"A DAY OF CHANGE"
Mini courses? Resource centers?
Modular schedules?
Independent study?
Maybe "A DAY OF CHANGE" is not correct. We, the
class of 1973, are the
class that is starting it all. The change over
from tradition to the
future was bound to
come. But we are
only the beginning.
We will never know
how the change will
effect our school
because we will be
long gone before we
can see the results.
Someday, maybe we
can come back and
cause our own "DAY
OF CHANGE". Till
then, we can only
look back and com-
pare tradition to the
start of the future. As
you look at the faces
in our book, think
about the transition,
you were part of it.
The winning tradition of Passaic Valley's gridders was upheld for another fine year as the team turned in a 5 and 3 record. The hardwork, determination, and double sessions have once again paid off, as this year's Varsity got off to a strong start by winning their first two games with shutouts. Midway through the season, the Varsity had the misfortune of injuries. At one point, 6 of the 11 starters were sidelined. Individual honors went to Dave Strasser for tying the State record for field goals, and being selected first team All-League center. Defensive tackle Nick Sauter compiled All-state, All-league, and All-county honors. Once again, much credit must be given to Coach Gerdy and his fine staff as they continued to make football one of Passaic Valleys' more successful sports.

In this passing year the PV football team will lose 28 seniors but this will not effect the team as much as the retirement of Mr. Steve Gerdy as Head Coach after 18 years of hard work. It is hard to find the words to say about a man who has given so much of himself to the team and to the sport. The highlight of Coach Gerdy's many years at PV was the possession of a fine record of 91 games won, 66 lost and 2 tied. The 1961 team was the first undefeated but tied team, and the 1964 team was the first undefeated in the history of the school. They won Lakeland Conference Championships in 1958, 1961, 1963, & 1964 and a co-championship in the NNJIL in 1969. They also won a co-state sectional championship in 1969.

We feel that Passaic Valley is losing a fine coach but must honor him for retiring from something he loves in order to advance the educational goals of our school.
The fall season saw the culmination of a long-time dream . . . the advent of girls varsity sports on Passaic Valley's Athletic roster. The first to enter into interscholastic competition was Girls Field Hockey. Their record (1-54) was not the most impressive and did not show the many hours of effort put forth by our girls and their spirited coach, Jean Radimer.

Once again Passaic Valley shows itself as one of the top soccer teams in the NNJIL. This year's team produced an impressive 10-4-2 league record way above the .500 mark. This gave the Hornets an easy third place finish along with a game in the state tournament. Although the team got off to a slow start, they came back winning six consecutive games, breaking the old record of five straight. Team members honored to area all-star teams were Enzo Niglio, Glenn Van Gieson, Mark Amerigowicz, Tom Curcio, and Ed Voorhis. Much of the success goes to the fine job done by Coach Mazza, and his assistant coaches. Once again this team and coaches are to be congratulated on their fine season.

With the start of cross-country came the double sessions, blisters, and sore muscles with no regrets. Facing the tough competition of the NNJII the Hornets compiled a 5-4 record. Outside the league they compiled three wins against no setbacks. This was Mr. Bender's initial season, and as far as record it was an evident success. One of the high points in dual meet competition was the defeat of a strong Ridgewood team. A fact that was of no surprise was the consistent showing of seniors Bob Currie and Bill Sabino. Each received honors in Area All-Star Teams. With a winning slate of 8-4 Coaches Bender and Kiick should be commended for a job well done.

Basketball
Following the winning example set by fall sports, the 1972-1973 basketball team came out on the court and captured a share of their first NNJIL title. Their final League record was an impressive 14 wins and 4 losses. For the first time the Hornets defeated a strong Hackensack basketball team in a high pressure game 57-55. The team continued on its winning ways by taking nine consecutive victories and defeating co-champions Paramus. PV players honored to NNJIL All-Star teams were John Gerdy — 1st team, Eugene Krom — 2nd team, Dave Klenrock and Mike Suglia received honorable mention. Credit for this year’s success goes to Head Coach Carmen DeSimoni and his staff as they put together probably one of the best teams in the history of Passaic Valley basketball.

As the season came to an end the Passaic Valley wrestling team boasted an impressive 7-1-1 league record, and 10-1-1 overall record. This outstanding finish enabled them to achieve 2nd place in the NNJIL, 1 point behind the first place team. The Hornets went on to capture both the Passaic County Tournament and the District 8 Team Championship for the second year.

There were several outstanding seniors led by Co-Captains Vic Santalla (148) and Tim Donahue (157), who each took first in the county and district 8 matches. Mark Towers at 130 finished second in both matches, while Bill Beresford at 136 took 2nd in the county and 3rd in the districts.

