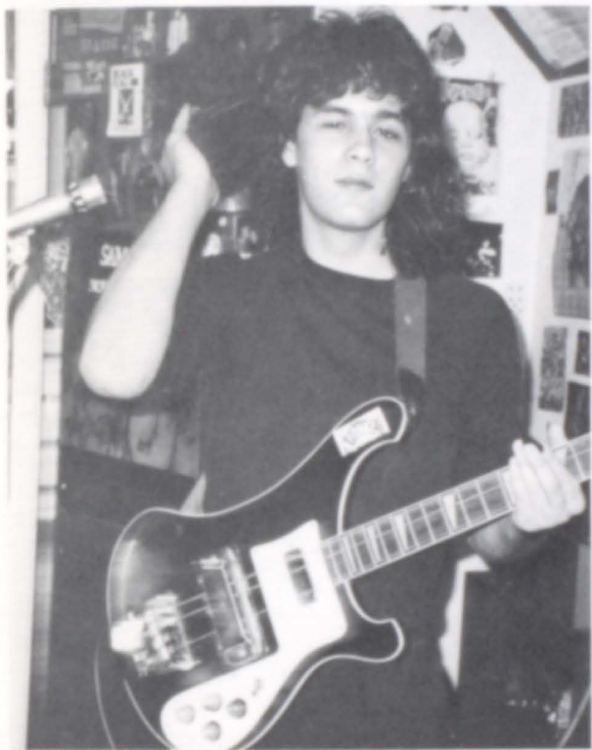

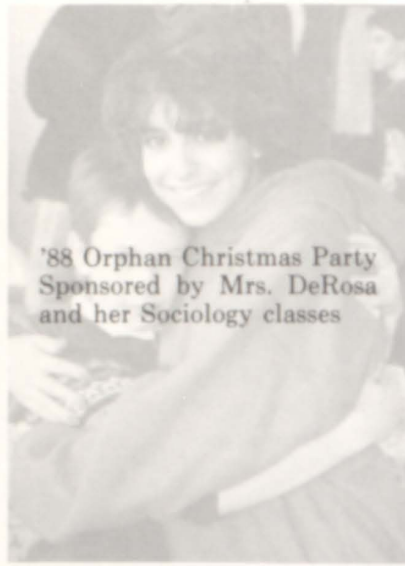

“... And these
children that you
spit on as they try to
change their worlds are
immune to your consultations,
They're quite aware of what
they're going through”
— David Bowie

GREASE

On March 25th and 26th, the senior class presented the musical "Grease". The play was a smash hit, selling out both nights with a waiting list of people anxious to see P.V. seniors in action. The lead role of Danny was played by Steve Baskinger, and the female lead, Sandy, was performed by Kathy May. The lead roles were supported by co-stars Lisa Della Cava (Rizzo) and Al Kahwaty (Kenicke). Other lead roles were performed by Heather McGee (Jan), Scott Weston (Roger), Erika Tavi (Marty), Phil Pucillo (Sonny), Sue Dino (Frenchy), and Sal Siano (Doody).

FRESHMEN ... "MYSTERY MANSION"

Near the end of eighth grade, our local kids get the desire to finally escape the elementary school. Yet, the nagging fear of the high school and the terrifying rumors they hear tend to frighten and bewilder them.

What is it that up-and-coming freshmen actually fear? The hallways? The cafeteria? The swimming pool on the roof? Or, is it the horror of being picked on by "BIG SENIORS"?

Oh, come one! What's left of the four years can't be all that bad. After all, there's really nothing to fear; "frosh-phobia" doesn't last forever.

SOPHOMORES ... "CANDY LAND"

After struggling through a year of insecurity and dead-end turns, sophomores can finally look back with a smirk.

They believe they can look forward to a fun-filled and homework-free year.

This CANDY LAND isn't all that it seems to our "sweet little folks". In times of need, upperclassmen, full of ginger, will lead our sophomores to the rainbow road and back to home sweet homeroom.

JUNIORS ... "CHUTES and LADDERS"

Wow, they finally made it-UPPERCLASSMEN! Let's give our juniors a round of applause.

Unfortunately for the juniors, the third year requires a lot of extra work and dedication. They look forward to the Cotillion, class rings, drivers' licenses and even the dreaded SAT.

This is the year when teenagers change their attitudes. No longer are they being looked down upon; now they are doing the looking down.

Underclassmen, don't get all bent out of shape when our juniors suffer an identity crisis. Can you blame them? After all, it is only one step closer

Beyond The . . .

At 2:25 p.m., the students of Passaic Valley High School shed their studious attitudes and enter a world far beyond the protected atmosphere of their school. Livening the

streets of Little Falls, Totowa and West Paterson with their fun-loving attitudes, these crazy kids can be seen doing just about anything. Some enjoy parties and concerts while oth-

ers may prefer to go shopping or to the beach. Then there are others who hold a part time job at either a shoe store, a card shop, or video store or at the local supermarket. These

kids live pretty diversified lives, and, as one can see, a person does not live by homework alone.

1987 Hornet Football

The 1987 football season can best be described as a two for one year. It was distinctly two seasons in one. In the first five games of 1987, the inexperienced Hornets struggled through with a 1&4 record. Only a 30-26 come-from-behind victory over interdivisional rival Madison split four very lopsided losses.

In the victory over Madison, Mark Steinmeyer led the way with a 35 yard interception for a T.D., a 49 yard T.D. of a fumble recovery and another touchdown on a run from scrimmage. He also broke a single game record by catching ten passes in the contest. Another highlight was quarterback Tim Taylor's 167 yard passing performance.

After an embarrassing loss to West Orange, the Hornets put together a four game winning streak that salvaged what could have been a disastrous season into one that brought a gratifying 5 and 4 record.

In the string of four victories, P.V. outscored its opponents 91 to 18. In the last 18 quarters of the season, the starters scored 103 points and allowed only 16 points. This was an incredible turnaround by a young inexperienced team that never gave up and exhibited a great deal of character throughout the season.

In the string of victories was a hard fought 14 to 7 win over a very physical Lakeland team. Then came the lopsided 42 to 0 thrashing of Orange H.S. This represents the most points scored and the largest margin of victory by a P.V. team in the last 7 years. A 28 to 8 victory over Clifford Scott evened the Hornets' record at 4&4, with only the traditional clash with Wayne Valley on Thanksgiving morning standing between the Hornets' winning or losing record.

On Thanksgiving Day, the Hornets proved their come back season to be legitimate as they totally controlled the State Playoff bound Indians with a most satisfying 7 to 3 victory.

There were many highlights to the season, but the most important highlight must be the never say die attitude of the entire squad as they exhibited tremendous character and courage in their come back.

The coaching staff should also be recognized for their patience and enthusiasm, for never giving up on the young men in the program.

"Here's looking at you, kid ..."

The Valley Green believes that the Junior Varsity Hornets deserve some recognition.

Although we don't attend their games as frequently as we should, we want them to know that their efforts are appreciated by the entire school.

Thanks, J.V., and good luck to you, our future Varsity Hornets.

