Commencement will mark the successful completion of four enjoyable years at Passaic Valley. Yet this attainment is designed as the beginning, the beginning of the next phase of life which will take you toward your goals whatever they may be. For each of you I would like to say that I sincerely wish that each of you realizes his/her goals.

Roger Tanis,
Supervisor-Class of '91

Dear Class of 1991,
We wish you good luck in all you endeavor;
Our memories of you will live on forever.

Be happy, be healthy in all that you do. We hope a light will shine upon you.

Don’t ever give up, you can make it we know; Just put your minds to it and then you will grow.

We hope you will prosper in all that you do; And that all of your dreams will someday come true.

Sincerely,
Your Advisors-

The Sociology class of Passaic Valley High School, under the guidance of Mrs. De Rosa, helped provide less privileged children and local families a memorable Christmas. "Project Care" has been extremely successful for the past six years. The Sociology students have gained tremendous experience and knowledge from this project. Students learn the art of organizing, scheduling, meeting deadlines, and managing money. Most of the students gain valuable information about public relations, interpersonal communications and student unity. Most of all, the sociology students realize how their own lives have been blessed. Self-gratification is their sole reward for long hours of work and service.

A Christmas Play
"Many moons ago, in a far-off place
lived a handsome prince with a gloomy face,
for he did not have a bride.
Oh, he sighed alas!
and he pined, alas,
but alas, the prince couldn't find a lass
who would suit his mother's pride.
On a stormy night to the castle door,
came the lass the prince had been waiting for.
"I'm a princess lost," quote she.
But the queen was cool, and remained aloof
and she said, "Perhaps, but we'll need some proof.
I'll prepare a test and see."
A Mattress

"I will test her thus," the old queen said, "I'll put twenty downy mattresses upon her bed,
And beneath those twenty mattresses I'll place one tiny pea.
If that pea disturbs her slumber, then a true princess is she."
Now, the bed was soft, and extremely tall,
but the dainty lass didn't sleep at all,
and she told them so next day.
Said the queen, "My Dear, if you felt that pea,
then we've proof enough of you royalty.
Let the wedding music play."
And the people shouted quietly,
"HOORAY!"
"A friend is a friend nothing can change that. Arguments, squabbles can't break the contract."

-Pete Townsend
Riding the bus is a unique and mathematical experience. Mathematical in the sense that one's grade level is directly proportional to the distance of one's seat from the front of the bus. As Freshmen, one can only sit in the front third of the bus. Heckling and tormenting are commonly seen in this area as upperclassmen prove their seniority and superiority. As Sophomores, one sits in the middle of the bus and the heckling ceases, but no one talks to you either because upperclassmen “can't be bothered with you.” As Juniors, you are entitled to a seat in the back third of the bus and are allowed to pick on all underclassmen. Juniors are the “rulers” of the bus and only have to answer to the supreme being, a Senior. A Senior on the bus is given the back seat out of respect and all others laud and honor him. A Senior doesn’t heckle underclassmen because the Juniors will carry out all his wishes.
You have to learn to pace yourself
You're just like everybody else
You've only had to come so far, so good
But you will come to a place
Where the only things you'll feel,
Are loaded guns in your face
And you'll have to handle . . . .

PRESSURE

This yearbook is filled with hundreds of pictures showing people laughing and having fun with their friends. But is life at PV always this happy and carefree? Not quite! High school students have a lot of pressures and responsibilities they must deal with and sometimes we just get really stressed out. Seniors have to face college applications and SAT's, athletes face anxiety about making their season successful, and everyone worries about tests and papers. Kids feel pressured to pass their driving test, find a date for the prom or cotillion, avoid detention, and anyone who is a Girls' Show committee head knows the true meaning of stress.

The 1990 football team featured one of the most experienced teams in recent years. The Hornets under the direction of second year coach Nick Sauter finished with a 6-2-1 record and 2nd place in the Northern Hills Conference.

The highlight of this year's season occurred when the Hornets reeled off four wins in a row. After suffering an emotional 19-0 letdown to DePaul, the Hornets bounced back to top archrivall Lakeland, 33-31. The team then traveled to West Milford to do battle with the Highlanders. After trailing 6-0 at halftime, the Hornets stormed back to upset West Milford 7-6. After topping both Montville and Clifford Scott the Hornets then lost their bid for the state playoffs as they fell short by 2½ power points to Cliffside Park. With a League title in their grasp the Hornets were downed by league power, Wayne Valley, 21-7.

This year's team will best be remembered for their intense dedication and willingness to pursue victory no matter how difficult the odds.

