# Class History

Due to confusion beyond our control, our class was destined to be unique from the very beginning.

Unlike previous classes, we did not have the advantage of a freshman day. Hundreds of naive, would-be scholars wandered helplessly around the halls, overwhelmed by the size of both the school and the upperclassmen. We were granted no free time, but instead were assigned to study halls when not in class. There, we witnessed record paper airplane flights, triumphant victories over the exasperated supervisors, and near-total destruction of the auditorium. Fortunately, study halls disappeared before mid-term, and our class was lucky enough to never have to face that disorder again.

Memories of that first year have faded almost beyond recollection. Delving into the past, however, one may recall the birth of the Senior Lounge, smoking areas, and streakers. Amidst these additions, we also had to confront the loss of Mr. Koolen, our class advisor, who had tried to add to our non-existent treasury.

The first surprise of our second year at PV came in the way of new cafeteria furniture — chip proof, washable, and otherwise student-resistant. The second surprise was the loss of drop days in English and History. And, oh yes, Walt Disney's beloved, little, round-eared creature was solemnly laid to rest in a Kappa Gamma Washing Machine.

Money was especially tight in those days. With no advisors and no class president, we trudged through Sophomore year (beginning the tradition of not having a Sophomore Court), until Ellen Kauffman was elected president, and Miss Koors and Mr. Maginness became our class advisors. There was a big boom in bomb scares that year, and by June of 1975, we were halfway through our four years at PV. Two bad.

Memories of Junior year are still relatively fresh in our minds. Three mod gym was introduced (you know: dress for gym, hold class for five minutes, then shower and move on to the next class). The Senior Lounge disappeared along with field trips, while the football team fought its way to a State Championship.

The hiring of hall monitors, coupled with the installation of a roadblock manned by "Checkpoint Charlie", contributed to the popular belief that we students really were "Prisoners of PV". Low points in the year included the notorious drug bust, the too-popular detonation of blockbusters and M-80's, and the absence of a Vermont ski trip.

Norman Makoujy went out on a limb to construct a greenhouse which, to this day, is inhabited solely by weeds and crabgrass, while the SGA took a stand and played a benefit softball game. John D'Achino began his administration, but June of '76 brought an end to both the school year and the advisory of Mr. Maginness and Miss Koors. So much for the Bicentennial.

November of our Senior year saw the election of our 39th President Jimmy Carter on the eve of the first teacher's strike in the history of Passaic Valley High School. It's hard to forget the frost-bitten picketers, the hapless substitutes, and the total chaos that produced 5 fire alarms on that first short day. We breezed through what undoubtedly was the quickest November ever, and into the coldest winter of the past 100 years.

Even with the interference of the strike, our class put on the greatest money campaign in history, and ended up with more funds than any class before us. Despite our slow start, we quickly disproved the popular belief that we were finished before we began.

Being the only class to tell time by mods for four years only heightened our individuality. As we look back, perhaps we'll recall our fate and capture reflections of ...

We used to laugh  
We used to cry  
We used to bow our heads then  
Wonder why  
©1971 Warner Bros.

The best thing about the future is that it comes only one day at a time.

Some people think it's holding on that makes one strong —sometimes it's letting go.

## Class Officers And Advisors

As our first three years at Passaic Valley have come and gone so have our many different advisors. Senior year presented us new guidance and along with it new hopes. We would like to extend sincere thanks to Mrs. Joanne Little and Mrs. Virginia O'Brien for the leadership and direction they provided during our final year.

JOANNE LITTLE

JOHN D'ACHINO  
PRESIDENT

"Doc" . . . ambition . . . Lawyer . . .  
memories . . . May 13, 1975, "James"

## COMEDY TONIGHT

The Senior Class of Passaic Valley High School on October 22 and 23 presented a play about a wildly funny farce, with a young bride-to-be locking herself in the bathroom while her wedding party waited downstairs for the ceremony, and the bride's parents went out of their minds trying to lure her from her hide-away to get her safely married to the mod young bridegroom-to-be.

Succeeding "Visitor from Forest Hills" was a second comedy farce, "How to Propose", and a pantomime sketch titled "The Lamp Went Out". "How to Propose is a play about a hilarious lecture by a college professor which illustrated with live actors and actresses the evolution of the art of proposing marriage. The examples offered in this play ran from a caveman's proposal through to some contemporary couples. Each situation was more amusing than the last.