1987 Passaic Valley Cheerleaders

As you hear: "Say we love we love Hornets," echoing through the field, the Passaic Valley Cheerleaders pick up their megaphones and yell a little more. Smiles, laughter and that Hornet spirit linger in the air as a touchdown is scored. Green and white pom-poms are shaking to the left and to the right. Yes! Those Hornets are dynamite! The crowd joins in as the cheerleaders get them psyched to see a 1987 victory. They're not like the rest; the Hornet cheerleaders are the best! Baking and decorating for our guys made the Hornet spirit rise, rise, rise! We drove and beeped around town, enthusiastic as can be ...

Marching Band

The 1987 edition of the Passaic Valley Regional High School Marching Band program opened with a special feature honoring the Bicentennial Anniversary of the nation's Constitution. *Patriotic Spectacular* highlighted the *Battle Hymn of the Republic* and the lovely melody, *America the Beautiful*. *Samba De Rollins*, interpreted and performed in the jazz idiom with multiple solo features, followed our half time opener.

The percussion feature, *La Danza* was the perfect prelude to our presentation of "hot" classical work by American composer George Gershwin, *Cuban Overture*. This contemporary production number was a hit with players and listeners alike.

The closer, *Olvidar*, began with a woodwind feature followed by lush harmonic sonorities then digressed to a driving coda culminating the program with verve and intensity.

This fall, the band has competed in four sanctioned E.M.B.A. competitions as well as in the Group III Championships held at Roselle Park High School on Saturday, November 14, 1987. The band, in reaching its highest score on record 94.2, went on to amass 16 awards in 5 contests.

The balance of the 1987-88 school year incorporated concerts at Passaic Valley High School, William Paterson College, and a concert tour of Colonial Williamsburg and Washington D.C.

Coach Of The Year

The 1987 Soccer team, led by Co-Captains Jeff Maté and Henry Pietrewicz, produced a most successful season, capturing the prestigious Passaic County Championship and posting a 12-6-3 record. The Hornets advanced in the tournament by defeating Passaic County Tech in the preliminary round 2 to 0 and ousted defending champion Lakeland in the quarter-finals and Clifton in the semi-finals. Both games were won by penalty kick shoot-outs. In the final, PV outlasted powerful Passaic, winning in double overtime 4 to 2.

Senior Team members include: Danny Andrada, Jason Azzarone, Alan Berrios, Besnik Derti, John Ricca, Thomas Rose, Phil Sgobba, and Sal Siano.

