Totowa. Little Falls. West Paterson. Three different towns, three groups of students… ONE graduating class. We started on this “journey” four short years ago clinging to those who had held our hands through, what we thought to be, the nine most important years of our lives. Then suddenly, sitting beside strange new faces in a brand new place, we began to realize that our lives were about to change, as we embarked on a new adventure known as Passaic Valley High School. Now, you rarely hear people mention which town they are from; PV is much more than just a school, it has become a community of its own. Three separate towns?

We see ourselves as “ALL MIXED UP.”

New faces led to new friends, who have touched our lives in unthinkable ways, and now it is clear that these FOUR years have been, and will forever be, the best of our lives.
Dedication

Passaic Valley High School has made it a tradition to dedicate the yearbook to a teacher who is highly regarded by that year's particular Senior Class. This year, the man receiving this honor has proven himself to be a source of inspiration to the students, and a guiding hand on our journey. Through laughter and education Mr. Gemma has "made history" in Passaic Valley High School... So this one is for you, Mr. Gemma. You have been a key piece in our puzzle; PV won't be the same without you.

Couldn't Have Done It Without You
Dear Members of the Class of 2005:

High School yearbooks serve as very interesting and traditional sources of information in our society. I believe that in spite of technological advances, the hard copy of a yearbook will remain with us well into the foreseeable future. If one takes the time to review these resources and Passaic Valley has a library of its yearbooks dating back to the first edition in 1941, one would find that the Valley Green has experienced numerous transitions since that time.

In 1941, the Valley Green Dedication read, "We, the 1941 June Senior Class of Passaic Valley High School, dedicate our yearbook to the first Board of Education whose efforts did much to make our school possible...We hope the classes which follow us will enjoy our school as much as we have."

Clearly, prior editions of the Valley Green serve as a record of ever-changing hair styles and fashion trends from the 1940s through the present day. There may no longer be Sketching, Riding, or Swimming clubs, Valley Varieties, Girls' Archery or The Valley Dreamers. But those popular student activities have been replaced in the yearbook with The Thought Club, Anime Club, and Junior Statesmen of America.

What has remained consistent at Passaic Valley since the senior class of 1941 is that the fiber of our alma mater is the student body and its involvement with academics, athletics and other co-curricular activities.

The Class of 2005 is heralded for maintaining PV's tradition of excellence because of its own academicians, musicians, athletes, and thespians. If you repositioned the active and involved senior from 1941 into today's Class of 2005, I'm sure the mutual sense of tradition would be in evidence amidst the different fashion styles.

On behalf of the Board of Education and administration, I wish you the very best in all of your future efforts and remind you to maintain your PV Pride.

Remember... "To keep our faces toward change and behave like free spirits in the presence of fate is strength undefeatable."

Helen Keller

"Education is Simply the Soul of Society...

Mr. Pete Budelman

"I have known Pete as a colleague and friend for more than 33 years. Not only did he dedicate himself to teaching his students in the classroom, but gave so much of his time supporting many extracurricular activities at Passaic Valley. There were occasions he spent more time working at school events than working at home. His enthusiasm in everything he did was "catching". Pete loves his Lionel trains, Ranger hockey, and listening to Willie Nelson. What are his plans for retirement? He plans to enjoy the shore and catch up with his wife Judy and three sons, Christopher, Eli, and David."

- Mr. Furmanek

Mrs. Trudy Humes

Mrs. Trudy Humes worked at Passaic Valley for 19 1/2 years. She has three children and five grandchildren. "She is a happy-go-lucky person, and the students migrated to her" says Mrs. Waryas. Mrs. Humes is very family oriented, kind-hearted and sincere person. Now that she is retired, Mrs. Humes plans to shop, travel and of course, spend more time with her family.