1990 Varsity Cheerleaders

"Say we love, we love Hornets! ... " The enthusiasm can be heard in their voices as the Varsity Cheerleaders lead the Hornets to victory. The many hours they have spent practicing, working together, and cheering their teams on through the wins and losses have created a special bond between them. Their spirit and energy have brought these eighteen girls to think of each other as much more than teammates.

The friendships they have formed will be among their fondest memories of high school. The pride and dedication of the 1990-91 Cheerleaders will be remembered long after they pass on their pom-poms to the next group of Hornets.

The marching Band plays during halftime at football games, at night soccer games at P.V., at the pep rally, and performs throughout the community.

The season began with some strong efforts both offensively and defensively. The first victory occurred against Lakeland. From there the Hornets went on to defeat Butler, Lakeland again, and West Milford in the Passaic County Quarter Final Tournament. On the County Level five Hornets made the two All County Squads. First Team went to Angela DiPaola, Sharon Corby, and Pamela Ridgeway. Second Team went to Jennifer Kocha and Deena Atieh.

Our outlook for next year is to improve our skills and team play, win the County Tournament, and have fun.

The boys' season started with a tough opening night loss to Westside by the score of 58-57. The team split the next two games and then turned in a fine performance in the P.V. Christmas Tournament defeating Clifton in the Final. Neil Fardin was named tournament M.V.P. The team then split its next 6 games with wins over Lakeland, Wayne Valley and Eastern Christian.

The boys started the second half of the season with a 6-6 record and needed a win against DePaul to qualify for the State Tournament. The Hornets defeated DePaul by the score of 65-53 and qualified.

The team's next game against arch-rival West Milford turned out to be a heartbreaking one point loss. Mike Rubino set a school record by making seven three-pointers in a losing effort. P.V. rebounded from the loss to win their next three games and advance to the second round of the county tournament against top ranked Eastside. The Hornets "hung tough" for a half, but then were worn down in the second half and lost to the eventual county champion. The team won two of their next three games to enter the final week of the season with a 12 and 9 record.

The Hornets pulled together in the final week as they overcame an injury to key player, Neil Fardin, and won three games. P.V. defeated Garfield, Wayne Valley and Essex Catholic to finish the regular season 15 and 9.

In state tournament play the Hornets lost in the first round to Wayne Valley to finish at 15 and 10.

Overall the team was led by six seniors: Fardin, Rubino, John Seugling, Mike McBride, Mike Damico and Jim Eisele. Key underclassmen were Rich Ferraro and Bryan Young.

The team was “young”, but had a great start, compiling a 8-2 record before the Del Val Duals, a prestigious tournament. The Hornets lost two close matches to West Milford and Lakeland. Injuries plagued the team. With two varsity starters out of the lineup, PV lost tight matches to Kennedy and Wallkill Valley. The Hornets rebounded to place 3rd out of 11 teams in the District 8 Tournament.

Five wrestlers advanced to the Region II Championships and two advanced to the State Championship at Jadwin Gym in Princeton.

The Girls' Basketball team had a trying year with its record falling just below five-hundred. The team consisted of Senior Captain Jane Smith, Sheryl Trapanese and Tammy Eifler, Juniors Sharon Corby, Dana Lightner Rosa Leporini, Jen Wyble, Sharon Dudek and an injured Jenny Brino. Sophomores of the team included Janel Apuna, Maria Basile and Dina Spinelli. Randy Bivona and Lauren Valentine were Freshman representatives.

Although the team had a difficult season, they managed to remain enthusiastic and work together as a team.

Team Strategy
The varsity bowling team completed a very successful season. The team finished first in the Northern Hills Conference and second in the Passaic County Tournament. Passaic Valley finished with a record of 163 points won and 89 points lost. Senior Greg Garrabrant had an outstanding year. Greg finished with the highest average in the Northern Hills Conference League. He was named the first teams of the Northern Hills Conference and Passaic County. Greg also distinguished himself in the New Jersey Boys Bowling Qualifying Tournament. His 662 series was good enough to place as the third high individual series in a field of over 200 bowlers, and his 247 middle game qualified him for another trophy for third high individual game. As a result, Greg was one of the few bowlers in PV to qualify for the State Individual Tournament. Senior Chris Sytsma held the third highest average in the Northern Hills Conference. Chris was named to the first team All Passaic County. Other members of the varsity included senior Kim Hoholik, juniors Jason Bruno and Vu Nguyen, and sophomore Nikki Melissant.

The 1990-91 Indoor Track Team had a very successful season, due in part to a larger turnout. This year they competed at Rockland Community College, Fairleigh Dickinson University, and top athletes went on to compete at Princeton University in the State Sectionals.

