Christmas Play
ART SHOW '85
The Junior Class of Passaic Valley High School will hold its Junior Cotillion on Friday, December 9, 1983. The Cameo Faithfully.
Our season was actually broken into two parts. The early part of the year was a team that won four of their first five games and then the second half found the Hornets playing three state playoff teams. Overall it was a pretty successful season with the defense leading the way most of the season. The offense had its biggest day against West Orange.

Jeff Dransfield led the team in scoring with 3 T.D.'s and one 2 point extra point for a total of 20 points. Bernie Corrigan ran the offense from his quarterback spot and Doug Earl led the team in rushing with 493 yards on 160 carries. Pugs Pellegrino led the way on the offensive line.

Defensively, Mark Monteyne led the team with 108 defensive points. Included in those points were two interceptions. Bob Mamary had a fine year at defensive tackle while Russ Cohen was a standout in the secondary.

1984 was one of the best if not the best year for field hockey since we've had the sport at PV. As far as I know there is no other team that went through the regular season undefeated.

We lost only one senior last year and were hoping for an improvement in our record. Last year the team was 5-8-1. The new conference at first seemed that it might prevent us from improving upon that record. The new conference contained last years State Champs such as Pequannock, Montville, and DePaul. With other traditionally strong programs such as Millburn, and Summit. Despite the stronger league we did a complete turn around from last year.

It was a great year for the Varsity because all of the girls set their goals toward this end and worked for it.

We will be losing 6 seniors through graduation and we know it will be very difficult to replace them.

On the bright side—we had our first large turn out since 1978... and fielded a JV team. This will prove to be very important if we can maintain the interest since each year is a rebuilding year when you don’t have a feeder program. Last year was unusual that we only graduated one person so we didn’t have to start over this year.

The JV team was 0-11; however you have to realize that they were all freshmen and playing against JV teams made up of Sophomores and Juniors.

The 1984 girls Volleyball team was directed by new head coach Jo-Ann Schoengood. The two seniors on the team were Rita Varcardipane and Captain Donna Young. Although they suffered from the loss of two coaches this season, the girls still showed their dedication and willingness for the game. Both the coach and the girls put forth great efforts. These efforts and the determination of the young team have built a strong and hopeful foundation for a successful future.

The 1984 season was a rebuilding year for Passaic Valley. A team with no seniors ended the season with a 3-12 record. Outstanding performances from Junior Captain Dave Nardino and Junior Jim Stuckey highlighted a tough season. Toward the end of the year the Hornets finished strong winning 3 in a row. Next season the PV team should be stronger with everyone returning. PV should finish the season with a better record next year. PV finished with a third place this year in the new Northern Hills Conference. Returning next year will be Junior Nick Frunzi, Sophomore Scott Smith, Freshman Jim Grimes, Chris Nebury and Rich Correa. Hopefully the team will grow in numbers with new Freshman.

The 1984 team should be proud of its hard work and effort during the season.

B. Bender

Individual Honors
Dave Nardino - 1st team all league (NHC)
Jim Stuckey - 2nd team all league (NHC)

Although the girls team could not field a full competitive team until late in the season, several bright spots should be noted. Four of the six girls on the team received some post season recognition. Alyson Perre continued her record setting pace and will return next year.

Heather McGee ran some fine times for a freshman runner and along with Alyson will provide a strong 1-2 for next year.

Individual Honors
Alyson Perre - 1st team all league, all county, all area.
Heather McGee - Honorable Mention, all county, 2nd team all league.
Mary Eileen Appio - 2nd team all league
Kathy Hourihan - Honorable Mention, all league

The PV Gymnastics team coached by Margie Breznack and Pat Gras finished their season with an impressive record of nine wins and five losses. Led by seniors Barbara Kruszewski, Adriana DeStefano, and Penny Thomson the team held their heads high and went on to break four school records.

