Valley Green
2004
It seems like only yesterday that we walked through the halls of PV for the first time as freshmen. Before we knew it, sophomore year was already here and junior year was not that far away. As we enjoyed parties, friendships and much more senior year snuck up on us and now it is here. Soon, we will be waiting in line for our names to be called on graduation day and accepting the diplomas that we worked so hard to achieve. We should embrace the many challenges that face us- first in college, then in life. As we leave some friends, some memories, some places behind, try to remember these words of wisdom: The bad news is time flies. The good news is you’re the pilot. We are the only people who can determine our futures. Take hold of the throttle and go full speed ahead!

Dedications

When dedicating a yearbook to someone, there are many qualities one looks for. You want to find a person who has dedicated much of his time and efforts to the growth of the students of Passaic Valley. Such a person should show great pride in the accomplishments of those who have passed through these halls and encourage us to meet our potential. This person should be a source of inspiration, someone who helps all of us find the creativity that lies within and never lets us settle for less than our best.

The 2004 Valley Green is dedicated to Mr. Mercadante. He has all of the qualities students and teachers look for: dedication, enthusiasm, inspiration, and a willingness to be there for you, whenever you need him. We thank you for all you have done for the students and the Fine Arts at PV. Merc may be leaving Passaic Valley, but his mark will never be gone.

When walking into Passaic Valley for the first time, you need someone to guide you. We were lucky enough to have two great advisors to help us with the transition from feeling like strangers to feeling like we belong.

We are happy to dedicate our yearbook to Mrs. Monte and Ms. Bednarski. They have always been there for us and we are grateful for all they have given us. Thank you!

"A Moment Like This"
The Valley Regency House
Dear Members of the Class of 2004:

"Character cannot be developed in ease and quiet. Only through trial and suffering is the soul strengthened."

Helen Keller

You were challenged early in the 2003-2004 school year with the tragic loss of one of your peers, Alicia Scott. Clearly, the high school years are far too early in one's life to experience this kind of sadness. This unfortunate jolting of innocence presented a significant challenge for you to grieve, remember, rally together and move forward as a class. The Passaic Valley family has a tradition of coming together during the difficult times and you maintained that practice with dignity and grace.

Over the four years, this class has left its lasting imprint in all facets of the Passaic Valley educational experience and we are proud of your achievements. I encourage you to pursue your dreams and fully exploit your potential as you expand on the knowledge you have acquired during your stay with us. As Passaic Valley graduates, you will now join the proud alumni in the long line of the green and white!

Remember class... "Sometimes we face challenges that are troubling, but necessary. What's required is courage... Be true to yourself... Be courageous!"

Respectfully,

Viktor J. Joganow, Ed.D.

The Passaic Valley Board of Education: Standing L to R: Mr. Steven J. Veltri; Mr. Joseph Appio; Mr. Richard Stryker; Mrs. Toni Belford Damiano; Mr. Mark Hrebovcik; Mr. William Depsee; Mr. Eugene Ridgeway. Seated L to R: Dr. Viktor J. Joganow, Ed. D.; Mr. Carlo Spinella; Mr. Paul Gerber; Ms. Laura Van Winkle.
James Mercadante was a member of the Passaic Valley High School staff for thirty-four years and a graduate of the class of 1963. Passaic Valley was his first teaching position after graduating from college in 1970. After thirty-four years of teaching in the Fine Arts department, Mr. Mercadante will continue to operate his antique business on a full time basis. He will also intend to utilize his fine arts skills and paint, preferably working in oils, and typically work on landscapes and in still life. He is most proud of what the students of PV have accomplished using their art abilities. He would like to be remembered for helping many of his students realize their potential. The Class of 2004 is honored and privileged to have had Mr. Mercadante as a teacher.