Coach Callahan is optimistic about next year's team and about the future of indoor track at P.V.

The 1991 Hornet Baseball Preview

This year's squad will be a nice mix of juniors and seniors. Coach Pescatore feels that with a good summer baseball season, combined with camps and a dedicated pre-season, this year's squad will continue to improve throughout the season.

The pitching staff will be lead by senior Sam Tirone (2-2) and junior Jeremy Flynn (2-2). A third starter and a relief pitcher will emerge from a talented corps of senior and junior pitchers.

The defense will be anchored by Flynn and J.B. Challice, who will handle the catching duties.

Juniors have also invaded the infield. First base will be protected by junior Bryan Young, second base by Ricky Miedema, shortstop by Brian Adler, and third base by Brian Beagin and senior Eugene Timmons.

In the outfield, seniors will contribute substantially with Anthony Cornetto and John Hayes in leftfield. Sam Tirone and Lenny Ferguson, a junior, will share centerfield. In right field is senior Greg Garrabrant.

Offensively, the Hornets have a good mix of average hitters with some ability to steal bases. Garrabrant, Miedema, Adler, Timmons, and Ferguson will provide speed this season. The power of run production is up to Cornetto, Tirone, Flynn, and Chalice.

The outlook for the 1991 Hornets is bright with talented young players contributing with a few seasoned veterans to make an exciting upcoming season.

The Hornets will travel to Cooperstown for another game this year. Five players will accompany Coach Pescatore to Belgium with a USA tour team this summer.

Coach Pescatore has also been named assistant coach for the Belgium Junior National Team, which will compete in the Junior World Championships in Rome, Italy.

The outlook for the Lady Hornets is bright. P.V. returns the entire squad from last year featuring four all-county players: Laura Louridas, Jen Puglisi, Cathy Burke, and Dana Lightner. Returning starters include Kelly Gourley, Jane Smith, Sharon Corby, Stephanie Gurnari and Dina Spinelli. Newcomers Dina Atieh, Lisa Salerni, Tammy Zunin and Silvana Caruana add speed and depth to a team already built on pitching, hustle, defense and experience.

The Hornets will be strong contenders for the league, county and state championships. Through its willingness to dedicate itself to improve upon last year's excellent record of 19-4, the team feels proud and confident that it can be one of the best teams in the state.
The 1991 season will be highlighted by two returning All-County players. Ken Tyrrell and Ken Ferguson will lead PV's Linksters to defend their 1990 Northern Hills Championship.

Returning letter winners Mark Montalbano, Mark Bukowczyk, Ryan Mariani, Steve Klim, Steve Mendillo and Jen Ariola will add some experience on the course.

Newcomers Keith Allmendinger, Aaron Braen, Jen Francisco, Lauren Rosolen and Wendy Warren will challenge the veterans for varsity positions.

This year's scholastic competition will be challenging. If the team is to win the League, County, and Regional Championships an outstanding effort from the entire team will be needed.
The 1991 Boys' Tennis Team is looking forward to a promising season as returning County Champs. This year’s team will be led by Senior Captains Jim Quagliana and Bob Marks. Also returning are seniors Mike McBride and Pat Antonio and Junior Vu Nguyen. Some welcome newcomers include Seniors Brad Mulcahy and Brian Pricken and Freshman Pete Nguyen.

In 1990, the Hornets achieved a superb 21-5 record. Their exceptional play won them the County Championship and brought them to the State Sectional Final.

Coach Bill Wing is new to Passaic Valley and hopes to take over where Coach Kevin McGlynn left off. This year the boys are striving for league, County, and State Championships.

The 1991 Boys Track Team is very optimistic about this year. Captains Tom Angelo, Lou Cafiero, Charlie Galvano, Rob Malone, and Vinnie Perosi, along with other returning varsity lettermen, will try to provide the necessary leadership for another winning season. The team would also like to win some medals in the relays and be very competitive in the league, county, and state championships.
The 1991 Lady Hornet Track Team should be very competitive in their league this year. Led by captains Sheryl Trapanese and Jennifer Santaniello, the Lady Hornets are hoping for another successful season. Coach Callahan feels that with a great deal of hard work, the Lady Hornets can expect good results.

"You've Got A Friend"

When you're down
And troubled
And you need
A helping hand
And nothing
Oh nothing
Is going right
Close your eyes
And think of me
And soon
I will be there
To brighten up
Even your darkest night

You just call
Out my name
And you know
Wherever I am
I'll come running
To see you again

Winter, spring
Summer, or fall
All you gotta do
Is call
And I'll be there
You've got a friend . . .
If that sky above you should turn dark and
full of clouds
And that north wind should begin to blow
Keep your head together and call my name out loud
Soon I'll be knocking upon your door . . .
People can be so cold
They'll hurt you and desert you
They'll take your soul if you let them
But don't you let them
You've got a friend . . .