Mr. Anthony DePasquale, Passaic Valley's very capable Drama director, assisted by Debbie Sokalski and Nancy Galbraith, gave the presentation the pace and driving hilarity that PV audiences have come to expect.

The cast included Cathy Bender, Theresa Bolen, Tom Convery, Bob Conti, Cathy Demarest, Patricia DeSopo, Irma Juhrdten, Gary Kaiser, Martin Lotito, Beth Massarina, Billy Mesis, Kevin Methven, Natalie Pinto, Tina Penta, Linda Rizio, Ed Smith, and Tom Wolverton.

The Crew, led by Bob Conti included Ellen Bakalian, Michael Cornetto, Cathy DeZuzio, Ellen Feeny, Nancy Galbraith, Jack Griffin, Jill Meyers, and Debbie Sokalski.

*CAST OF CHARACTERS*

 Kent Van Porter III-Ed Smith  
 Elaine Popkins-Theresa Bolen

## Christmas Party

This year, the senior class officially opened the holiday season by holding its edition of the annual Christmas party. Seventeen youngsters from Mt. St. Josephs Home in Totowa were literally overwhelmed for one full day by the attentiveness and enthusiasm of everyone involved.

The children attended the Christmas plays presented by the Masque and Sandal and then had lunch in the cafeteria as the guests of Mr. Michael Coscia of Pomptonian Caterers. Finally, the real party took place in Campbell Hall with Santa's (senior Jack Pohlman) presentation of gifts. These gifts were made possible by the generosity of the student body and faculty.

This most successful day proved to be both rewarding and exhausting. Most important, it left all the participants with the happiness of giving to those who show their gratefulness with smiles of pure friendship.

## "Once Upon A Time . . ."

### "Once Upon A Time . . ."

On February 4, 1977, Masque and Sandal presented their annual production, "Once Upon a Time". The first part of this musical comedy presented the story of Adam and Eve, retold in song and music.

Part two presented a group of tomboys in a playground who rejected the "girl with the funny nose". Amidst their realistic games and comic tomboy talk, each member of the group expressed their own inner fears of being different. The theatrical comedy portrayed the cruelty of youth as a total theatre experience.

Natalie Pinto - Eve  
 Steve Lopre - Adam  
 Tom Wolverton - Snake  
 Theresa Bolen - Phoebe Dive  
 Bob Conti - Georgie  
 Michael Cornetto - The Boy

SPORTS

When the 1976-77 football season opened, there was much concern about our team's ability, most of which was in the form of negative speculation. With only one starter returning from last year's legendary state champ squad, most "experts" didn't bother giving PV a second glance. However, our squad proved to be very special, finishing with a fine 6-3 record, losing only to league champion Clifton, state champion Bergenfield, and a very fired-up Roxbury team on a bitter cold afternoon.

This year's team achieved two milestones in PV Football History: a school record of total points scored in a 53-6 rout of Fair Lawn, and an emotion-packed "upset" victory over a very strong Hackensack squad, which was most certainly the highlight of the season. With the coaching staff honoring itself to call the shots on a very crucial Saturday. Led by special game captains Rick Lane, John Stewart and Steve Zrowka, the team showed its class by dominating the game from the start. Although the team members deserve the credit they've received, the outcome of the game could have been very different had they not received the expert coaching of one of the state's finest staffs in prior games.

Out of the twenty-two first string positions on this year's squad, only two starters, Al Burghardt and Jim McGannon, will be back next season. Coach Biscaha will be looking to other underclassmen standouts, namely T.J. D'Apolito, Glen Van Biert, Joe Biondello and Steve Minocci, to lead the team and to continue the fine football tradition at PV.

## Soccer

Coaches Caruso and Mazza

With only a single win and six ties in seventeen games, one would surmise that the 1976 Soccer season was a disappointing one. True, the record was poor, but the season was a memorable one, and can be looked back upon without regret.

In an effort to get a jump on the season, Head Coach Joe Mazza had the entire team attend a training and conditioning camp in the Poconos. The week proved very eventful and full of unique experiences, some uncomfortable, but generally enjoyable. The result of the team's efforts was a record number of ties (6) for one season.

