There Comes A Time

There comes a time in each of our lives when we must place our footprints in the sand, away from the footprints of those around us. While one leg steps into the future, and the other remains rooted in the past, our hands are free to sift through ideas of the present. Meanwhile, we've come to realize the stumblings of youth which confused us then serve now to make us stronger by their teachings; revealing truths which otherwise would have remained undiscovered. And now there comes a time to act upon these truth.

Class History

FRESHMAN ORIENTATION... a sea of new faces... finding homerooms... wandering through the maze of overwhelming hallways... endless schedule changes... trapped in prison like study halls... electing of officers... getting a taste of the DELUXE caf meals... consulting the floor plan to avoid getting lost... buying tickets to the rooftop pool... and where's your elevator pass?... mouth watering cakes for sale... the invasion of the furbils...

SOPHOMORE SLUMP... the concert... who needs keychains?... nerve-wracking driver's ed... sold-out sophomore dances... the flea-bitten flea market... the bomb scare that scared everyone... endless fire drills...

JUNIOR YEAR... ALMOST THERE... detention halls reinstated—now Prisoner of PV is more than just a t-shirt... receiving our investments of gold and silver... changing of officers... raising of the drinking age—New York here we come... US Hockey team makes us proud... waking up at 8:00 a.m. (on a Saturday, no less) to take the SAT's... the Iranian crisis... PV football team wins State Championship at the Meadowlands... Successful (but crowded) cotillion at the Bethwood... panic! treasury's funds are mysteriously depleted!... disappointing boycott of the Summer Olympics... clear the roads...

SENIOR YEAR... new advisors and officers—let's try it again... PV football team State Champs again!... Sat. night football parties... scalping tickets for the Senior play Your Own Thing... anticipating sex ed class... what happened to the basketball team?... election of new (?) President... Remarkable wrestling team league champs... THE LANTERN... Battle of the bands—just don't dance, smoke or stand... whipping it to punk rock... who doesn't have at least one pair of designer jeans?... ending of an era: no Girls Show this year... where's all the Seniors on Fridays?... Candy sale—better try them before they melt... Senior Prom at the Fiesta... Graduation... Where will we go from here?...

Thanks For 35 Years Of

We take time out to devote the next two pages to honor a man who has dedicated 35 years of his constant energy and colorful efforts to Passaic Valley High School, Mr. Chet Kuziora. We not only recognize him for being advisor of the Valley Green Yearbook and the Art Service Corps, but also as a great teacher, man and friend. He helps so many of us throughout our years at P.V. When times are rough, he is always there to listen and respond with a comment that is wise, yet humorous.

Mr. Kuziora came to P.V. in 1946 and has taken a whole-hearted part in many organizations, offering his help to let us work our best. Thank-You for being with us Mr. Kuziora, and Happy 35th Anniversary, "K", this one is for you!

1981 Senior Class
Dedication To Passaic Valley
Every person has his purpose and rhyme, in this wide world of so little time. Starting slow and building higher, to set the world into a blaze of fire. Reaching out and grasping what's out there, We nourish it, fondle it, master mind it, and handle it with care. Now as we reach the end of our highschool years, and look into a world of hope may we all reach out, and take what is ours. Not to spoil what we take, but to create a beautiful painting. With the boldest of colors, and brightest of minds. In every day, and In every night; Let love survive. Dana Yurkosky
Class Advisors

Do not follow where the path may lead. Go instead, where there is no path and leave a trail.

Our four years at Passaic Valley have flown swiftly by, and as we say goodbye to our friends, mentors and teachers we fondly remember certain special ones who helped guide us along the way. Miss Cori, Mr. Feretti and Miss Goosman, we thank you for the understanding, patience, guidance and dedication you have to the Class of '81.

I'd rather be the hammer than the nail.

Just dream, and the world will follow.
ERA is here to stay

Wow it runs!

Hey W'sup!
We forget the sadness,
The hurt and pain grew healed
And the castles slowly molded
Took the dreams and made them sealed.

SM

Good to the last drop.
There comes a time for us to remember
The games we played
The tears we cried
The hurt we shared
The fears we had
The love we hold
The courage we earned.
If only yesterday was in my reach,
I'd hold it tightly in my grasp.

