Dear patrons,

In accordance with Governor Murphy’s Executive Order, effective 9:00 pm, March 21, 2020, the Alfred H. Baumann Public Library staff will be working from home until further notice. The safety of our staff and continued efforts to minimize the spread of COVID-19 is of the utmost importance for everyone.

Our staff has made many preparations in anticipation of not working from the library. We have installed a "Chat" on our website enabling you to gain immediate access to our staff Monday through Friday, 9:00 am to 4:00 pm. You can also email us at library@abwplibrary.org anytime. Any phone call messages will be responded to as soon as we are able.

We recorded several storytimes at the library over the past few weeks and our staff will also be recording programs at home for children, teens, and adults, and posting them to our YouTube Channel and on Facebook.

We have an extraordinary amount of digital resources - eBooks, audiobooks, movies, music, magazines, language learning, and much more! Everything is FREE! Woodland Park residents, if you do not have a library card, you can apply for a temporary card to gain access to all of our digital resources. Simply go to the home page of our website and choose Apply for a Library Card. Complete the web form, submit and you will receive an email with your library card number, pin, and information about the card. This card is valid for 90 days. Once the library is open again, please be sure to stop in with your photo ID, and we will be happy to give you a physical card and full access to our collections for three years and access to all of the PALS Plus Consortium libraries.

Please remember to check our website and social media pages to get up-to-date reliable information about our current situation, the COVID-19 resources, and all of the virtual program we are offering.

We miss all of our beloved patrons! But, rest assured, we are still here for you. Stay safe, practice social distancing, check in on family, friends, neighbors, especially the elderly. We are all in this together and hopefully, we will see you all in person soon!

Stay well,

Linda