PV's offensive attack was led by captain Mike Walther, who received an Honorable Mention award in the league. Senior Rich DiCola was the leading scorer with six goals, and captain Dave Donten's consistently strong defensive play was a definite asset to the team. Captain Bob Belding and seniors Marco DiNello and Mike Sergey rounded out the very experienced backfield. Francisco "Rocky" Luzzaraga, fresh from Ecuador, was a boost to both offense and defense. Coaches Mazza and Caruso were again forced to play an inexperienced goalie in the nets, but soph Mike Valentine still has two promising seasons ahead of him.

Returning lettermen include '77 Co-Captains Mickey Kane and Joe Shatel, as well as juniors Tim Heale and Glen Krautheim. Outstanding sophomores who will be back for their second varsity seasons are Armando Brunetti and Ettore Gennarella. With roughly half of the team returning next fall, coaches Mazza, Caruso, Ariola and Becker should enjoy a successful season.

Individual Honors: MIKE WALTHER-Honorable Mention, All-League.

Manager: Jeanne Leaver.

The 1976 Passaic Valley Varsity Field Hockey team finished the season with an impressive 18-1 record and a second consecutive NNJIL title to go along with the Passaic County and State sectional titles. The strength of this year's team was outstanding defense which held off all opposition, allowing only 3 goals to be scored all season.

Offensively, Karen Brahs, the team's high scorer with 16 goals was ably supported by Eva Kobelka's 15 goals.

Highlight of the season was an emotional victory over arch-rival Wayne Valley in the Passaic County Championship game. The very intense defense battle was decided by Eva Kobelka's unassisted goal which gave Passaic Valley a 1-0 victory.

The outlook for next year's season is highly promising since there are only four seniors leaving the team. To Miss Borgess and the oncoming team we wish the best of luck for next year's season.

## Cross Country

Coach Bender and the Passaic Valley Cross Country team enjoyed yet another memorable season, finishing with a respectable 6-7 record, and establishing the superiority of its Sophomore team. Last year's county champ Freshman team returned even stronger this year, easily winning the Sophomore championship at Garrett Mountain. Joyce Barmore, stand-out of the PV girl's team, raced to her second consecutive NNJIL individual championship.

PV's shutout win over Passaic proved to be the highlight of the season, as captain Bob Traina led the team to four wins in their first four meets. Captain George Famy elected not to run with the team, instead competing successfully in the AAU program. With the optimism provided by the strong endeavors of this year's group, Coaches Bender and Kiick can look forward to the return of a solid, experienced team.

The 1976 Gymnastic Team had an early start in the NNJIL competition. With the outstanding coaching of Miss Sue Mingst, the team completed the year with a record of 9 league wins and 1 loss.

Six team members, Margie Breznak, Diane Dillon, Laurie Tafari, Donna DeFeis, Angela Castrucci, and Debbie Vogus, achieved qualifying scores which enabled them to compete in the State Sectional Finals. Debbie Vogus came through placing 6th in beam and 8th all-around. She then went to the State Finals and placed 8th on beam. Debbie Vogus also came in second place in the NNJIL and Donna DeFeis received an honorable mention. The team captains were Debbie Vogus and Angela Castrucci.

## Basketball

The 1976-77 Basketball season was coach Sulek's second at PV. The second year of a continuing uphill struggle for him, Coaches Wallace, Laudi and Reaser, the players, and the fans. But through hard work and dedication on his part, and with incredible amounts of sweat, soreness and fatigue on the part of the men on the squad, PV caused more than a few heads to turn.

When the season opened, it promised only to be a long one. The players were looked upon by the student body as being either crazy or gluttons for punishment. But whether the final record was 0-25 or 25-0, they learned important values. Spending most of their free time practicing on their own and as a team, the players learned to become both physically and mentally tough - hustling 100% of the time and reaching within themselves to give what no one, including themselves, thought they had.

Going into the Passaic County Tournament, PV was seeded seventh out of eight teams. They were expected to be in the stands watching the Finals of the Tourney after their first game with Don Bosco Tech. PV put it all together, though, as they set the tempo for this game and those to follow. They hustled, dove for loose balls, and literally ran Don Bosco to the ground with strong defensive team work, winning 67-60.

The team's next opponent, Passaic County Tech, was highly favored in the semi-finals. With big names, big players, and plenty of talent, they could not lose . . . Score: PV 63, PCT 45.