Mary Ann Duke worked at Passaic Valley for twenty years. While teaching in the Math department Mrs. Duke was kind and always willing to help her students who she cared for. She took pride in her teaching and her students will always remember her kindness and humor. Before teaching at PV Mrs. Duke worked at Thomas Jefferson Junior High School and Pope Pius XII High School. During her retirement she plans on traveling, skiing, bicycling, and spending time with her grandchildren. Mrs. Duke hopes that her students remember that she really cared about them. The Class of 2004 is honored and privileged to have had Mrs. Duke as a teacher.

Margaret DeYoung worked at Passaic Valley as a Secretary in the Buildings and Grounds Office for 26 years. Before working at Passaic Valley she was the former Mayor of the Township of Little Falls. She was a graduate of the Class of 1946, who sang the alma mater at commencement exercises. She will be remembered for her loyalty and dedication and her willingness to help anyone in need. The Class of 2004 is honored to have benefited from Mrs. DeYoung's services at Passaic Valley.
"We think of the effective teachers we have had over the years with a sense of recognition, but those who have touched our humanity we remember with a deep sense of gratitude."

— Anonymous student

Stella Cooke worked at Passaic Valley as a Matron for twenty-two years. She enjoyed her job tremendously. She will always remember how the teachers were good to her and how she appreciated them. She just wants to enjoy herself during retirement going to Atlantic City and watching her four great-grandchildren. The Class of 2004 is honored to have benefited from Ms. Cooke's services at Passaic Valley.

Marie Ferriola worked at Passaic Valley for twenty-five years as a Secretary in the Guidance, Main office and Business office. She was a very hard working, conscientious employee who went out of her way to help anyone who she came in contact with. She has retired to Florida where she will enjoy her retirement. The Class of 2004 is honored to have benefited from Ms. Ferriola's services at Passaic Valley.

Douglas Luciano worked at Passaic Valley on the Custodial staff for thirty-two years. He was in charge of the boilers and walked Stinger, the dog, every morning. He is currently enjoying his retirement in New Jersey. The class of 2004 would like to thank Mr. Luciano for his hard work and dedication, we are sure Stinger will miss him.

If I Had Known ...

... that we never learn from our first mistakes, I would have made more of them.

... who my true friends would be, I wouldn't have trusted the ones who weren't.

... how much fun I would have, and how many friends I would make, I wouldn't have been so afraid.

... all my friends would be greens, I would have joined their team in the first place!

... how much passion I had for music, then I would have been more strong minded and willing to become what I dreamed to be.

... most seniors are just frightening, but take no action I would have stood up to them.

... that relationship are nothing but problems, I would never have gotten involved in them.

... all I had to do was pay attention in class, I would have passed.

... I'd meet by best friends in PV, I would've come here freshman year.

... that there were all of these various clubs, I would have gotten much less sleep.

... what would happen when I grew up I wouldn't have rushed it.

... that people aren't truly as they seem, I wouldn't have devoted so much time.

...These Four Years Would Go By So Quickly ...

...I wouldn't have rushed it.

...I would have cherished more memories.

I would have taken more time to tell more people I cared.

...I would have held on even tighter.

... I would have taken an extra minute to look at the stars, to pray, to say hi, to give a compliment, to watch the clouds move, to make a snow angel, to send a card to a friend, or pick up a flower for my mom just to say, "thanks!"

... I would have been more careful with the friends I made I would have tried to follow through with my plans.

...I would have done some things differently

Suffer now and live the rest of your life a champion.” — Muhammad Ali
The 2003 Varsity Hornet Football team's season was filled with great accomplishments and hard work. The Hornets worked together as a team and united as a whole. The Hornets defeated our arch rival, the Wayne Valley Indians, in our season opener with a score of 30-9. Our following game we played West Orange and sent that game into overtime where we unfortunately lost with a score of 3-6. Then we defeated Lakeland with a score of 37-20. The following week we played an amazing game against West Milford. Once again, we sent a game into overtime where we were unable to capture a victory with a score of 13-14. The following three games we were victorious over Westside with a score of 13-0, Millburn with a score of 23-8, and Orange with a score of 27-6. We were defeated by Delbarton with a score of 7-42. This season the Hornets once again made the states. In the opening round of the playoffs, the Hornets played the Wayne Hills Patriots where we played another hard game but unfortunately were defeated with a score of 0-21. In the final game of the season we played our rivals, the DePaul Spartans, where we fought hard but the Spartans won the game with the final score of 0-8. The Hornets were able to bring PV Football to where it belongs, in the playoffs for the third time in the past four years.