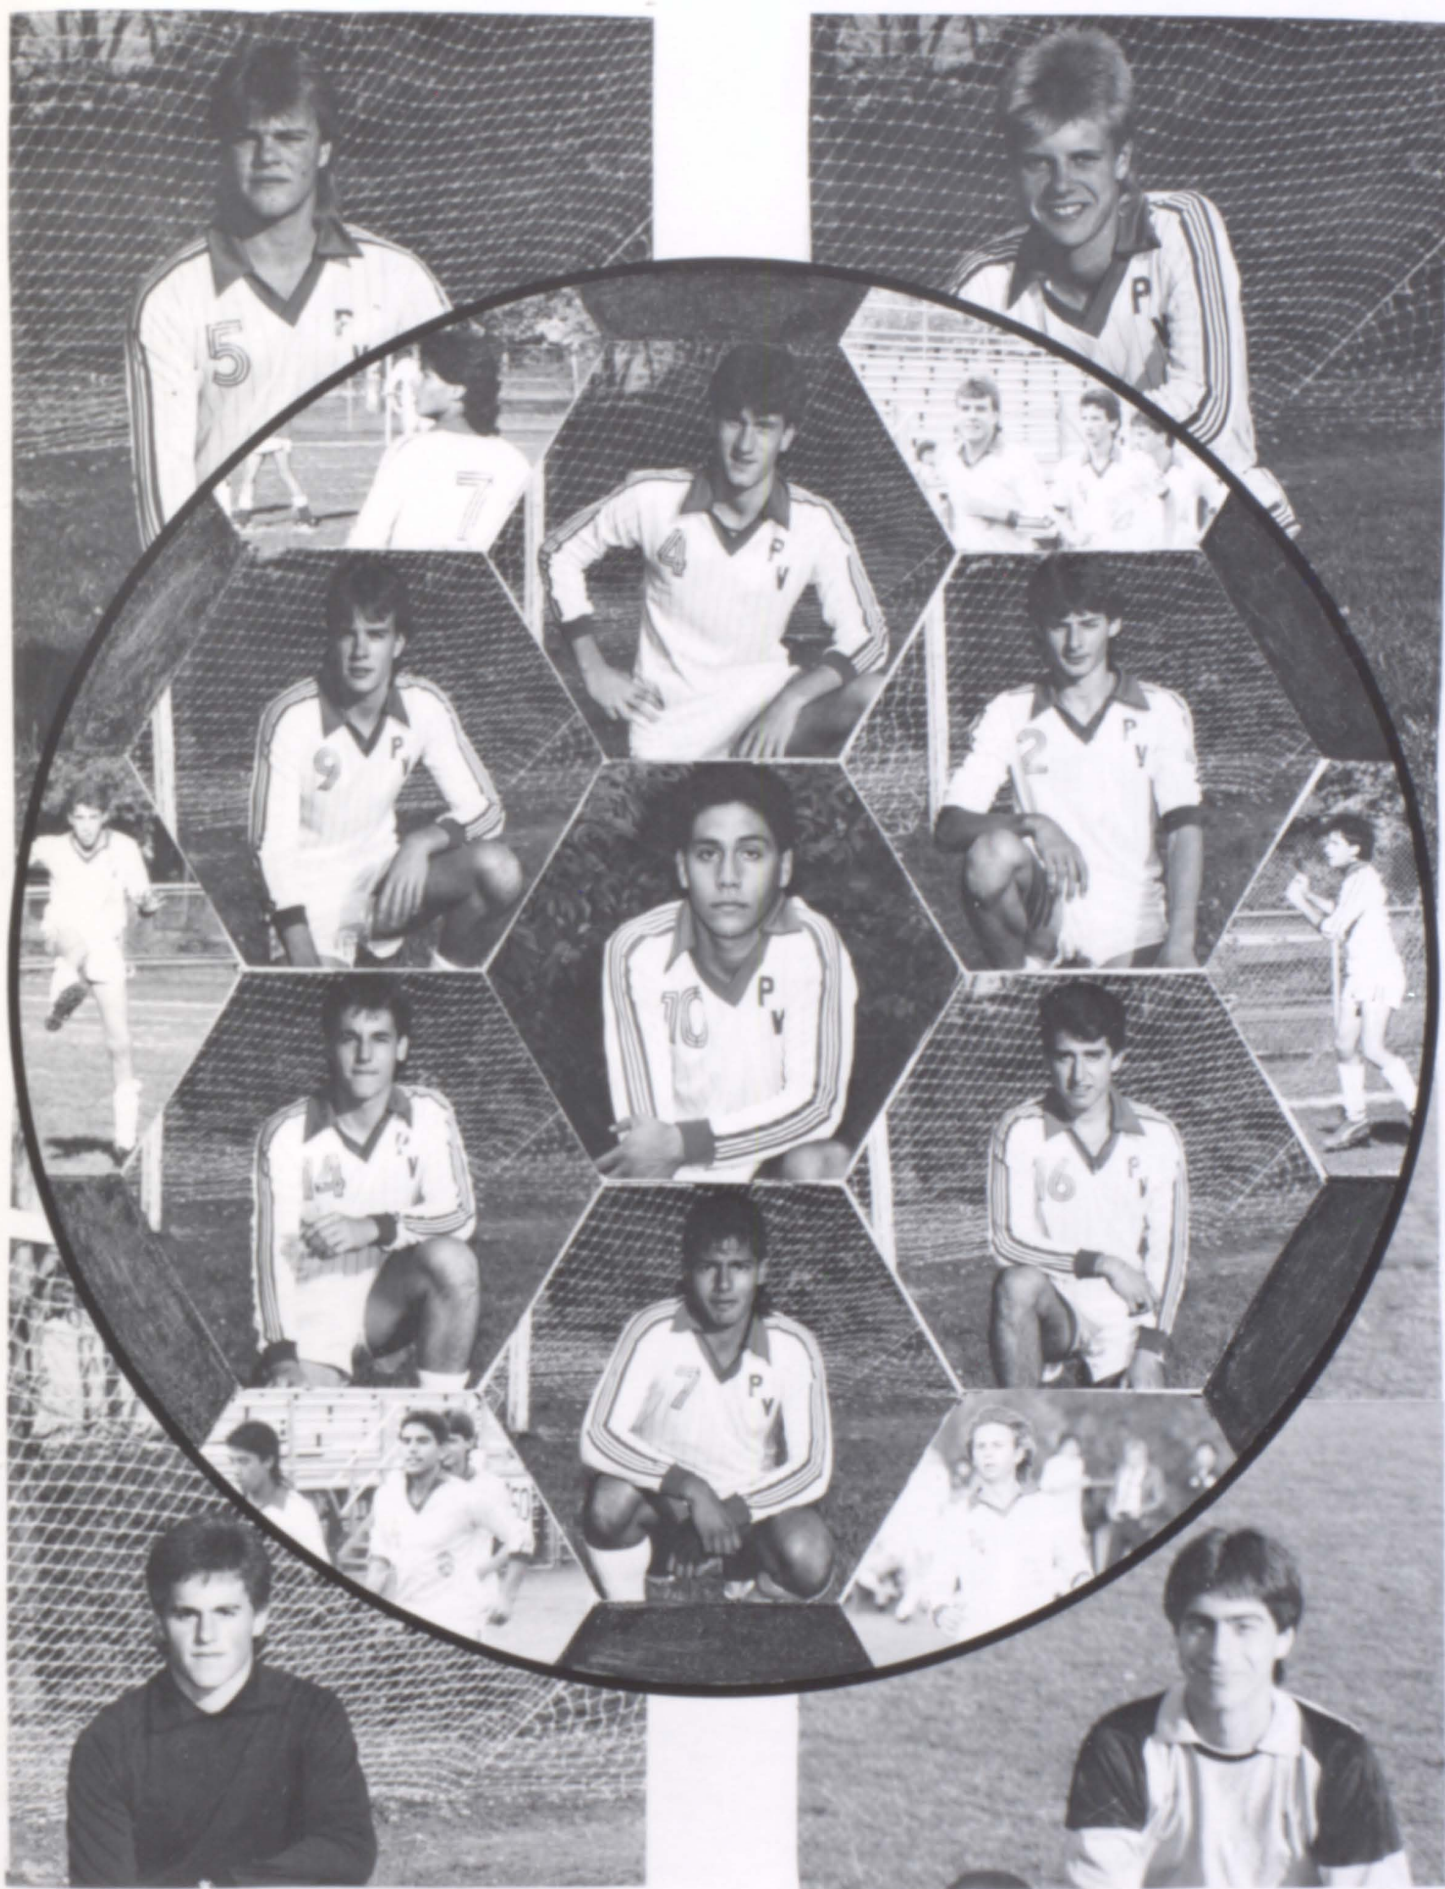

Juniors on the team include: Steve Convertino, Franck Daniel, Tony DiPilla, Jeff Eisele, Marcello Errigo, Miguel Flores, Craig Lauten, and Panfilo Mancini.

Sophomores who earned their Varsity Letter include: Eugene Batelli, Mario Ferraro, and Mario Mancini.

Stacy Mc Manamey-	Honorable Mention all county
Jen Miedema-	Honorable Mention all league
James Grimes-	1st team all league Honorable Mention Skyline Conference
James Chattra-	Most Improved Runner-PV Coaches Award

Passaic Valley Boys Team was led by senior Captain Jim Grimes and senior newcomer Sherwin Zanjanian. PV opened with a 6-1 record early in the season; they dropped some close meets and ended up with an 8 and 8 record. Lance Ford (junior) had a great season with consistent 3rd place finishes. Chris De Senzo had also a fine season with a promising future in X-Country. James Chattra (next year's captain) was the most improved runner in 1987. Chris Borgese (senior) also had a good season.

The brightest spot was freshman Scott Du Brow who earned a varsity letter and won 5 medals during the season. His future looks bright for PV.

Best sophomore runner also with a great future is Rich Lee, who also earned a letter.

Other team members were: 11th grader Pat Kim, and 9th graders Kris Fox, Bob Maikis, Joe Mooney, Gene Timmons, and Al Pruiensky.

The 1987 F.H. Team carried on our winning tradition with style by earning their 4th consecutive County Championship. Their 14-2-2 record also earned them the State Sectional Championship (North I Group IV) and the League Championship (Northern Hills Conference).

With only two losses during the regular season and only one (overtime) loss in league competition the 1987 team ranks as one of the best in PV history.

With 10 out of 11 starters being seniors this team was the product of 4 years of hard work and perseverance. Five seniors were recognized for their fine ability with First Team Honors in both the league and the county, and two received Second Team Honors.

All in all, 1987 was an exciting year in F.H. for the coaches and the players. We hope to continue this winning tradition at PV.

Back Row: Gary Christensen, Jimmy Peters, Billy Hyde, Fabian Damonte, Joe Patten, Coach McMahon, Mark Steinmeyer, Mario Mancini, Lou Fontana, Mike Hilway. **Front Row:** Brad Chomko, Frank Laccitiello, Lance Ford, Charles Rudy, Dean Giese, E.J. LaGuerra.