The Championship game pitted PV against Eastside. It was said that the teams did not belong on the same court; that PV was out-classed. But Coach Sulek's squad, led by Captains Paul Gerding and John Sterling, would hear none of it. They had worked too hard, sacrificed too much to be denied the glory. The Hornets did not sit back, but took the game straight to the Eastside team. The game was close to the last seconds, but PV prevailed, 71-67.

Everyone thought it was a miracle, an act of supernatural force, but to be more realistic, and from the players own point of view, "We had a commitment to ourselves and we fulfilled it."

## Wrestling

Head Coach Dave McMahon has produced such a great string of championship wrestling teams in the past that he was practically expected to do so again this year. True to suit, PV's wrestlers won the League and Passaic County Championships, again establishing themselves as the area's wrestling powerhouse.

The squad is not to be taken for granted, however. Winning was the result of hard work and brutal training sessions, with each member making extreme sacrifices to remain in his respective weight class. Led by captains Larry Tosi and Kurt Schafer, PV went undefeated in the League, losing only twice in close, out-of-the-League matches, and also copping second place in the District Championships. Juniors Anthony Surage and Jim Pagano were individual champs in both the District and Regional Championships and Senior Jim Farnese also advanced to the State Preliminaries.

The outlook for the next season promises to be equally successful as seven of our top wrestlers return. Coach McMahon, Coaches Sisbarro and Aharra, and the entire '76-'77 PV Wrestling Team is to be commended for its fine season.

### INDIVIDUAL HONORS:

Jim Farnese (101 lbs): Second team, all N.N.J.I.L.; Second place, Passaic County Championships; second place, district Championships; second place, Regional Championships.

Jim Pagano (108): First team, all N.N.J.I.L.; first place, District Championships; first place, Regional Championships; first place, County Championships.

Mike Walther (122): Second team, all N.N.J.I.L.; second place, County Championships.

Anthony Surage (135): First team, all N.N.J.I.L.; first place, County Championships; First place, District Championships; first place, Regional Championships.

Larry Tosi (141): First team, all N.N.J.I.L.; second place, County championships.

Martin Lotito (148): First team, all N.N.J.I.L.; first place, County Championships.

Kurt Schafer (158): First team, all N.N.J.I.L.; third place, County Championships.

Steve Zrowka (188): Fourth place, County Championships.

----	---------	----

The 1976-77 Passaic Valley Girls Varsity Basketball Team proved to be the most successful in the history of our school. Led by Co-Captains, Val Duerr and Barbara Brock, the Hornets compiled an impressive overall record of 19 wins and 5 losses, and won their first NNJIL Championship with a 13-3 record. This memorable season also included our first Passaic Valley Kiwanis Christmas Tournament Title with a thrilling 31-30 victory over previously unbeaten Verona in the title game.

Leading the Hornets in scoring this season was Junior, Val Duerr, who became the first girl in Passaic Valley history to score over 1,000 career points. In doing so, she became the second highest point scorer in PV History, placing her behind the legendary John Gerdy.

With only one player graduating this year, the future of Girls Basketball appears to be very bright. Coach Vik Joganow will not only have a seasoned group of players returning for next year's team, but also some impressive newcomers from our 14-1 Junior Varsity.

### INDIVIDUAL HONORS:

## Girls Bowling

The Passaic Valley girls bowling team made a strong effort this year in the NNJIL. This young team, which lost many games by only a few pins, shows much promise for next year.

Co-captained by Nanette Semrau and Jeanne Leaver, the team won honors in the Fair Lawn Invitational Tournament when Karen Bukowski took a first place trophy with a high series of 731, and Nanette Semrau was third for high game with a 210.

Elaine Palowski, new to the team this year, made an important contribution to the Varsity squad, as did Brenda Martin.

## Girls Softball

Coach Patierno has a very bright outlook for the 1977 edition of the Passaic Valley Softball Team. With eleven experienced players returning from the 1976 Passaic County and N.N.J.I.L. Championship Team, everything points to improvement over last year's remarkable 21-2 record.

The heart of this year's team is built around the pitching of seniors Gail Donegian and Jill VanEtveldt, and the timely hitting of Wendy Simone and juniors Val Duerr and Janet Fisher. The remaining starters for this team should be senior Jeannie Sansone and a group of underclassmen including Lesley Loeb, Lori Copelton, Diane Radigan, Karen Brahs, and sophomore Sue Marino. It is conceivable that with all of the players contributing in a manner that has become a Passaic Valley tradition, Hornet fans could see a team that is a strong contender for league, county, and state titles.