DY
You're not going to take a picture are you?

Yes, the love shown thru the heartaches,
And the laughter thru the tears,
And we dreamed about the future.
And overcame the fears.

SM
O.K. Guys this is the plan.

Around Valley
Dinner's on.
We are all on the road of hope, and just beginning to walk for many miles.
The sun has set, The moon to rise. Our souls will part and say Goodbye.

Reach out and grab a star, You can get it no matter how far.

DY
O.K., kids this is a desk

You have a tough schedule too, huh?
Misty memories of sunshine and pain
Cloud the hourglass as the sand drifts slowly downward
As time shines the tears of those who know it
And an ocean tide sweeps the merciless into its power.

SM

A love we need so badly,
The friends we need and hold;
Memories turn so sadly,
And we must turn bold.

DY
Will you see the endless summers
As they catch the falling waves
And remember all the gladness
That the memories once gave ...
There comes a time for us to give each other the gift of cherished memories, which no one can steal, drown nor take away.
THE ATHLETE
By Dana Yurkosky

In this wonderful world of competition,
Here in these next few pages lie tomorrow's winners.
Those who have courage,
Those who have strength,
Those who have power,
Those whose will won't break.
In time of challenge,
In time of endurance,
In time of desire.
The athlete performs to his highest will.
Understanding the time it takes.
The sweat it makes.
Understanding the dedication needed.
Not giving up till the trophy's in hand.
The trophy is not just a piece of material,
but the symbol of success.
For which the athlete extends his body and mind,
for what he gives to his team,
and his pride.
COACH JOE BISCAHA

Joe Biscaha has finished his eighth year as Head Coach at Passaic Valley High School. During the past eight years the "Hornet" mentor has compiled a record of 65 wins, 14 losses, 11 ties, and 3 state titles.

At the conclusion of the 1975 season, Joe was named Coach-Of-The-Year 1975, by the Star-Ledger. In 1979, he was named Coach-Of-The-Year by the Paterson News. Most recently, he was selected as the Daily News' Morris-Passaic County Coach-Of-The-Year.

When Passaic Valley began its quest to defend its N.J.I.L. and State title, they had to be considered favorites to repeat their 1979 performance. The next 12 games were spent preparing for the 1980 Hornets would be a veteran group with solid support from the Underclassmen. However people often forget how tough the N.J.I.L. is, hence each week the Hornets would have to prove their worth against the top teams.

The next week the Hornets would travel to Clifton Stadium home of the undefeated Mustangs. The Hornets proved to be a little tougher in this physical war, as P.V. remained undefeated with a 20-13 win.

With only one more victory needed for a playoff spot the veteran Hornets were now in full stride and "Flying". The Bergenfield Bears were the next Hornet victims as the defensive swarm punished Bear ball carriers all day. Again the awesome P.V. offense lit up the board in their 38-6 win, assuring them a playoff spot with their 7-1 mark. Similar to last year all three league powers were involved in Play-offs. The Hornets drew Clifton in the semi-final games at Giants Stadium. On the turf the offense was again potent, however the tenacity of the defense changed the tempo throughout the game. The result was a 34-0 shut-out, and a state title date on Dec. 6.

With the league still on the line, the Hornets went to Wayne for Thanksgiving, Wayne Valley, being playoff contenders for most of the year, was counted on to really test the Hornets. Being the last game between these two rivals, the stage was set for truly exciting football.

The Indians came out flying, and it took two fourth quarter touchdowns for the Hornets to capture their third straight league title. The last two days were spent preparing for their title match with Fairlawn. The Cutters had beaten P.V. 7-6 during the season, so many people thought another low scoring defensive game would be the case. P.V.'s defense made its presence felt by everyone, as they punished Fairlawn ball carriers all night. The offense complimented the defensive efforts by opening up for 20 points. The Hornets registered their 5th shut-out and brought home their 2nd straight Group 4 Section 1 State Title.