What Is Class?

Students spend five hours and twenty-eight minutes every day in classrooms. Whether it's mixing solutions in Chemistry, reading Shakespeare in English, deriving equations in Calculus, playing flag football in Phys. Ed., each class builds on to a student's foundation of knowledge and expands his/her horizons. The one person most responsible for generating this intellectual energy is the teacher. Students readily pay attention as the teacher orchestrates his/her lessons. This is the ideal "class" situation. However, this is not what always takes place...

It seems like only yesterday when we first set our eyes on Passaic Valley. We came not knowing what the next four years had in store. With every new experience, we lost a piece of our innocence, but gained the knowledge to face our future. Through the good times and the bad, we’ve shared our memories together, ones that will last a lifetime. Class of 1991 - this is "The End of the Innocence."

Without Music Life Would Be A Mistake.
-Fredrick Nietzsche
Dear Members of the Class of 1991:

With the present emphasis on technology and the sciences in high school and college curriculums, students are reminded of the importance that the humanities play in rounding out our lives. Without the joys of music, art, literature and our rich cultural/historical backgrounds, a person's life is not truly complete. Students should not abandon the humanities component of their education, but must maintain a balanced approach to learning and enjoyment.

Best wishes to the Class of 1991 and may you have a fruitful and productive life in whichever field of endeavor you may choose.

How Well Do You Know Your Teachers?

The preceding has been your Final Exam. If you were able to match 93-100% of your teachers with their favorite musician/pet peeve, then you’re probably a brown-noser.

If you scored 77-92%, then you’re an Average Joe; you think as teachers as part of the furniture.

If you scored 70-76%, you’ve spent a lot of time in In-School Suspension; you see teachers as baby sitters.

If you scored below 70%, you’ve been in a coma for the past four years; you don’t even know we have teachers.

HON. ROBERT A. ROE
OF NEW JERSEY
IN THE HOUSE OF REPRESENTATIVES
Thursday, September 6, 1990

Mr. Speaker, it is with the greatest pride and admiration that I rise today to salute a truly outstanding educational institution in my Eighth Congressional District of New Jersey that has helped mold the lives of young people in the greater northern New Jersey area for half a century.

I am speaking of Passaic County Regional High School of Little Falls, N.J., which is observing the 50th anniversary of its founding. To celebrate this historic event, Passaic County Regional High School will hold a dinner at the school on Saturday, September 15, 1990. I know that this event will bring great pride to Dr. Louis R. Centolanza, the superintendent of Passaic County Regional High School, and to everyone connected with this great institution.

Mr. Speaker, as a means of providing you and our colleagues with the details of this fine school's rich background, I would like to insert for the Record the official history of Passaic County Regional High School:

Passaic County Regional High School opened its doors on September 16, 1940, to some 610 students from Totowa, West Paterson, and Little Falls, N.J. This institution is governed by the Passaic County Regional High School District No. 1 Board of Education which is composed of nine board of education members from Totowa, West Paterson, and Little Falls.

Passaic Valley is committed to the development of the well-rounded individual and has augmented its strong academic program with a wide range of athletic, musical, and literary activities designed to stimulate and encourage the individual growth of each student. The dedication, commitment, and encouragement of the many men and women, who as board members, administrators, teachers, and friends have assisted generations of students in becoming self-directed, aware, and integrated individuals who are capable of continued growth, has made Passaic Valley High School a special place.

The faculty considers this celebration of the 50th anniversary of the school's founding a milestone indicating, not the end of the journey, but rather an experience that will help Passaic Valley Regional High School chart its course into the 21st century. The loyalty and encouragement of so many alumni and friends guide many youths toward a better future.

Mr. Speaker, on behalf of myself and the rest of my colleagues I would like to congratulate the students, teachers, administrators, and board members, past and present of Passaic Valley Regional High School upon the school's 50th anniversary, which has continually aspired to the highest standards of educational excellence and which has most certainly made its community, its State, and our Nation a far better place to live.

In our four years at P.V., we have grown from a group of strangers to a class with its own unique personality- The Class of 91. As we move on, we fear what might be lost. The best of times and friends slowly begin to fade to memories.
Yet this is not the end. These friendships and memories will guide us to futures as bright as we dare to imagine. No, this is not the end. We've only just begun. - Tara Hunt