- Mrs. Waryas

Retirees
Mr. Nicholas Gemma
Nick Gemma graduated from Seton Hall University and began working at Passaic Valley in 1969. In his 35-plus years at PV, Mr. Gemma taught U.S. History, was an advisor for the academic team and supervised many sporting events. Mr. Gemma was PV Teacher of the year in 1996. He was a person who devoted his time and effort to Passaic Valley. He loved history, but more than that, he loved teaching and he loved Passaic Valley. You could always count on Mr. Gemma to discuss politics and history; no student came out of his class without appreciating Andrew Jackson or learning about the most-recent presidential election. Mr. Gemma’s dedication, professionalism, and integrity were a shining example to not only his students, but to his fellow teachers as well. He guided his students to improve themselves academically and personally. At the same time, he took many younger members of the history department under his wing and helped them adjust to the teaching profession; even in his last few months at PV, he acted as an informal mentor for the new teachers. Mr. Gemma always displayed a positive attitude, never lost his temper, and did whatever he could to raise the school spirit. And he always wore a sports jacket. Now that Nick Gemma is retired, he intends to spend his time with his wife, seven children, and his numerous grandchildren. And I’m sure he will read a few History books.

- Mr. Block

Mrs. Anna Tichio
It is said that to measure success lies not so much in what you have achieved, but whether you have made a difference. It is a well-known fact that Mrs. Anna Tichio has touched the lives of many students, parents and faculty members at Passaic Valley. "I can honestly say that Anna provided the Guidance Department with a calmness that is truly missed by all." Mrs. Tichio is an understanding, fun-loving, compassionate individual who always has a kind word and a ready smile. Mrs. Tichio, in her years working at Passaic Valley, maintained an open door policy with her students and she was a tremendous advocate for them. "Her pleasing personality always placed students and parents at ease while maintaining the highest professional standards."

In her retirement, Mrs. Tichio is currently enjoying Florida. She will have more time to pursue her flower arranging, but most of all, her husband, Dan, their three sons, Daniel, Robert, and Christopher, her daughters-in-law, Dana and Maya, and especially the apple of her eye, her granddaughter, Isabella Rose.

Girls' Show has proved itself to be a truly rewarding experience. The Chiefs, the Heads and participants have all shown a tremendous amount of respect for each other and the show. The camaraderie between the Greens and the Whites was unbelievable. The night ended in a Green Victory, winning Cheer, Dance and Relays. The Whites also came out with three victories in Exercise, Posters and Novelties. The 2004 Varsity Field Hockey team was extremely successful. Lead by captains Melissa Appio, Emina Udrija, and Melissa Paulhus, the team ended with a 10-9-2 record. This dedicated and spirited team exceeded all expectations. They were the first team in Coach Grande’s tenure to qualify for the state tournament. The offense had no problem scoring; they tallied 48 goals lead by senior Nichole Barrasso. Together they learned “the game doesn’t always go to the bigger and faster man, for the game sometimes goes to the man who thinks he can.”

The other six varsity runners had a successful season, steadily improving their times.

The girls' cross-country team was led by senior captain Erika Boyle and junior captain Christina DeSimone. Both ran this season as individuals, since they were three girls short of a team. Erika and Christina received awards for their effort, including Honorable Mention All-County.

The season is going fairly well. We struggled with injuries early but have since started to gel together. My expectation for the remainder of the season is for the senior players to impact the game and make consistent big plays. In addition, I want them all to remember how each person on a team makes an impact. In order to succeed, the individual players must work together and become a whole. That's how victories are won.

The Varsity team finished their season 8-10-2. The most memorable game of the season was the County Tournament game against Lakeland. The hornets played incredible for four hours because of a rain delay, and ended up winning the game after overtime and penalty kicks. It was a game that the team will never forget.