Some of the accomplishments received by the players from the Northern Hills Conference Skyline Division were First Team Tight End Nick Varcadipane, First Team Offensive Line Will Bertolero, Second Team Line Backer Frank Dugan, Second Team Defensive Back Joe Loforese, Second Team Defensive Line Joe Frank, Honorable Mention for Offensive Angelo Marocco, and Honorable Mention for Defense Peter Campilango. The Varsity Football team finished the season of pride and determination with a record of 5-5.

The 2003 Passaic Valley Hornet Cheerleaders had another successful season. Starting it off strong at the pep rally on the first day of school, the girls continued their flawless performances throughout the football season. From the sidelines, they continued the season by pep-ping up the crowds to keep the Hornet spirit alive. The cheerleaders highlighted the season at the annual West Milford competition on November 22. Despite the judges' decision, the PV Lady Hornets stole the show! With smiles from ear to ear, moves stiffer than ever, and routine like no other, the girls were victorious in the hearts of every spectator in the stands that night.

New year, new faces. Coach Pat Keating was a breath of fresh air for the 2003-2004 Cross Country Team. Assistant A.J. Tesoriero brought the intense workouts complete with the new track. Summer workouts gave the boys’ team an edge for the regular season. The “Super Seven” Varsity finished with a 12-7 record, which is impressive for the amount of newcomers. Senior Bob Coyle finished off the season with Honorable Mention Northern Hills Conference and Passaic County. Senior Guntis Embrik finished with an Honorable Mention Northern Hills Conference. Senior Joe Keating had an Honorable Mention Passaic County. Junior Michael Polifonte had an outstanding season winning First Team Passaic County and Second Team Northern Hills Conference. Congratulations boys.

The girls’ team was one shy of the needed five runners to compete as a team and therefore, could only run as individuals. Despite being denied team honors, the girls were consistent medal winners in most of the invitations. Senior Lauralee Krygsman and Sophomore Christina DeSimone placed consistently in the top ten in each of the league dual meets. Fresh Tara Nolan and Senior Lisa Alfano medaled in their respective competition categories in the last three meets of the year. Lauralee Krygsman received Honorable Mention Northern Hills Conference and Honorable Mention Passaic County. Christina DeSimone won Honorable Mention Northern Hills Conference and Honorable Mention Passaic County. The Four who did not falter.

Jackie DeMusso, Coach Cheryl Hergert, Melissa Agnello

The 2003 Field Hockey season was full of great moments! Led by captains Jackie DeMusso and Melissa Agnello, the season ended with a 5-11-3 record. Though it does not reflect in the record, this year’s field hockey team was one of the best Coach Hergert ever coached. They had the motivation and dedication needed for a great team. On and off the field, the girls were always encouraging each other. Team spirit grew more as parents, friends, faculty, and administration came out to support the team. Coach Hergert was proud to announce that seven girls made the FUTURES team this year, the largest number since she began coaching. Also many received recognition from Passaic County Coaches Association. Throughout the season, the girls remained determined and played their hearts out. They knew “the game doesn’t always go to the bigger and faster man, but the game sometimes goes to the man who thinks he can.”

The Boy’s Soccer team went through a season of ups and downs. The Hornets, under the direction of coaches Rory Fitzgerald, Marc Salvatore, and Neil Didio, reached new heights this season. The team brought back a competitive spirit and work ethic that translated into a great season. One of the most exciting games of the season was when the Hornets played Lakeland. The boys were down 2-0 and came back to win 4-2. Tony Capone had all 4 goals in the amazing comeback.