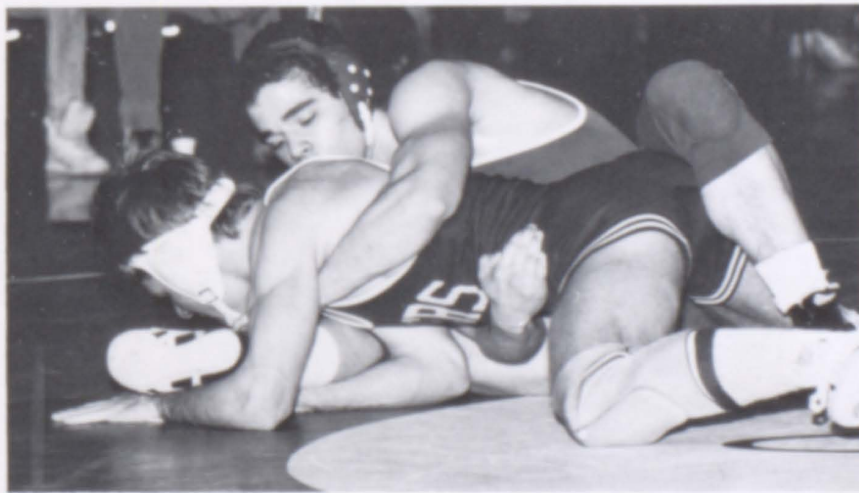

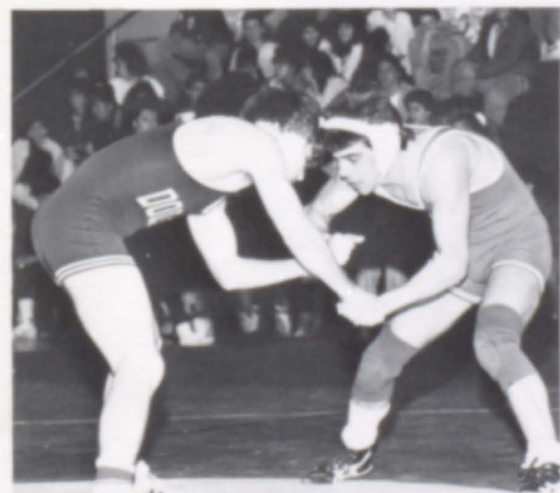

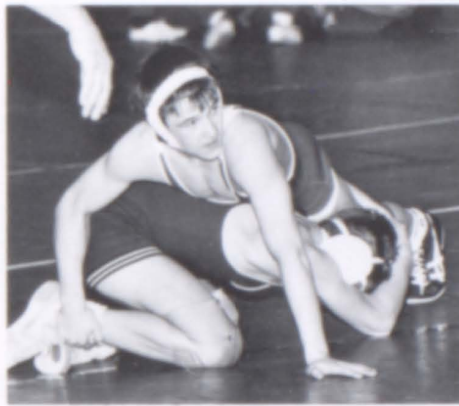

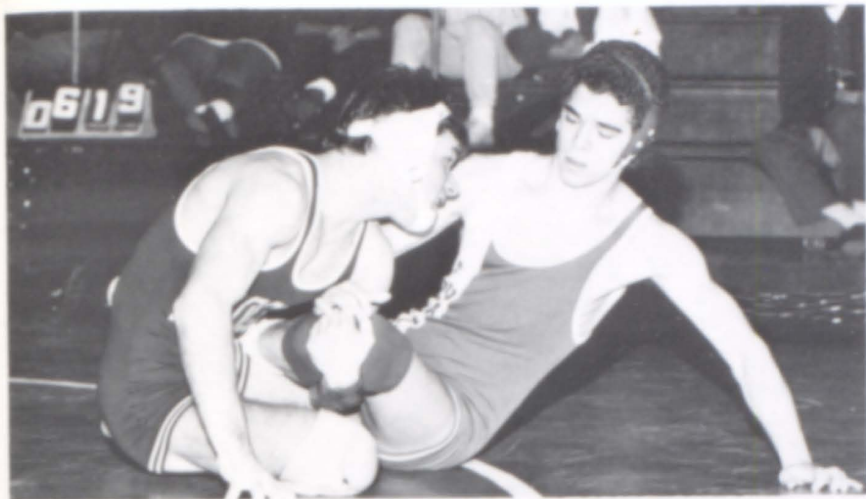

This has been an emotional year for the wrestling team. The group started with 8 seniors who dedicated themselves to the sport. Unfortunately, the team finished the season with only 3 of the original 8 in the lineup. With injuries and other problems, P.V. was turned into a very young but aggressive unit.

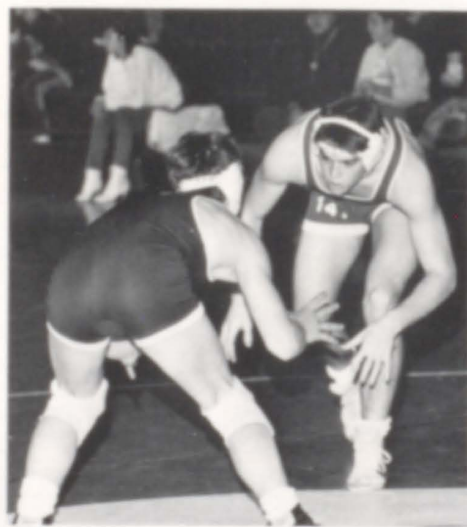

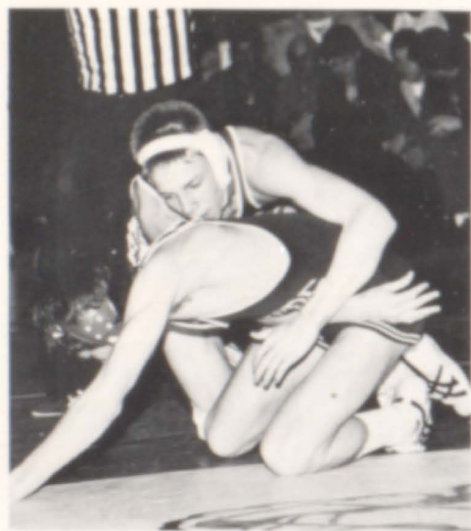

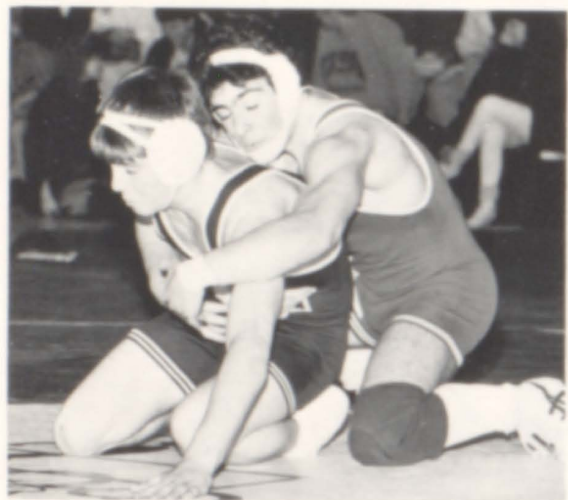

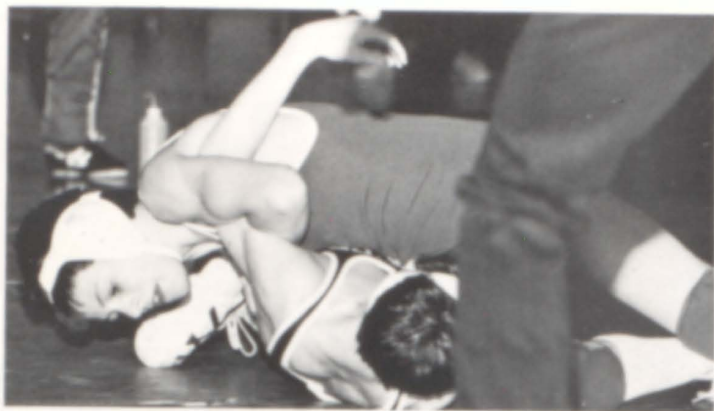

Once the team knew that most of seniors couldn't compete, the underclassmen took over, and in our last meets we once again were a highly competitive unit. We lost to Clifton 29-31, a State Section 2 Group 4 finalist and District Championship Team, but in our last duel we won 52-14 against Cedar Grove.