Freshmen Jill Albanese & Alaina Gallucci turned out fine performances all-around. Sophomore Rita Poltano did more than her share to pitch in scoring high on vault and floor exercise. Barbara Kruszewski showed her best talents on beam. Adriana DeStefano had her best year on bars scoring many personal bests.

The team took a third at the Northern Hills conference on October 26, at West Milford High School, and Jill Albanese went on to take two thirds individually on the beam and floor ex. Also Jill and Barbara qualified for state sectionals which was on Saturday November 10, at Wayne Hills High School. Both of the girls came through with very impressive scores.
From a team that won 2 matches as freshmen to a team that ended with 8 wins 5 loses and second place finishes in the County and District 8 Tournament. That was some fine accomplishment.

The 1984-85 team had three fine captains: John Armellino at 122, Michael Gallo at 135 and Henry "Pugs" Pellegrino at 170.

The two highlights of the year were the final two tournaments. At the Counties P.V.H.S. was winning the entire weekend only to lose by 3 points at the close of the day. The following weekend we were in the District 8 Tournament and once again we were winning the entire weekend only to end up losing by 10 points.

The coaches were real happy with this year's addition of P.V. Wrestling. The team never gave up and worked together to attempt to reach their championship jacket goal.

Well guys, no jackets this time around but you were all champions in my eyes. Best of luck in all you do and make sure you stop back to visit sometime.

The 1985 Baseball Team outlook is excellent. With 10 Seniors and 5 returning starters, the Hornets expect to be contenders in the Northern Division of the Northern Hills Conference. Senior members of the team include Pitchers-Tom Cullen, Bob Chance and Bernie Corrigan, Catcher-Chris Pucillo, First Baseman-Jason Sniffen, Shortstop-Alan Mednick, 3rd Baseman-Joe Johnston and Tom Corrado and outfielders, Leo Lucci and John Harrington. Their enthusiasm, experience and dedication to baseball should provide a nucleus for a fine ball club.

Underclassmen who should figure in the team's lineup include: catchers, John Pace and Adam Robison, second baseman, Bob Ash, Shortstops, Lou Rizzio and John Giordano, outfielders, Joe Pisa and Sal Sofia and pitcher, Jim Loverd.
The 1985 softball team has a good mix of experience and youth. Returning starters include Jill Fisher (1st Team All League and All County), Rene Hemsey (Honorable Mention All League-All County) and Heidi Provines (2nd Team All League and All County). Other returning players include senior Lillian Rimac, juniors Cecelia Sperrazzo, Kim Gursky, Fran Scorzo and Shannon Lones; sophomores Valerie Sadusky, Cheryl Nardino and Chris Marinelli. Joining the team are junior Kim DeBonte, sophomore Pam Paternoster and freshman Kathy May, Tricia Longo and Tricia Warwick. Second year coach John Sterling expects team speed, pitching and defense to be the strength of the team. If the team can develop a solid offensive attack, the season should be a very successful one.

The P.V. Girls Tennis Team coached by Joanne Barrington had a successful season in the new league. The team in its second year of existence finished second in the county. This is the first team trophy Passaic Valley has earned in the sport of tennis.

Senior Sonia Satra and Junior Kim DeBonte lead the team to a final 11-7 record which enabled the team to finish third in the league. Val Sudusky had a fine season in the third singles position. Despite individual injuries, 1st doubles team Jennifer Pytal and Lisa Tillman and 2nd doubles team Debbie Steinmeyer and Shannon Loines performed impressively. The J.V. team also played well. This was definitely a season for the girls tennis team to be proud of and with the enthusiasm and experience of the underclassmen the team should continue having a winning future.

The 1985 Boys Tennis Team expects a great deal of success this season. The team is led by veterans Roy Katcher, Mike Falconeri, and Steve Stadler. Roy, Mike, and Steve occupy the very difficult Singles Positions on the team. The First Doubles Combination of Pat McGlynn and Leo Politz provides the team with the depth needed for a successful season. The remainder of the team consists of Peter Kearns, Bill Hoffman, and Vu Phan. Their skills will be utilized in the Second Doubles Position.