This year’s players received many awards and recognitions. Tony Capone received First Team All County and Second Team All Conference. Didier Berrio received Second Team All Conference and Honorable Mention All County. Rich Grecco received Honorable Mention All County and Mike Moussab received Honorable Mention All Conference.

As quoted by Coach Fitzgerald: “This year is a rebuilding year, returning only two starters from last year’s State Qualifying Team”. Also Coach Fitzgerald stated his expectations for next year: “The future looks bright with nine starters coming back.”

On defense, Kelly Szewczyk was awarded Second Team Northern Hills Conference and Second Team Passaic County. On midfield, Ashley Babilonia set the school record for assists in a season and received the award of Honorable Mention Passaic County. Xiomara Marin was awarded Honorable Mention Northern Hills Conference and Meredith McNeill was awarded Honorable Mention Passaic County. Forwards, Andrea Waggoner and Cara Reposia excelled by scoring 8 goals and 14 goals respectfully. Cara also won the awards for First Team Northern Hills Conference and First Team Passaic County. Meet the Captains
Seniors Jessica Yennie and Heather Camb

The 2003-2004 Varsity Girls' Basketball team was led by the senior captains Jessica Yennie and Heather Camb. These two captains motivated their teammates and proved to be exceptional leaders. The team was made up of strong, skillful players, and they worked very hard the entire season. Their greatest accomplishment was their victory over their archrivals Wayne Valley, beating them 49-47. Though they had a lot of tough competition, the girls displayed outstanding talent, teamwork, and confidence throughout the season.
After a year of not being competitive, the boy's basketball team took a step forward this season, more prepared and ready for action. The coaching staff stressed teamwork, which the team bought into, and it also helped contribute to the improvement of the team. Seniors Steve Tuohy and Kyle Kober, junior Chris Nagy, sophomores Giovanni Carenza, Matt Coral, and Bryant Rodriguez, and freshmen Jon Coral and Joey Castro all acted as all around contributors to the lineup. The future looks good for the Junior Varsity team as well, who improved from last year with a current record of 8-8 as of February. The Freshman squad also had a successful season with a record of 10-5. With only two seniors on Varsity, next year's team will be back for another successful season.

Co-captain Vic Moschetta had numerous amounts of prestigious recognition. He was PV's Athlete of the Week and The Record's Athlete of the Week, bowling a 290 high game, 825 series, and a 206 average, making him Passaic Valley's #1 bowler. Also a co-captain, Joe Giardina had a 744 series and 185 average, ranking him #2. Juniors Nick Magdziak and Jason Woolsey, along with Freshmen Joe Civitello and Dan Van Dyke also contributed to the success of the team.
The seniors go out with a BANG for their last indoor track season here at Passaic Valley. Runners Brad Ottino, Joe Keating, Jim Gaylor, Guntis Embrik, Lisa Alfano, Jackie Shark, and the only senior thrower, James Damiano, all put out extraordinary efforts with tremendous accomplishments. These great athletes, with the great contribution given by the team's juniors, sophomores, and freshmen, have put the 2004 indoor track team at its highest level in seven years. Way to go HORNETS!

The 2003-2004 season for the ice hockey team was an exciting rebuilding year that will leave next year looking promising. With only one returning senior, the team had some great games, including the victorious games against Newark Eastside.

Battling many close calls, the team had high spirits through the entire season. Next year, they are hoping for an excellent record and a team that will surpass its limits. Starting a new JV team this year, the new players coming in should prepare PV for a team that will surely be unbeatable.