The 1980-1981 Soccer Team, led by Captain Albert Brunetti, realized one of the most successful seasons in many years. Sparked by an opening day 1-0 upset victory over top-ranked Bloomfield, the Hornets went on to compile a 9-10 overall record. Their 5th place finish in the NJJIL was the highest finish for the Hornets in 7 years. Outstanding play by seniors Arjay Pedalino, Doug DeCesare, Ken Kebless and Jeff Beck contributed to the team's overall success. Team Captain Albert Brunetti was selected to both the All-NJJIL and All-Passaic County teams. Junior forward Peter Vinton was a first team choice to both NJJIL and Passaic County All-Star teams, while Junior forward Kevin McGlynn was a second team choice all NJJIL. The Soccer Team is to be congratulated for a fine season and a job well done.
The 1980 field hockey team finished with an 8-4-4 overall record and a 6-2-4 record in the NJJIL; taking third place. This is an outstanding achievement considering the circumstances.

The first disadvantage concerned the number of girls out for the team. Thirteen girls were in an endurance game in which 11 played at one time.

Another factor was an unfortunate run of injuries which further magnified the team’s problems of depth and experience. During the second Bergenfield game they played and won with only 10 players on the field.

The team ended the season losing in the state sectional final to Hackensack by a score of 2-1.

All in all the girls had a great season. They are admired for their perseverance and competitive spirit.

Led by Senior Captains Ray Ferriola and Keith DeVisser, the Hornets won 9 and lost 7. Injuries to Mark Lombardi and Keith DeVisser hurt the Hornets' chances of making a run at the League title. However, seniors John Brinkman, Kevin Burns, Joe Velti and Pete Folan provided enough for a winning season. Ray Ferriola made 2nd Team all NNJIL and Keith DeVisser made honorable mention.

PV's returning letterman for next year should provide a fine team - such as Captain Ed Cody, Joe Coiro, Willie Kuri, Eric Roos, Dave Conti, Doug Mason, Frank Alexander.

P.V. Girls Cross-Country Team led by Captain Caroline Roos went into competition for the first time. The season ended with 5 wins and 5 losses. Other girls on the varsity who had a fine season were: Leslie Perre, Mary Ellen Ballantyne, Leslie Taylor, Renee Fiorilla, Lisa Lombardi, Pat Carroll. Coach Jim Kiick thinks next year a top spot in league competition is very possible.
The P.V. Gymmies as they call the gymnastics team, coached alone by Gail Schiavone until the middle of the season. The gymmies finally received rescue aid from Sue Sessa who came to the team's assistance as an assistant coach combining her knowledge with that of Gail Schiavone. Sue used hers with the dance and beam, and Gail used hers with the bars and the vault they balanced out the four events.

Entering the State Sectional meet as a Team for the 1st time in P.V. history the Gymmies took 5th under the leadership of captains Carol Phillips, Karen Enderly and Sue Enderly. Another first was that the team went to camp to get all the aches, pains, sores over with a week before practice started. The ultimate first was the new addition to the team — BOYS!! The remaining season with this young and inexperienced team and increased difficult schedule brought about an 8-6 finish.
This season the volleyball team again faced difficult competition in the N.N.J.L.L. league. Despite the competition, they managed to improve their volleyball skills, team play, and record.

This season the team was unusually large due to growing interest in the sport. The season opened with approximately 45 girls and slowly slimmed down to a team of 30 athletes. This made it necessary to begin a freshman team in addition to the existing varsity and JV squads.

The team was lead by captains Karen Wos, Nancy Brophy, and Mary Ellen Sturm, all three seniors that will be missed. Next year, Coach Jeanette Krone looks forward to an even better season with returning players in their fifth year season.

Wrestling

The 1980-81 wrestling season was the best that Passaic Valley has ever had. The team was made up of 54 people. This includes 9, 10, 11 and 12th graders with 3 girl managers and 3 coaches. The season began on November 15, 1980 and finished on Saturday, March 21, 1981 in Princeton's Jadwin Gym. This years team won every tournament in which they competed, the Bloomfield, Passaic County and District 8 Tournaments. They were also 9-0 in the NNJIL. In February of 1981, they were invited to compete in the State Wrestling Finals. The team came away with the State Wrestling Championship via two wins 37-24 over West Milford and a 38-22 win over North Bergen.