The team looks strong and confident. The players possess sharp skills and experience—all the ingredients needed for success.
The 1985 season should prove interesting for the Lady Hornets. First, they enter a new conference the Northern Hills. Next they face a major rebuilding year because of the graduation of last year's class. With a total squad of 30 members of which 14 are freshmen the girls will have many challenges to conquer.

Senior Co-Captains Gwen Fischer in the hurdles and Barbara Kukel in the sprints will provide the necessary leadership for the team. Other returning performers are Chris Chomko in the 400 Hurdles, Dana Dotoli in the hurdles and jumping events, Sharon Callamari in the 400, Cathy Hourihan, Maryellen Appio, Allyson Perre in the 800, 1600, 3200, Laura Roucco, and Mary Lou Hemecky in the weight events. The coaches as well as all the members of the Girls Track Team are looking forward to another fine season.

Captains-Barb Kukel, Mario Gafita, Gwen Fischer, Dave Krautheim
The 1985 Passaic Valley Track Team enters this season as a member of the Northern Division of the Northern Hills Conference. With only about twenty-eight athletes making up the Hornet squad, many of the participants will have to compete in several events if we are to be successful in our league.

Leading this years team will be Co-Captains Mario Gaita and Dave Krauthiem. Both athletes return for their fourth and final year of competition. Mario will lead the weight team and Dave will participate in the 400 I.M. hurdles, the 200 and run a leg in the 4 by 400 relay.

Other leading candidates for 1985 will be: Senior Bill Shadel, 400 and 4 by 400 relay, Senior Mike Winters, high hurdles, high jump and long jump. Juniors Jim Stucker and Nick Frunzi, 1600 and 3200. George Irwin, sprints, Dave Nardino, 800, high jump and long jump. Jeff Sniffen, high hurdles, 400 I.M. and high jump.

Sophomores who should contribute points to the Varsity are Scott Pagano, 100, high hurdles, long jump, Alberto Silvestri, sprints, and Mark Close in the weights.

Captains Barb Kukel, Mario Gaita, Gwen Fischer, Dave Krauthiem
The 1984 program displayed a beautifully staged repertoire consisting of Pictures of Spain, Pines of Rome, Egyptian Danza and Matador.

This year proved to be a very successful one, resulting in two first and two second place finishes in the regular seasoned competitions. These accomplishments were highlighted by special awards, consisting of two Best Drum Major awards, and awards for Best Percussion, Best Music, Best Marching, and Best Color Guard at the Salute To America Marching Band Contest in Oldbridge, N.J. In concluding the season, P.V. finished third out of ten bands in the E.M.B.A. Group IV sanction and first in the State of New Jersey.

Very special thanks to Ron Frech, John Hannigan, Dan Kocher, Tyrone LaValle, Dave May, and especially Ralph Pennacchio for all their time and dedication in making this year a great success!

MEMORIES.... Board Secretary, 1955-64; Board Secretary-School Business Administrator, 1964-84: budget from $350,000 to over $7,000,000; student enrollment from 850 to 2300 in 1972. It has now decreased to around 1400.

Lydia Hackes employed as Secretary in 1957 until 1970 when she was appointed assistant Board Secretary until her retirement in 1984.

Their duties included preparation of school budget, coordination of school transportation, financial and legal bids, board agendas, correspondence, purchase of school equipment and supplies, payrolls, supervision of all financial records, student clubs and activities, inventory, management of investments, microfilming of Board of Education and student records, computerization of Board of Education financial records, reports, revenues and expenditures which were completed during their tenure and audited without error or adjustment.

On behalf of the student body and the class of 1985, we wish them both our sincerest admiration and appreciation for their loyalty and dedication. They have been an inspiration in setting the highest standards for achievement and success.