With thirteen varsity wrestlers returning next year, the future looks bright.
The Varsity Baseball season of 2004 is one with very high expectations. After an average season one year before, the Hornets are looking forward to bounding back with a very good year. With six returning seniors and many promising underclassmen, the team is on their way to not only entering the State and County Tournaments, but doing considerable damage hopefully coming out on top. With the leadership of Nick Varcadipane, a fourth year leader winner, the Hornets are looking for their offense to really step up and heighten them to the pinnacle of their conference. Senior pitchers Brandon Schreck and Truman Partridge, will lead the Hornet staff keeping opposing hitters guessing on every pitch. The 2004 baseball season will be one to watch out for.

Senior Nick Fiorello recorded the first individual victory in the team's history. Throughout the early stages of their season, the team recorded five victories in a row against Indian Hills, Lakeland, Montclair, Oak Hill, and Pompton Lakes. To the Class of 2004:

It is hard to believe that four years are almost over, but time flies when you
are having fun.

Wasn’t it just yesterday that we were making totem poles for the Freshman
Formal? You survived your first year of high school, and it was time to celebrate.
Now we are plotting and planning the details of your rapidly approaching final
celebration—your senior prom. The totem poles and palm trees have been packed
away, and a more sophisticated evening is in store.

You have grown up and now it is almost time to try your hand at the world
outside of ours. We wish each and every member of the Class of 2004 all the
happiness possible. Live up to your potential, pursue your dreams and use every
talent and gift you possess. Your success is up to you so do everything in your
power to ensure it. Don’t forget to study, work, laugh, appreciate, look, listen,
smell, ponder, write, love, read, play, and smile. In other words, live your life.

It has been a pleasure working with and advising you over the last four
years. Hopefully you have learned a thing or two from us for we have certainly
learned many things from you.

With fondest regards,

Mrs. Monte & Ms. Bednarski

In Memory Of
Alicia Scott

I'll expose the inside out and you'll see my heart bleeding
I'm not sleeping, but I'm convinced I'm dreaming
It's grown dark outside but somewhere near a light resides
They burn for you and we burn inside
This is violent, and I am shaking, and I can't count the
Innumerable hearts this is breaking
You'll never know how much I loved you, Dear God, I
Wish I could bring you back, just momentarily, and tell
You how much I do
This is not reality, oh no, I won't believe this
I'll nullify its validity with my ignorance and you'll come back
Oh god Alicia please come back
You were beautiful in so many ways and without you this
World and I will never be the same
I can't bear to look at these empty spaces where I used to
See your face, and no matter how many voids I fill, you
can never be replaced
I'll scream at this injustice, I'm teeming with rash feelings
I'm broken, utterly embittered, and shattered; I'm past the
Point of healing
I'm empty and everything alive inside me has been
dripped out
And my tears have left me barren
This is not sinking in, this is a fallacy
This is pure cruelty
This is not reality, oh no, I won't believe this
I'll nullify its validity with my ignorance
And you'll come back
Oh God, Alicia, please come back
-Catherine Armato
Time Flies...In a Blink Of An Eye
Our Class Timeline-Through The Years

The Journey Begins
Our Freshman Year

Remember walking in to Passaic Valley on freshman orientation day? The school seemed so big and unfamiliar. We still didn’t know where first period was or who would be in our class. Whether we got to first period on time or whether we ended up on the opposite wing, this day was a memorable experience. It was the beginning of the so-called “Best Years Of Your Life!” The next day, reality hit! The halls were crowded with upperclassmen and unfamiliar faces. Most of us couldn’t find our classroom, but wouldn’t dare ask for directions in fear of being sent to the “pool on the roof.” Somehow we all managed to get through that day. Our “Frosh” year went on from our first midterms and finals to friendships forming with other towns. Suddenly these strangers became our best friends and slowly we began to know the whole school, including the custodians. Little by little we all found our niche, maybe it being across the street, on the field playing, at a club meeting, on the stage or even in the band. There were so many things to do and ways to get involved for everyone at Passaic Valley. As life in PV continued so did life around the world. George W. Bush was elected President in the closest election in more than 100 years and reality shows were starting to become popular. “Survivor” became a smash hit this year, hence the theme to our Freshman Formal. And we did Survivor- WE MADE IT THROUGH OUR FRESHMAN YEAR!!!