The final team record included 9 wins and 7 losses. In the past, Passaic Valley High School teams have averaged 9 wins every year for 27 years, with an average of 3 losses a year. This year was less successful with the seven losses.

Assistants, Anthony Minnella and Tony Kungl, were really helpful, and Head Coach Dave McMahon acknowledged their effort and contribution.

At the time of publication, four wrestlers continued in the State Tournament, Brad Chomko, E.J. LaGuerra, Mark Steinmeyer, and Lou Fontana who will also wrestle in the Regional Tournament at Kearny (March 2, 4 and 5). The following week at Jadwin Gym in Princeton the place winners will advance to the State Finals.

Boys' Basketball

Back Row: T. Ciccone, F. Hughes, D. McBride, K. Newbold, P. Homcy, M. Capalbo, Coach Wallace,
Front Row: C. Casale, M. Snell, A. Berrios, J. Eisele, B. McManamy, K. Kowalskie.

The Varsity Basketball team suffered through a long and difficult 1987-88 season. The Hornets posted only three victories and suffered a severe case of "fourth quarter-itis". They led or were tied seven times going into the fourth quarter and lost each time.

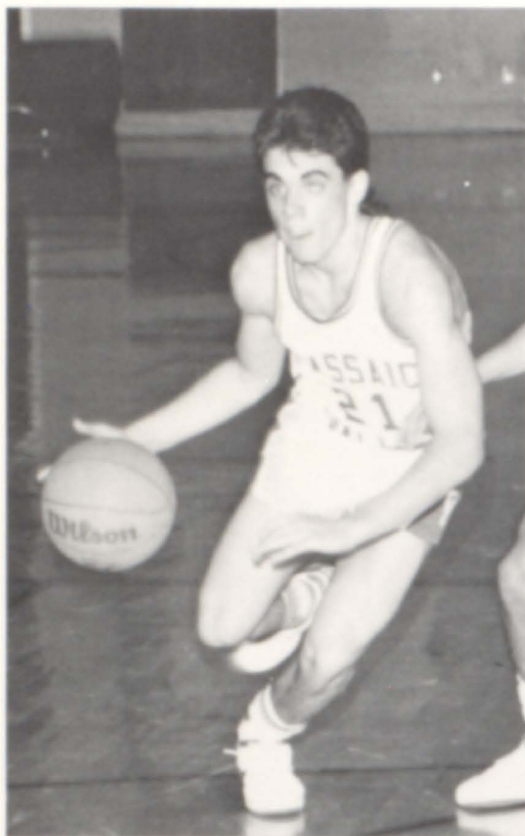

Although the record was poor the effort was not. Senior Dan McBride played despite a series of injuries for most of the year. His body finally gave out with seven games left in the season. Senior Chris Casale started every game and scored twenty-six points in a three point loss to Clifford Scott. Captain Mark Snell had several double figure scoring games and showed excellent leadership qualities. Alan Berrios, Troy Ciccone and Kevin Kowalskie also saw action.

There were several hopeful signs for the future. The team was dominated by juniors, with five of them seeing a great deal of playing time. Jeff Eisele was the team's leading rebounder and best ballhandler. Center Fred Hughes, Bob McManamey, Paul Homcy and Mark Capalbo also contributed.

The freshman team posted a remarkable 18-3 record, the best in many years.

The future looks bright for Passaic Valley basketball.

Girls' Basketball

Back Row: Kelly VanHouten, Carolann Din, Jill Sudnick, Dawn Martin, Susan Krell, Coach Reaser.
Front Row: Sandy Trione, Lori Bachmann, Julie Smith, Tricia Longo.

This year's girls' basketball team was young. Only 2 seniors, Carolann Din and Tricia Longo, returned from last year's team. Despite a slow start, the team finished with an 11-11 record, winning 6 out of 7 games at one point.

Other team members included juniors Julie Smith, Sue Krell, Dawn Martin, and Sandy Trione. Sophomores Jill Sudnik, Jen Oldja, Bev Langevin and Stacy Sofia filled out the squad.

The varsity bowling team finished in third place in the Northern Hills Conference League, one-half point out of second place, and only six points out of first place.

The varsity was led by freshman Greg Garrabrant, who averaged 179 for the year. Sophomore Ken Garrabrant provided the team's best individual effort of the season with a 270 game.

Greg Garrabrant was named in the First Team All-League. Jason Azzarone was named to the Second Team All-League. Greg and Jason were named to the second team All-County. The other members of the varsity squad were: seniors Ralph Pucetola, Lou Borraco, Chris Petronzi, and freshman Chris Systm.

The junior varsity team finished in first place in their division with just one loss, which came in the last match of the season. The team consisted of juniors, Tom Manicone, Sharon Peterson, Paul Toscano, and freshman Laurie Lourides is also a member of the team.

First-year coach Jim Pescatore inherits a potentially competitive team in '88 as five PV lettermen return.

Pescatore is counting on a talented, experienced starting infield with the exception of an open shortstop position to spark the Hornet Hive this season. Coach Pescatore is also hoping that a number of inexperienced outfielders, pitchers, and a consistent shortstop emerge and contribute to the team's success. The Hornet's pitching corps features a number of live arms, but also a number of question marks because of inexperience and past injuries.

"But to back up the inexperience we have a fine group of seniors, especially with Mark Steinmeyer, Mike DeGennaro, Santo deStefano, Gary Giese and Rich Appaluccio," said Pescatore. Our pitching has been plagued in the past with injuries, but our biggest question mark is definitely our defense with two unoccupied outfield positions and an open shortstop."

First baseman Mike DeGenarro paced Hornet hitters boasting a .408 average including eight doubles and three triples. Captain Mark Steinmeyer will handle the catching duty the season. "Mark is our best athlete; he calls a good game and defensively he's tough. Mark'll be in the leadoff spot because he always seems to be on base and he's quick enough to potentially steal thirty bases this year." Coach Pescatore adds, "I have a feeling Steiny will have a direct influence on our season." Center fielder Santo DeStefano hit respectably with Steinmeyer last season with a .368 average and tied for the lead in RBI's. Rich Appaluccio will be the team's second baseman and hopefully contribute a great deal at the plate. Third baseman Gary Giese hits with power and has a quick glove for the lot corner. Vying for the position of shortstop are junior Jeff Cullen and sophomores Ernie Fronzato and Craig Torres. Left and right field are still open with juniors Dan Lightner, Frank Laccitiello, and senior Tim Taylor competing for the two open spots in the line up.