ELENA KLOPPER

MEMORIES.... Came to P.V. as Jr. Class Counselor-471 students. Dress Code-girls wore dresses only, not too short in length, and boys wore shirts and trousers, shirts worn inside, and no jeans permitted. Every student had one study hall per day. A truant officer for attendance, and he "rounded up" the truant students by car and brought them to school. Dr. Schneider, Superintendent.

CLASS ADVISERS

Good luck to the members of the Class of '85, one of the most assertive groups of students that I've ever worked with. I hope you can direct your positive energies to successful future endeavors. Congratulations on your completion of 4 years at Passaic Valley!

Maria Rano

We the Senior Class of 1985 would like to extend our utmost gratitude and appreciation to our class advisors- Mr. Pedalino and Ms. Rano who have given us their patience and time to see us through these past four unforgettable years.

Many times it seemed as if we weren't going to accomplish our set goals, but with their guidance and leadership they pushed us until we conquered each and every one of them, and made us strive for our highest potential.

It has been a pleasure working with them, and we truly appreciate everything they've done for us. We wish them the best of luck for whatever the future may hold . . . . . .

THE CLASS OF 85

Congratulations!

I would like to wish each and everyone of you success in the future. It has been a pleasure being one of your class advisors during your 4 years at Passaic Valley. I hope when you think back on your years at PV your thoughts are filled with memories of good friendships. The class of 85 would also like to thank Ms. Croll, Mrs. Burgess & Ms. Nowak for their help as past advisors.

Michael Pedalino
Senior Class History

By Thom Cohn (Historian)

We can all smile as we look back at the good and bad times that we
have had, but now we look forward with excitement as each of us prepares to go
out into the world and make all of our dreams come true. It seems that we arrived here
just yesterday and now it's already time to wave goodbye.

We were amazed at the size and complexity of the school. From the minute
we walked through those big glass doors, finding your classroom was almost as hard as
trying to buy just one piece of tissue in the cat. We were soon introduced to the smoking
area (hockey) and daily fire drills.

Sophomore year the smoking area was taken away, but bomb scares were added
to keep us out of class. The following years we were told to remain in class during the
bomb threats. This way we wouldn't miss anything.

The bleachers were declared unsafe and we had to play our football games at
Monterey State College.

Mr. Castellanlo replaced Mr. Grady as superintendent. Computers came and
didn't change things enough drastically than the new policies. Computers gave us
PCs, three new classes, and made it easier for some of us while the new policies
made it harder for all of us. They included rules forbidding lunch furniture and skate-
boarding in the halls. Along with these came detention hall and in school suspension
to enforce them. Speaking of Communism, we saw two new Soviet presidents come
to power. They boycotted our Olympics in Los Angeles for political reasons.

The US embassy in Lebanon was bombed, the threat of nuclear war was just
as strong as ever. President Reagan was re-elected and he talked of building more
powerful weapons. "To preserve the peace".

We were told that asbestos being removed is safe, but just in case concerned
students continue to test the air system.

The bleachers were finally replaced with a safe set at the end of our junior year.
Because of the large drop in student population we decided not to join the Northern
Hills Conference to make our sport competition easier. We got rid of the broken
bleachers at our bongfire but in return we received a crew of break-dancers, and
bouffant colored clothing that could blind you more than any fire.

In order to assure success, everyone bought a pair of tickets to the senior class
play "Pippin" which proved to be very profitable. To add to our bankroll we had a "Battle
of the Bands" which was just as successful.

We've seen many great strides, Sally Ride taking a ride on the Space
Shuttle, and Geraldine Ferraro being the Democratic Vice-presidential candidate.

People in Ethiopia were starving and so were the hungry students "collecting" money
in the cat.

We elected class representatives and officers in an effort to lose the Student Senate
Association one more time.

We all had an awesome time on our long awaited senior class trip, only to be
surprised by the memories of our Prom.

That's All