Coach Smith

This year's varsity baseball team has a new head coach in Mr. Smith. After years of experience as an assistant coach, he is extremely qualified to lead the Hornets in the 1977 season. The squad's returning lettermen include Doug O'Connor, John Stewart, Dave De Lotto, Mike Walther, and John Shimansky. Coach Caruso has worked with Jim Nash, Walt Shurminsky, Ray Wright, Greg Zak, and Eric Graupe. Even though Coach Smith considers this season a rebuilding year, the team can't help but be strong with so much depth. In any event, the experience will be beneficial to this year's juniors.

# Track

Coach Pellechia

Captains: Matt Grady, Rich DiBuono, Bob Belding, Joe Tafuni

"OK . . . push, push . . . ten more 50's, two more loops and then hit the showers!!!" Track is a demanding sport, both mentally and physically. For distance runners it's a lonely and agonizing season for which they are usually rewarded only by the feeling of accomplishment within themselves. For the sprinters, it's a season that hinges on a few very violent and very short seconds with the difference between first and last places usually less than two seconds! For the jumpers, vaulters, hurdlers, and weightmen, it is a season of great discipline and endless repetition in order to refine the individual's technique. However, track is not solely an ordeal of self punishment. Track is fun for those who choose to make it fun, even though it is demanding and tough. But the big reason track is fun is the type of kid that makes up the track team and the attitude and personalities of the coaches. At PV this is especially true of this year's squad, which is lead by senior captains Bob Belding, Joe Tafuni, Rich DiBouno and Matt Grady. With all this going for them the season promises to be nothing short of great!

WINTER TRACK TEAM

## Winter Track

For the Winter Track Team, the 1976-77 season was its first as a recognized Varsity sport. Because it is a "young" sport in this school, it was given a very low position on the priority list. This meant practicing only two nights a week after everyone else had finished with the gym. It also meant that team members had to run and workout on their own. However, this atmosphere promoted good times because the pressure to win was absent. Granted, they gave 100%, but much to Coach Pellechia's credit, the emphasis was put on doing one's best while enjoying the practices. Isn't that the way it's supposed to be?

Coach Bischaha

## Tennis

With Joe Bischah starting out as it's new head coach, the 1977 Passaic Valley Tennis Team hopes to improve upon last years record. The squad will be looking to the leadership of returning lettermen Pete Cohen, Tim Feeney, Wayne Peterman, and Kevin Foster. These players received valuable experience last year, fiercely competing in twenty-five varsity matches. This experience could earn the team a winning record, and their are promising indications for a successful season to come. Good luck to coach Bischaha in his first season and also to all the team members.

Tim Feeney, Wayne Peterman, Pete Cohen, Kevin Foster.

Teaneck  
Paramus  
Bergenfield  
Hackensack  
NNJIL Championships

In Coach Ariola's words, the 1977 Golf Season will be a rebuilding year for the team, since the majority of last year's lettermen moved on. Four Varsity members are returning, however, and the squad can depend on the consistently strong play of Ray Wiczczak, Al Auchus, his younger brother Rich, and Dan Galanaugh. With Coach Ariola's expert guidance, and the team's own good sense of humor, the season will definitely be an enjoyable one, and PV could progress from a "dark horse" to a real threat to opponents.

The Boys' Sports Staff would like to personally thank Coach Ariola and the team members for their special effort in aiding Yearbook coverage of their sport.

1977 GOLF TEAM-Front Row: John Gulino, Anthony Muccio, Mark Schmidt, Dave Wederman, Al Michelini. Back Row: Steve Carbone, Rich Auchus, Al Auchus, Ray Wiczerzak, Steve Schweighardt, Coach Ariola. Not Pictured: Dan Galanaugh.

GAA President June Andreotta and White Committee Heads

The 37th Annual Girl's Show, held on the nights of April 1st and 2nd, was creatively planned around the theme "That's Entertainment." The tremendous success of this year's Show can be attributed to the leadership of Green Chief Carol Lonsky and White Chief Kathy Davidson, who, along with their Committee Heads and Team Members performed much to the delight of the sellout crowds.

Attendance: Diane Makoujy-Elaine Davidson