Softball

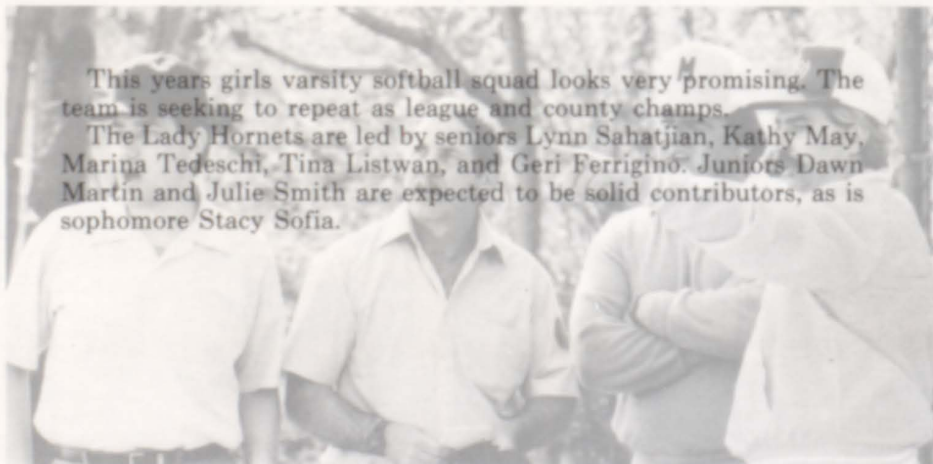

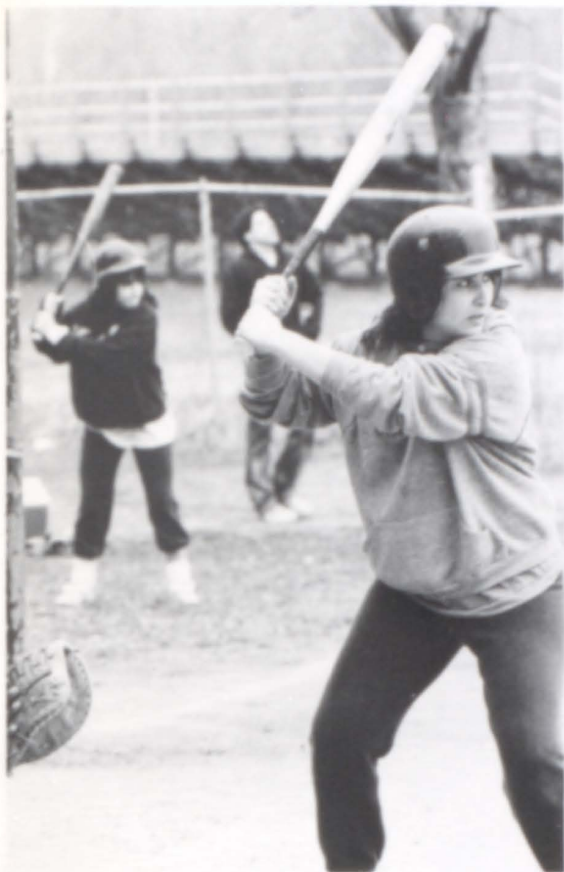

Back Row: Coach Ferretti, Gerri Ferrigino, Tina Listwan, Stacey Sofia, Karen Nardino, Dawn Martin, Kelly Van Houten, Lisa Beesley. **Front Row:** Jennifer Puglisi, Chris Falconieri, Marina Tedeschi, Lynn Sahatjian, Kathy May, Julie Smith

This years girls varsity softball squad looks very promising. The team is seeking to repeat as league and county champs.

The Lady Hornets are led by seniors Lynn Sahatjian, Kathy May, Marina Tedeschi, Tina Listwan, and Geri Ferrigino. Juniors Dawn Martin and Julie Smith are expected to be solid contributors, as is sophomore Stacy Sofia.