Mr. McMahon believes there is a bright future for wrestling at P.V. in the coming years with the achievements of this year's underclassmen.
Contributing to the spirit of Christmas, the 1973 Valley Green Staff held its second annual party for some underprivileged children from Paterson. They ate, they played, they laughed and everyone felt the wonderful joy Christmas time brings. It can be summed up with the words of one of the children, "It was the best Christmas I ever had!"
Passaic Valley bowling teams are making it a habit of consistently winning. Coach DePaul led the Horents to 1st place in the Butler Scholastic League, and a strong showing in the NNJIL. They captured the County Tournament as well as placing 2nd in the State Tournament. Steve Drehetz led both leagues with high average. The team also led the NNJIL in high game and high series. Individual honors went to Steve Dretz and Bob Pavlak for All-County. Mr. DePaul should be congratulated on another successful season.

Passaic Valley's baseball team will be coming out on the field with optimistic thoughts of taking it all this spring. With nine returning lettermen, and the majority of the team with previous varsity experience, the Hornets are rated as top NNJIL contenders. Behind P.V.'s optimism is the strong pitching of Capt. Gary Slinger and Steve Berto­lero. The coaching staff will be looking towards Dave Strasser, Ed Ginter and Tom Curcio when it comes to hitting. Coaches Frank Reaser, Bill De Groot and Vince Caruso along with the entire team are looking towards a fine season.

Spring ... and the beginnings of a season. Passaic Valley has fielded its first girls' softball team, with the hope of capturing the glory of a winning team, a feat that is admirable for a team that has never before ran, batted, and pitched together. With their enviable determination and hard-driving efforts, the team is assured not only the winning of games, but the respect of those who view them.

P.V.'s track team makes its appearance as a well rounded veteran group of athletes. With the experience of 23 returning lettermen to work with, Coach Pellechia is very optimistic. Along with being a top contender in the N.N.J.I.L., the varsity has the potential to take both the Passaic County Relays, and the Passaic County Championship. Outstanding performances are expected to be turned in by seniors George Miller, Bob Currie, Bill Sabino, Jim Fernandez, Mark Heafeli and juniors Ray Shatwell and Jim Gaita.
Golf

Passaic Valley Golfers are looking forward to another promising season under Coach Biscaha with a team consisting of several experienced performers.

ORGANIZATIONS
Health Careers Club

The Health Careers Club is an organization for all students interested in going into the health field. The object of the club is to explore the different health careers by inviting guest speakers, going on field trips, and holding group discussions. The club used different methods to raise money for their treasury, such as sponsoring cake sales and selling candy.

Pres.: David Middlemas
V. Pres.: Tom Brodo
Sec.: Mary Manachi
Treas.: Cathy Heese
Hist.: Karen Korona
Advisers: Mrs. Schmidt
Mrs. Miller

Ecology Club

The Passaic Valley Students For Environmental Protection was formed in March 1972. It is an organization dedicated to improving our environment by promoting environmental education and undertaking environmental projects.

Pres: Bill Constantine
V. Pres: Dan Decindio
Sec: Sue Sergey
Treas: Joe Lotito
Chess Club

The Chess Club meets after school where interclub competition was available and students could enjoy their games. The best players in the club are to play against some schools in this area representing our Passaic Valley Chess Team.

Pres: Dave Dwiggins
Adviser: Mr. Roth

Health Office Aides

The Health Office Aides are girls who volunteer to work during their study periods. In addition to assisting the nurses they learn about the essentials of conduct in performance of Health matters.

Library Aides

The library aides have been in existence since 1943. They devote their study periods to work in the library. Their duties range from checking books in and out to organizing the periodical room and helping to file catalog cards.

Adviser: Mrs. Schaem
Honor Society

Membership in the Honor Society is the highest honor the Passaic Valley High School can bestow on a student. Students who, at the end of their junior year, have accumulated 40 points — 20 scholastic and 5 extra-curricular as a minimum — are eligible in the June of that year. Students are eligible at the end of their senior year if they have a minimum of 50 points.

It's true in any sport that the first year is always the hardest, and P.V.'s tennis team will be no exception. Behind the direction of Coach Roth the eight man squad will open with their first interscholastic match this April. The team is made up of seniors Steve Retzer, Ron Wagnor, Don Meszaros, Mark Stanek, Jay Mason, Fred Lugano, Ken Sowa, and Sophomore Mark Dehooge. The tough competition of the NNJIL should prove to be a good test for this rookie team.