The 2004-2005 Passaic Valley Hornets Varsity Ice Hockey team had one of the most successful seasons in the young program's history. Quickly reaching a record .500, the team was consistently found to be tough competition in their league. The offense was led by Kyle DeRanis, Nick Montemurro, Jimmy Romano, and LJ Falone, who combined to make most of the goals for the Hornets. The defense was led by seniors Steven Pallino, Jack Caltabiano, and Stephen Molinari. They also were helped out by Freshman Matt Zaleski and transfer Steven Purn. Goalies Eddie Haefeli and Matt Kuzinski both showed a strong hold in the net. Many new and young players from last year have stepped up to help put together what was always the missing link of the team. With new coaching personnel behind the bench, coaches Taylor Berkowitz and Jeff Francisco led the team to a very promising season.

Frank Dugan, Mike Enright, and Craig Sutera

Meet the Seniors:

The 2005 Passaic Valley Varsity Wrestling team had an amazing year. With eight returning seniors, the season had potential. Led by captains Craig Sutera, Mike Enright, and Frank Dugan, the team became County, Conference and State Sectional champions. With only three losses, their season was an overall success. The Hornets finished second in District 13 and finished as one of the top four teams in the state.
This year's softball team will look to build on last year's solid season, looking for its four returning seniors to lead the way. The team will look for contributions from its seven returning letter winners, and will also rely heavily on the play of a group of solid sophomore talent. All of the girls have gone to great lengths to prepare for the upcoming season during the summer and fall. The hard work and dedication of the team makes the future of this upcoming season look bright.
Top Row: Coach John Mazzo, Matt Coral, John Urchak, Rob Adams, Kevin Dilts, Jay Rattino, Nick Montemurro, Sean Williams, Jason DeStefano, Adam Christopher, Assistant Coach Vic Mesce. Middle Row: Tom Coyle, Mike Corrado, Jimmy Camb, Damian Diorio, Chris Stacy, Devon Chichele, Jesse Santo, Mike Criscione, Ray Puluse, Jon Coral. Front Row: Gerard Russomanno, Joe Emmolo, Joe Cali.
With many essential players, especially all the senior captains, returning to the baseball diamond in 2005, the Hornets are looking at a turnaround year. Even though the season began in April, the Hornets' quest for the gold commenced through the winter season straight up to the team's Spring Training in Florida. Offensively and defensively, the Hornets continually strive for nothing less than perfection. The players' shared attributes of dedication, will and aspiration unites the men into something more than teammates, but brothers. This season, with great unity and pride, the team will attempt to achieve the one thing that all baseball players desire—glory.

Story Short ...
Dear Class of 2005,

For the past four years, it has been our honor serving you as your class advisors. We have watched each of you grow as individuals and as a class. Although this is the end of your high school career, it is the beginning of new and exciting endeavors. It is our hope that you will not only take what you have learned in classes and from books, but also the lessons learned from each other. May each of you continue to reach for your goals no matter how high or complicated they may seem. Enjoy each step along the way. It is our hope for each of you that your lives are filled with happiness, success, and good health. May you always look back on your years at Passaic Valley with a smile. Remember the great times, friends, and memories. We want to wish you all the best in your years to come.

The passage of times brings along events of both joy and great sorrow. The Class of 2005 has been
touched by a special individual who was dedicated to the youth of Passaic Valley like no other. We would
like to remember Mr. James Belford, a member of the Board of Education from West Paterson, for
the great impact he made on our school. Although he may be absent from our lives, he
will always be present in our hearts and will never be forgotten.

Dear Marissa, It's so hard to put into words all the joy you have given us! You were such a delight to all of your family. You were everyone's baby-not only ours, but also your brothers-Richard, Stephen, & Michael-& especially your sister Jennifer's. You were our treasure! You have shown such dedication & determination throughout your school years-always doing your best-using good judgment & having respect for yourself, your family, friends & everyone you met. You have made us so proud! You have given your family so many sweet memories-we know the best is yet to come. Happiness, love & success will be your rewards because you are such a caring & gentle person-who is not only beautiful on the outside, but most importantly, on the inside as well. Kristina Cox:
Kristi, Remembering back to 1986, one year before you were born, we often spoke about having a girl to add to our family. Our dreams were to have a blonde-haired girl named Kristi. We pictured you in a cheerleading uniform. At that point you were a dream, now you are a dream come true. We could not envision our lives without you. You are a true beauty inside & out. We never could have imagined back in '86 what treasures you would have brought us in 2004. Your respect for your religion, your family & friends has only added to your inner beauty. You have made our dreams come true & we can only pray that yours will too. Love, Mom & Dad