The New Jersey Wrestling and Officials Association voted PVHS as the number one team in Region Two which is made up of 43 schools. They were also voted as the number 8 team in New Jersey. There are over 350 schools in our state.

As the coach of this years team, I would say that the best word to describe these young men is togetherness. With each new challenge, they rose to the occasion and performed as champions.

We wish the 5 seniors the best as they leave P.V. at the close of this school year.

The seniors are: Vic Chumacas-115 pounds, Bryan Rose-129 pounds, Jim Walther-141 pounds, Dave Martell-158 pounds, and Steven DePasquale-170 pounds.

The leadership for this season was supplied by Dave Martell who gave unselfishly of his time and talents to help the team have a successful year. As the season went on, the team elected Jim Walther as the co-captain and Jim proved to be a great help to the team.

This was definitely a "super year" with a team of "super guys".

Basketball

The Passaic Valley Basketball Team had a long and difficult season in 1980-81. Inexperience played a major role in the team's 5-15 record. Only one senior played for the Hornets, Jim Donnelly. Donnelly was the team’s leading scorer and rebounder. He was a second team all NNJIL selection. The remainder of the squad was made up of underclassmen, including Mark Natale. Natale led the team in steals and drawing charges. He was an all NNJIL Honorable Mention selection. The team showed consistent improvement throughout the year. Although it was outscored it was never out hustled and with eight returning lettermen the fact is "The Best is Yet to Come."

Girls Basketball

The Girl's basketball team enjoyed an improved season. The team record ended up at 12-11. Highlights of the season included winning 5 of 6 games during one stretch. Key victories this year included 41-38 over Clifton, 75-72 over Hackensack, and 58-48 over Wayne Valley. The team finished tied for 3rd in the NJJIL. Seniors Lisa Bragman, Jane Van Eveldt and Marika Szilvassy captained the team and enjoyed fine seasons contributing to the team's success. Junior Donna Marino made 1st team all league and 2nd team all county. Marika Szilvassy made Honorable mention all League.

Captains Dan May, Bob Shaara

The Hornets advance 12 senior letterman and an intact starting lineup into the 1980 campaign. The experience provided by these veterans has made the Hornets co-favorites to win the N.J.I.L.

If the theory that 90% of any baseball game is pitching, then P.V. should be in a good position with returning starters Danny May, Mike Cyr, Bob Shaara, and Pete McManamey supplemented by Joe Veltri and Mark Bennett. The balance of this veteran squad includes catchers Jim Donnelly and Jim Gish, first basemen Arjay Pedalino and Steve Hunt, second baseman Frank Tummino, short stop Paul Segnello and outfielders Tom Goobie and Bob Buscema. If all perform to their capabilities, this should be a banner year for P.V. baseball.
Captain Lisa Bragman, Coach Marquis, Captain Holly Loeb

In 1980 the Passaic Valley Softball team was Passaic County Champs And State Sectional Champs. They placed second in the NNJIL behind Paramus. Nobody expected much from the ‘young sophomore team’ but the team really proved them wrong.

It is hopeful that the team matches last years success with everyone returning except second base and right field. The pitchers and catcher and the other seniors will provide stability, experienced leadership, and consistency.

The teams defense has always been fairly solid. It has an infield which executes plays routinely and the outfield has grown to be strong; covering a lot of ground and performing low, accurate throws to their targets. The offense is good. It has its weak spots that need some building up, but it will make it through the year.

The key to the teams success this year will be: #1-Team unity, attitude and desire. #2-Execution of skills, offense and defense, that the team is capable of.

Coach Marquis is very optimistic. “Some times we are hot stuff and other times we’re the ‘Bad News Bears’, but the girls are the best competitors.” When the situation is tense and the girls are under pressure they pull together and come up on top.

Anything can happen in softball, but everyone should watch the P.V. team this year because they're going to win the league, they are going to win the county championship, and with a little touch of luck, they will be going to Mercer County Park to go after the State Championship! This is their year ... if they are going to do it, it's going to be in 1981.