SENIORS

1987-88 COUNTY CHAMPIONS

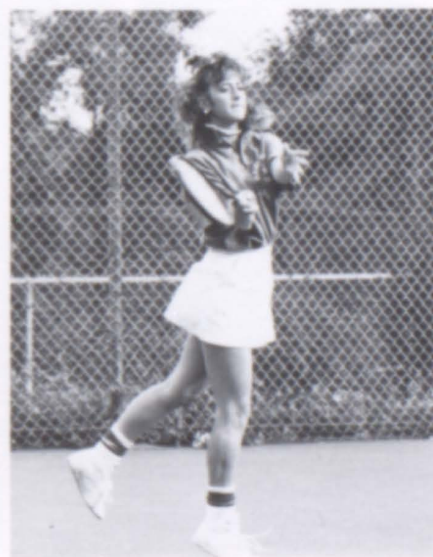

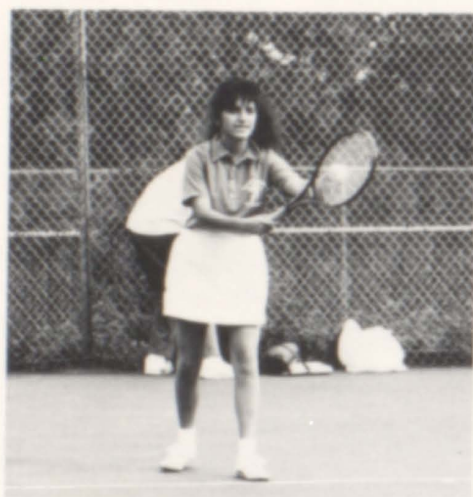

Girls' Tennis

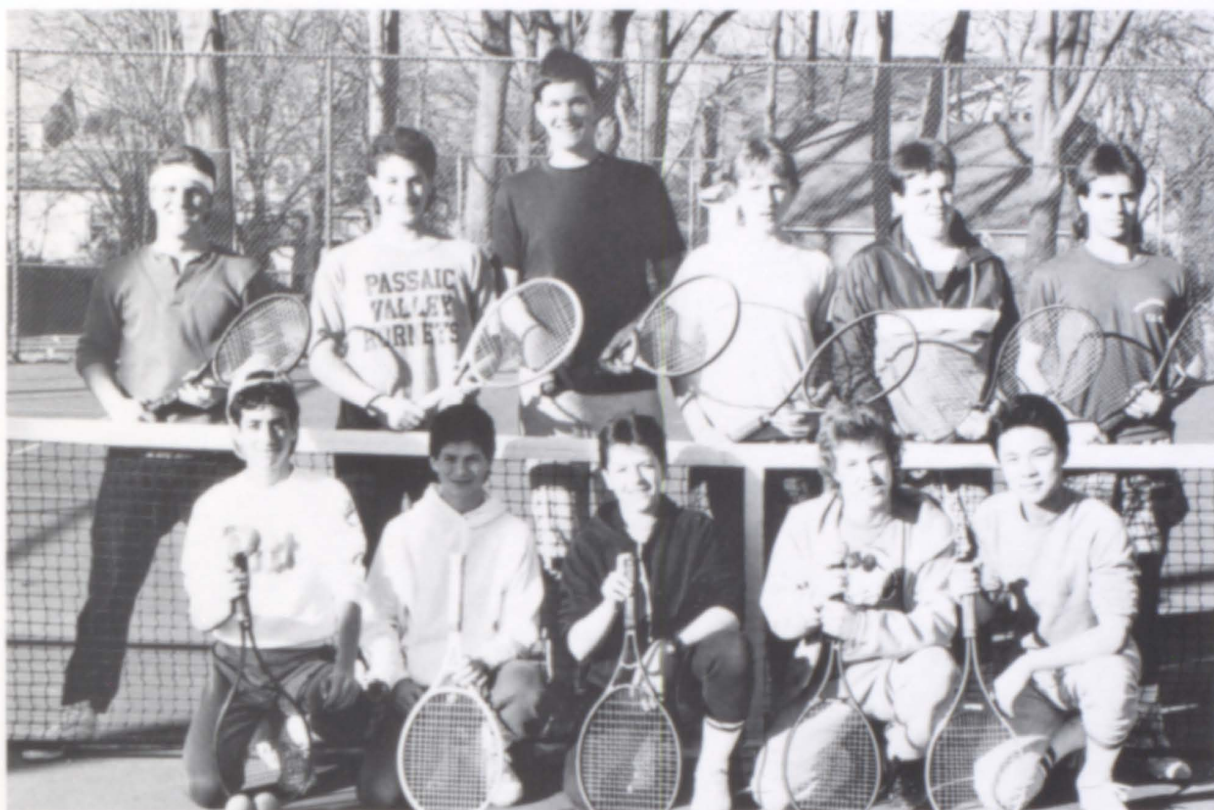

Back Row: Kristen Lindsay, Kim Marks, Carla Macaluso, Kristen Perrotta, Coach Barrington Front Row: Sabrina Tavi, Amy Erickson, Hilda Tooma, Kathy Kim

The Lady Hornets were led by junior Kim Marks. Although new at the first singles position, Kim performed admirably. Second and third singles were dominated by sophomores Kristen Lindsay and Sabrina Tavi. The junior duo of Hilda Tooma and Carla Macaluso at first doubles added excitement to every match. The team was completed by Kristen Perrotta (grade 9) and Amy Erickson (grade 10) who occupied the second singles flight.

Boys' Tennis

Back Row: Coach Barrington, A. D'Amato, B. Marks, A. Hoegen, P. Mace, A. Marzello, S. Convertino. **Front Row:** J. Fava, J. Quagliana, P. Antonio, S. Vigorito, T. May

Ninth grader James Quagliana dominated the first singles position for the Hornets. Seasoned veterans Paul Mace maintained the second singles position while Joe Fava occupied third singles. The awesome first doubles combination of Andy D'Amato and Steve Convertino provided the team with strength and depth enabling PV to be competitive in every match.

Track

1988 BOYS' TRACK

The team will be inexperienced with few upperclassmen performers.

Coach VanZile is optimistic that valuable experience will be gained during the season.

Top contributors to this year's campaign will be:

Jim Grimes, Matt Mulroony, James Chattra, Glenn Dutko, and Rob Colt in the running events; and Bes Dirti, Rob Krautheim, and Jim Elliot in the field events.

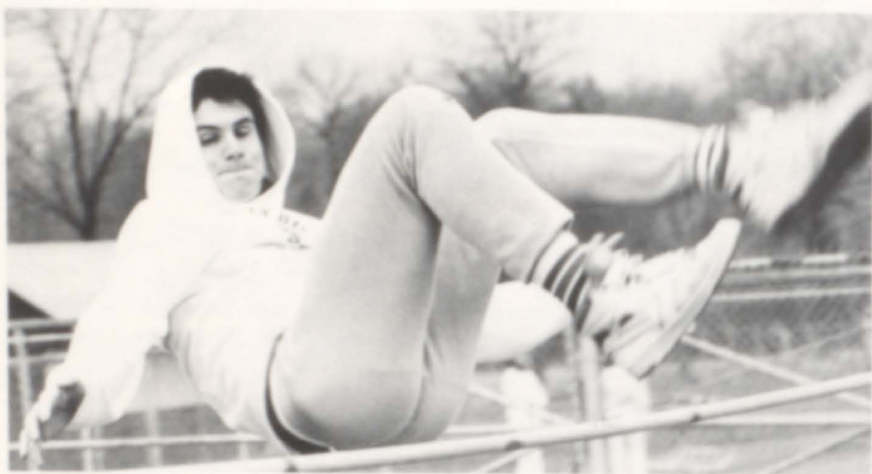

1988 GIRLS' TRACK

The 1988 Girls' track team has few returning seniors but should show promise in some of the upcoming meets. The top contributors to this year's season will be:

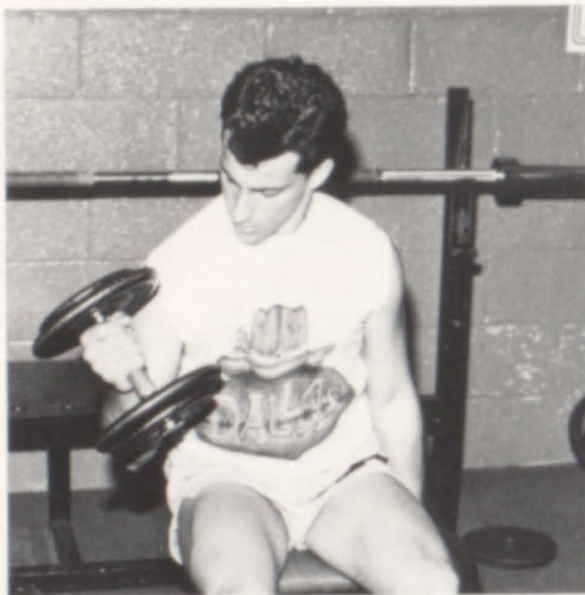

Heather McGee, Tina Carpio, and Jen Sidney in the running events. Becky Dutko and Sue Fields will prove strong in the field events.

Athletes Of The Week

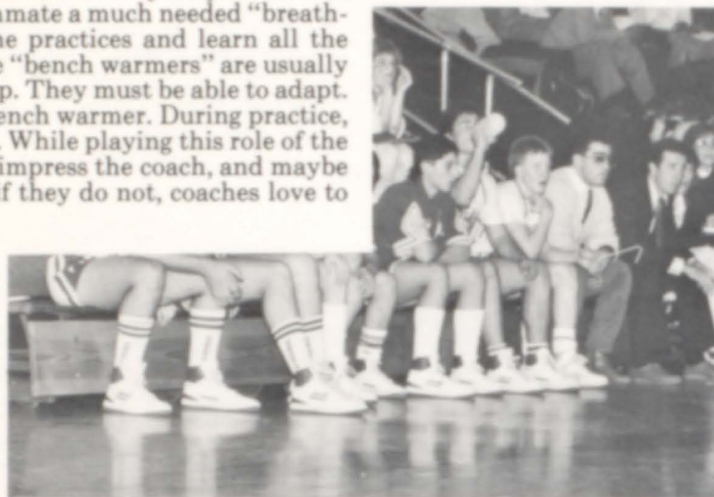

THE BENCH WARMER

The coach paces back and forth in front of the bench. there is a look of disgust on his face. He needs to change something to change the outcome-or maybe the score. He looks over and comes rushing towards you. "Finally", you think to yourself, after sitting patiently rooting for your team. He says your name. With a feeling of satisfaction you say, "Yeah, coach", knowing full well what he wants. He says, "Where's John?". Trying not to look disappointed, you look around like you have no idea where John is, when in reality he is sitting next to you. "There you are John", the coach says. "Go in there for Phil."