Lives Changed
FOREVER
Our Sophomore Year

Who can forget sophomore year? Every generation has it's history making moments, for our parents it was John F. Kennedy’s assassination, for our grandparents it was the Pearl Harbor attack, and for us it was September 11th 2001. Our entire nation watched in dismay as our nation’s history was forever changed. This tragedy had a greater impact on some more than others. Amidst grief and hardship our school came together and held food and clothes drives and raised funds to donate to the families of the victims and heroes. To honor the New Jersey victims, stars lined the halls of PV. Throughout the nation flags rose high and proud in remembrance of those who suffered. Though it felt like time had frozen and we’d be stuck in this horrible nightmare, our sophomore year went on. From Sweet 16 parties every weekend, behind the wheel, to our Sophomore Social “Mardi Gras”, to American Idol. Sophomore year was just starting to get to be so much fun! DVDs starting appearing in everyone’s home and Napster on everyone’s computer. Our nation was actively progressing towards the new 21st century.

Moving On Up
Our Junior Year

So WE are officially UPPER CLASSMEN…with class rings and licenses to prove it. In memory of the one year anniversary of September 11th, our school placed a memorial around the flag in front of the school. Another addition for the school was the Phys. Ed department’s new curriculum, which included the new Project Adventure. In December we all partied together at the Valley Regency, where we held our Junior Cotillion. Afterwards most of us headed to the city in our party buses and limos to enjoy and remember “A Moment Like This.” As we became closer and closer to senior year our nation became closer and closer to war. Overnight French fries and French toast became Freedom fries and Freedom toast as the United States and France continued to disagree in a course of action regarding Iraq. With or without France and the United Nation’s support, on March 2003 The United States declared war on Iraq. As the nation watched, our young and our brave were being shipped over seas. We prayed for the soldiers who were there, which included friends who had graduated from our high school only two years ago. And here, we were only one year away from graduation.

Looks Like We Made It
Our Senior Year

Senior year summed up in one word- CHANGES. Changes around the school, in our lives, and, in the world. In September 2003 we returned to the “same old” Passaic Valley, but with a new modern day twist. The auditorium was painted, we had a new bell system, intercoms, new doors and computers. The long awaited track was finally here for us to do our daily cardio! Another addition to PV, and by far the most controversial issue this year, are the ids. By now every student in PV has been asked at least once “Where is your ID?” or been told to put it on. We were excited to see the parking lot was extended, giving more seniors parking spots and allowing us to drive to and park at school. Marking the beginning of our senior year the new responsibility and freedom that came with driving was something all seniors welcomed or looked forward to.

However, Alicia Scott’s death on September 13th, 2003 woke the senior class up and made us all more aware of the dangers which came along with this huge responsibility and made us more appreciative of the friends we have and how we view life. Outside of Passaic Valley, the United States was also going through some hard times; the war continued in Iraq. Progress was being made, and on December 14, 2003, the headline on every newspaper, “WE GOT HIM!” expressed everyone’s excitement over Saddam Hussein’s capturing. Back at Passaic Valley, however we were all still stressing out over our college applications, our SAT scores, and deadlines for colleges. The New Year was welcomed as we finally made it to our graduation year…2004.YAHOO! Prom committee started to meet and plan “The Big Night”. In the blink of an eye, midterms were here (at least our last time taking them), and soon after, SENIORITIS began to MAJORLY kick in.