Kristina, We are so proud of you & all that you have accomplished at PV. We realize that 2004 was a tough year for you, but you came out smiling. I (Kip) loved running track with you. Thanks! You and I (Kev) will be going to school together again soon! And don't look for any rides (Ha!Ha!). Love, Kevin & Kip
Letters from Home

Xyra Jay Daly:
While most of your classmates are preparing to take their first major step in life's journey, you, Xyra, are about to take just another of the many you have already traveled. You have walked a road that most children shouldn't have to walk; have made decisions that should be reserved for adulthood; overcome obstacles that were worthy of scholars to address. You have made us so very proud & we know you will continue to do so. God bless you for your fortitude, honesty, & loyalty.

Alyssa DeMauro:

Rob,

Congratulations.
We're both so very proud of you. We wish you luck and success in all you do. Never stop reaching for your dreams.

We love you.

John and Ang

Rob,
We have watched you mature into a bright young man.
The world is yours to grab by the hand.
Always, use good judgement to achieve all of what life has to offer. For in your mind you will excel.
For you are in my heart, little brother, therefore follow no other.

Love you always,
Anna, Bryan, Michael
&
Zia Francesca, Zio Antonio
Kristi,

Our dreams of having a blonde-haired cheerleader came true when you were only 16 months old, as the picture shows, but our dreams for you continue to mount up. First, you started your soccer career in Kindergarten, running around with thirty other kids and Mom as your coach. Being a Brownie was important to you because of the friendships that you made. But sports were always very important to you. As you graduate you will have completed thirteen years of soccer. You also enjoyed cheerleading for five years and competing in cheering competitions. Softball was just one more sport that you loved to play, giving your mother a heart attack every time you pitched. You competed in the Tri-County All Stars once again as a pitcher.

Competition was always one of your loves, but not your first. That title belonged to your religion, family and friends. Your love and compassion was always one of your strongest attributes, and you used it to the max. Your career dreams were always to be a school teacher, and we have no doubt that you will succeed. You have that great sense of humor, and you are constantly keeping us on our toes, because we never know what you will say next.

All of these gifts add up to be the smart, loving, caring, religious, competitive person that we know as KRISTINA.

Thank you for being you.

Love,

Mom, Dad, Brian, Kevin,

Kip & Peaches
Drew.
We are so very proud of you.
Always be happy!

We love you.

To Dream

You have grown physically, academically and emotionally during the past 4 years...a growth that cannot necessarily be measured by statistics and cold hard data. The process has provided you with several tools...tools of sensitivity to meet the needs of your existence...tools of intelligence to enable you to make wise choices as you walk the next phase of your life journey. Use your tools wisely and well.

As you step into the world and begin the climb on the ladder toward self-actualization, take with you a great deal of faith, determination and a willingness to be dedicated to the accomplishment of your dreams and a commitment to strive for excellence. Remember: "It must be borne in mind that the tragedy in life doesn't lie in not reaching your goal. The tragedy lies in having no goal to reach. It isn't a calamity to die with dreams unfulfilled, but it is a calamity not to dream. It is not a disaster to be unable to capture your ideal, but it is a disaster to have no ideal to capture. It is not a disgrace not to reach the stars, but it is a disgrace to have no stars to reach for. Not failure, but low aim is sin."

No vision and you perish;
No ideal, and you're lost;
Your heart must ever cherish
Some faith at any cost.

Some hope, some dream to cling to,
Some rainbow in the sky,
Some melody to sing to,
Some service that is high!

Shoot for the stars Robert!

Love,
Mom, Dad & Rick