And so it goes, a day in the life of a bench warmer. This is a phase that most athletes must inevitably face at one point in their high school careers. Some consider this the toughest part of sports. These athletes must keep their minds in the game, even though their bodies aren't. They may be needed to give the team a life, or a teammate a much needed "breather." They must come to all the practices and learn all the plays, just like the starters. Bench warmers are usually thrown in cold, without warmup. They must be able to adapt.

There are other uses of the bench warmer. During practice, they are used as the opposition. While playing this role of the opponent, most try to use it to impress the coach, and maybe gain a starting position. Even if they do not, coaches love to have depth on the bench.

5-5 - at least it's not a losing record.

This team will be awesome.

With a team like this, we can't lose.

Did you know there was a volleyball team?

Maybe they'll learn to hit the ball straight this year.

Think they'll finish over .500?

Successful season: everyone runs and sweats.

Think they'll ever finish below .500?

Third in league. They're slipping.

County champs. Again.

12-6-3 county champs

Does anyone go to the gymnastics meets?

No comment!

Well, they do have nice rackets.

At least they were better than the boys.

CAPRICORN

CAPRICORNS give the same test every year, but change the answers. Capricorns think of themselves as "Typical Valley", possessing old-fashioned virtues, which most others regard as outdated. Capricorns will not lend you a pencil during a test. In the course of human history, only three Capricorn liberals have ever existed. Two of them, Humphrey Bogart and Greta Garbo, are now dead.

AQUARIANS usually believe that their subject is the most important in the school — and naively think that students agree. Most, having been educated during "The Age of Aquarius", innocently believe that today's students are just like the students of the 60's. Mia Farrow loves being an Aquarian, but when Dr. Frank Lee Scarlet asked Aquarian Clark Gable about his feelings, Gable responded. "Frankly, Scarlet, I don't give a damn."

PISCES

PISCES often test students on material they haven't covered. These teachers always carry the *New York Times* wherever they go, so it is quite easy to get them off the subject and on to current irrelevancies found in the paper. Teachers born under this sign require students to carry heavy books to class, which they never use. Passaic Valley Pisces teachers seem to thrive on daily tuna fish platters, scientifically-proven brain food.

Two Pisces, Liz Taylor and Albert Einstein, both credited their high S.A.T. scores to a heavy sushi diet.

MOONCHILD

MOONCHILDREN can't talk without their hands. Since they can't remember the names of the students, they rarely check attendance. Avoid crossing swords with Moonchildren until they've had their morning coffee; you'll lose!

Moonchildren, Henry VIII, had a number of wives who ignored that advice, and Ringo Star once composed a song that can only be sung with the hands.

SCORPIOS tend to intimidate student using either meter sticks, angry looks, or academic obfuscation. You are either on the good side or bad side of Scorpios-no in-between. Scorpios frequently ask questions for which there are no answers. Richard Burton and Katherine Hepburn are both scary Scorpios.

LIBRAS are very casual. They often call students by older brother and sister names. Libras actually enjoy cafeteria food, frequently eating pizza for breakfast. If you change your hairstyle, a Libra is likely to mark you absent. Julie Andrews and John Lennon forgot they were Libras.

VIRGO teachers always carry an empty briefcase and repeat the same jokes every year. No Virgo ever completed a *New York Times* crossword puzzle. Virgos are incorrigible romantics, innocently believing that S.A.T. scores really measure your ability. Virgos secretly video tape afternoon soap operas and watch them at night. Virgos were born to be homeroom teachers. Lady Macbeth and Col. Oliver North are two innocent Virgos who found happiness in politics.

Hornetus Vallius

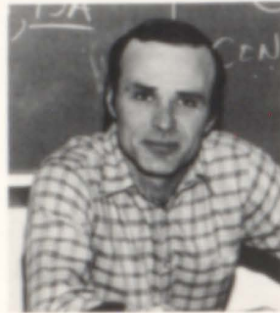

HORNETUS VALLIUS is a newly discovered constellation, which we have reason to believe is the star sign of the teachers included on this page. Vallians tend to be non-conformists, specializing in miscellany, tid-bits and obscure scientific information. Vallians are very loyal and patriotic to Passaic Valley. Most of them never leave the school grounds, preferring instead to sleep in the library or the resource rooms. No Vallian ever accepted financial payment for teaching. Their reward is in the smile and satisfaction of their happy students.

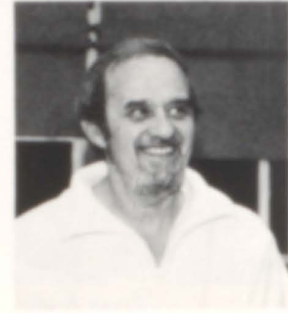

Anthony DePasquale and William Grady are former Vallians, who left Passaic Valley and lost the Garden of Eden forever.

SAGITTARIUS

SAGITTARIANS are very precise graders. You're in trouble if your average is a point less than 70. Sagittarians always check your homework-except during Monday night football season. Some even double check footnotes in research papers.

The Approaching 21st Century

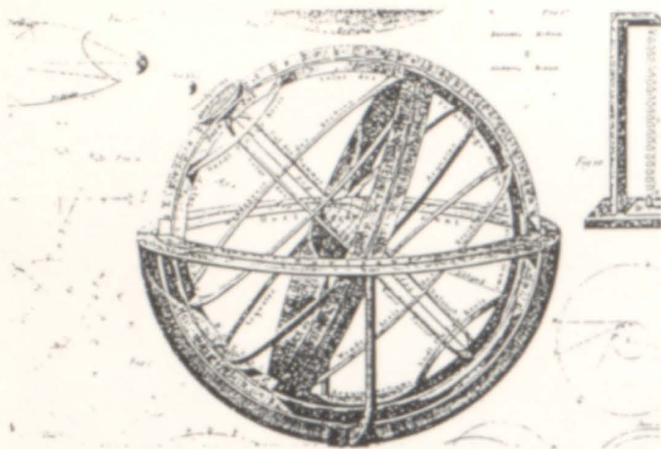

Dear Members of the Class of 1988:

It is my pleasure to wish you, the 48th class graduating from Passaic Valley Regional High School, great success in future career endeavors, as well as in personal pursuits.

Graduation from Passaic Valley High School should be viewed as a new beginning; you will enter a different phase of life and build upon your successful high school experiences. Specifically, you will be living a major portion of your life in the 21st century, which will, no doubt, be an exciting time as we experience quantum leaps in technology, lifestyles and human expectation. It is my hope that the foundation received at Passaic Valley will assist you in meeting this most demanding challenge. On behalf of the Board of Education, administration, faculty and community, I extend to you our best wishes.

Louis R. Centolanza, Ed.D.