Days, weeks, and months flew by and before we knew it, we were standing in line waiting to receive our diplomas in front of our family, friends and teachers who have been with us through it all. Holding on to the past and good times, but looking forward to the unknown future, we walked up and proudly accepted the diploma for which we have spent the last four years working for. Afterwards, as we stood around, some of us laughing and some crying, we recalled everything from our first day as scared freshman up to the last song at prom. All the memories from the weekends down the shore, field trips, hanging out at the WillowBrook mall, driving around aimlessly and then ending up at the PV or Quick Chek parking lot..(Why?!) All of these great moments with each other supplied us with great memories to cherish in our hearts forever and to look back on. Each year of high school, we learned and experienced new things about life and living in this world, both good and bad. We did it as a class-“The Class Of 2004.” Now that it’s our turn to leave and begin that next chapter in our lives, with new responsibilities and a bright outlook on our future, we hope that the lessons we learned in high school will help us along the way with every challenge we have to face in the future.

Mr. Sileo’s AP students want to see him without a beard and moustache.

Joe Loforese wants to see Mr. Ward in normal, matching clothes.

Unfortunately he refused to shave it, so this is the best we could do.

The Senior class wants to see Erica Spinella in an undamaged car.

It is not likely that in ten years Catherine Armato will be a niteclub bouncer.

It is not likely that in ten years Kevin Nagle will be a bum on a street corner begging for spare change.

It is not likely that in ten years Amanda Mossey will be the mother of a member of the Green Team.

It is not likely that in ten years Caitlin Ament will take over Calvin Klein Jeans.

To our *Jaime*,

From the day you were born, you have filled our lives with happiness, laughter, *sometimes craziness*, but always love. As a baby you were always so serious, watching everything and everyone with such wonder. You even stopped napping at 3 months old so you wouldn't miss a thing going on. We laughed at the little things you did, the expressions you made, and the expressions you said ("so well", "let's believe", "calm your horses" just to name a few)! The gentleness and affection you showed those around you, whether it was taking care of your baby dolls, playing with your friends, or being "mommy" to your baby brother, were so amazing to watch.

As you grew, so did the love in your heart. You are forever doing things to help others. You are a faithful friend, a hardworking student, and a loving daughter. You push yourself beyond any limits, your determination is unstoppable, and your values are sound and strong. You have proven yourself in so many ways, and have never let us down when it comes to making good decisions and the right choices. We truly know how blessed we are to have someone like you for a daughter.

As you enter this new stage in your life, it's impossible to see into the future and know all that lies ahead for you. One thing you must always know is that wherever that road takes you, we will be here for you, unconditionally, for always and forever.

Thank you for being the little girl we always dreamed about.

Love you always,

*Mommy and Daddy*

Dear Kyle,

These past few years went by really fast. I can’t believe you are going to college already. I’m going to miss you a real lot. It’s going to be hard not having my older brother around when I need someone to talk to or I need help with something. I’ll always remember when you made me come outside and shoot hoops with you no matter how cold or how hot it was out there because you wanted me to get better at basketball because you are about me doing well in it. You also stick up for me and look out for me in school. Whenever I need help you’re always there for me and I want you to know that I am very thankful. I know that you really care about me and I want you to know that I care about you a lot also. I am so proud of you because you are a very bright person and you always try your hardest in everything you do. In college I hope you keep up with all your work, I know you will and if you do you will do fine and also have a lot of fun. Just keep up with everything you are doing and never ever stop trying your hardest. I Love You and I will also miss you! Good Luck!

Love Always Your Sister,

Rita,

First and foremost Congratulations!! This has been a great year for you to remember. You have experienced some good times and some bad and through it all you have been fortunate enough to juggle school, work, friends and family. I want to wish you the best in the years to come. It has been my privilege to be a part of your life and to coach you through your toughest times and challenges. It has been great watching you mature and become the bright young lady that you are today. I want you to always look back at these times and remember the sacrifices you made to be who you are today. Gymnastics has been your life practically but you have gained so much more, confidence, self esteem, maturity, and also your true caring for others.

I personally thank you and in behalf of All American we will miss you dearly. You will definitely be a hard individual to replace. My heart goes out to you! Stay healthy, strong, and keep training. This is your second home and the door is always open for you.

Good Luck Rita and always believe in yourself