The Tennis Team, coached by Joe Biscaha is once again going to be the dark horse in the NNJIL, the team is made up mostly of underclassmen. The only seniors are John McGlynn and captain Linda Watchman. The underclassmen that are returning lettermen are Kevin McGlynn, Alison Liss, Phil Fusco, and Jay Schreyer. The team's strong points are singles led by returning lettermen where as youth may pose a problem in the doubles.
Boys Track

Assistant Coach: Robert Callahan, Head Coach: Frank Pellechia, Assistant Coach: Larry Stewart.

Boys Track

The 1981 Track team is once again coached by Frank Pellechia who is in his 19th year at the helm. The Passaic Valley team is looking forward to a very successful season. The team is built around a senior nucleus with many up and coming juniors. Weaknesses are depth and lack of experience in many events. Outstanding senior performers are co-captain Walt Brunk (hurdles, sprints, jumps), co-captain John Brinkman (hurdles, high jump), co-captain Greg Liss (hurdles), co-captain Kevin Burns (high jump, 400 meter) and captain Keith DeVisser (distances, high jump). Passaic Valley also should be helped out by many underclassman. Standouts such as Marc Taylor (weights) Joe Coiro (sprints, jumps), Carmen Lombardo (weights); Ed Cody (middle distances), Bill Tedeschi (sprints) and sophomore Al Labate (sprints, jumps).

Girl Show
1941-1980

Traditionally, the next six pages were dedicated to the many pictures of Girl Show. These pictures portrayed the laughter and sadness the White and Green teams had experienced throughout the year and work so hard for. However, Girl Show does not exist, at least not this year. Why did Girl Show, which inspired spirit, happiness, and a sense of unity disappear? It is our hope that the tradition is only temporarily interrupted and not ended.

A special thanks to Miss Arlene Alape and Miss Suzanne Bridenburg for all their time, effort, and support in making the show the great success it always was.
ACTIVITIES

As the sun dances into our lives,
We cast shadows all over the world.
Leaving silhouettes to mark our past.
Wondering if time will hold our silhouettes
in place long enough;
to let us live the sun,
And not the moon
For the lonely moon will leave us
in darkened shadows,
unable to see.
In every life There Comes A Time
to turn on a light
To remember the dancing sun,
but not the lonely moon.

The Passaic Valley High School boys gymnasium has been renamed and dedicated to the retired Asst. Superintendent of Schools, Joseph I. Farrell. Farrell retired in Aug. 1980 after having joined Passaic Valley in 1947. He taught English, social studies and coached football and track. He was also responsible for organizing and coaching a cross-country team. Before being appointed Asst. Superintendent in 1974, he had served since 1961 as Vice Principal in charge of Pupil Personnel Services.

At last the 1981 Valley Green Yearbook has gone through the press, and the finished product is being presented to you. I hope you will find it worthy of your expectations.

Being editor, one needs a very helpful and understanding publishing company and representative, a lot of patience, and an encouraging Mom and Dad. A million thanks to all those who have given me full support. From all of us on the yearbook staff, we hope that this yearbook helps shine a little light on your memories. It is IMPOSSIBLE to please everyone, but we tried trying! I wish everyone the best of luck, and hope you are all forever happy.

Linda Sokalski
Editor-in-Chief
there comes a time to branch out on your own, and walk through the halls of PV one last time.
there comes a time to test our own wings, while having mixed emotions about being out on our own.
there comes a time to sift our hands through the ocean of learning, keeping the perfect starfish and throwing back the broken seashells.
there comes a time to show our tears, without being afraid of someone laughing.
there comes a time to smile, and look ahead to a bright and beautiful future.
there comes a time to finish what we've begun, and start over.
there comes a time...
Sandy Mayurnik

As we look toward the final hour of the time where we are one,
A package of strength bound with power. For There Comes A Time for the present to be opened, and all the magical surprises to delight the world.
Through many exciting views of talent and intelligence. For people to benefit from the wisdom created in such minds.
And our love to be absorbed into the world—never to be wrung out, but remembered.
Just as the memories of our youth are. So now my friends...
THERE COMES A TIME
to say
good-bye.
Dana Yurkosky
